ACCOUNTING**

Wiley  
Financial Accounting,

5th Edition provides students with an understanding of fundamental concepts necessary to use accounting effectively. Starting with a “macro” view of accounting information, the authors present real financial statements. They establish how a financial statement communicates the financing, investing, and operating activities of a business to users of accounting information. Kimmel, Weygandt and Kieso motivate students by grounding the discussion in the real world, showing them the relevance of the topics covered to their future.

Wiley

Work more effectively and gauge your progress along the way! This Study Guide

that is designed to accompany Weygandt, Kieso & Kimmel’s Financial Accounting, 5th Edition contains chapter overviews, review of study objectives, problems, true/false questions, and multiple choice questions and solutions – all for each chapter!

Each question is also identified by a corresponding text study objective.

Accounting matters – that’s the underlying message of the new Financial Accounting, 5th Edition. More than ever before, this edition shows students the relevance of accounting across all business segments, regardless of their chosen major or profession. The authors provide accurate and thorough coverage of the necessary

accounting techniques and concepts that is perfect for both majors and non-majors. Throughout the text, they continually emphasize the relevance of accounting and the strategic use of accounting information. For example, the Fifth Edition helps students to: see a clear, strong connection between the material they are studying and the real world of accounting gain a strong global perspective on financial accounting be prepared for the expanding role of business technology and eBusiness have ample opportunities for hands-on, active learning

Wiley

Kimmel has all the tools you need for a successful accounting course! The new fifth edition of *Financial Accounting: Tools for Decision-Making* by Kimmel, Weygandt, Kieso, Trenholm and Irvine continues to provide the best tools for both instructors and students to succeed in introductory financial accounting class. Previous editions have

been praised by professors and students alike for a sound pedagogical framework, clear presentation, and real-world focus. This hands-on text, paired with a powerful online teaching and learning environment, WileyPLUS, offers students a practical set of tools for use in making business decisions based on financial information. The focus of the fifth edition *Financial Accounting: Tools for Decision-Making* remains the same: to help you teach and learn the basics of financial accounting in an engaging and pedagogically sound manner, and at the same time bring to your attention the most current coverage of both sets of rapidly

changing accounting standards, IFRS and ASPE. The text and its outstanding supplements, including WileyPLUS, form an integrated and easy-to-use solution for instructors and students alike.

Accounting Special

Features: ·

Incorporates significant

updates to the printed

and computerized

testbanks to help

reinforce the material. ·

Discusses the latest

developments on

Sarbanes-Oxley and

corporate governance,

offering a fresh

perspective of these critical topics. ·  
Updates the figures, chapter openers, and business insight boxes to make the material more relevant. ·  
Presents accounting information in the context of real financial statements. About The Book: This bestselling book has helped countless readers advance in their careers by gaining a practical set of skills and the confidence needed to use those skills effectively in making business decisions. The fifth edition begins by presenting a macro view of accounting information, taking readers through real financial statements. Readers will quickly discover how these statements communicate the

financing, investing, and operating activities of a business to users of accounting information. Kimmel, Weygandt and Kieso also arm readers with a Decision Toolkit consisting of a finite set of tools necessary to make intelligent business decisions based on financial information. The integration of this toolkit and the use of financial statements for decision-making make this one of the most user-oriented books available today.

Students get accounting when using Kimmel Accounting with WileyPLUS because we make learning accounting easy and accessible for today’s different types of learners. Written in a concise, clear, and conversational way, Kimmel Accounting provides just the right amount of information students need to come to class prepared. With powerful visuals, interactive tutorials, and problem solving videos, Kimmel Accounting makes complex accounting concepts possible to absorb quickly. Starting with the big picture of financial

statements, Paul Kimmel shows students why financial and managerial accounting is important to their everyday lives, business majors and future careers. Students using WileyPLUS do real accounting, get real results. With automatically graded practice and homework assignments, and over 2 hours of video based resources per chapter, students come to class prepared and ready for quizzes and exams. With access to 1,000 practice CPA exam review questions powered by Wiley CPAexcel, students check their intermediate accounting knowledge against CPA exam standards. With internship listings powered by

AccountingFly, students have a two-week head start on applying to accounting internships across the country. WileyPLUS for Intermediate Accounting 15th Edition prepares students for success in the course, and in the profession. WileyPLUS is sold separately from this text.
