A Father's Love

Hocus Pocus

Publishing, Inc.

Three sexy-but-psycho
monsters. One fiery,
determined witch. And
a high-stakes heist
about to go very wrong
I've made some pretty

questionable choices in
the name of my
witchcraft-dabbling in
necromancy, double-
crossing vampires-but
summoning the dark
goddess? That was just
plain stupid. Now I'm in
her debt, and
goddesses don't
exactly do payment
plans. She wants the
blood of the dark fae
warlord of Midnight, a
realm of exiles where
the sun never rises and
torture is a competitive
sport. It's a death trap
only three men have
ever escaped--my

newly appointed escorts. Jax, a terrifying demon whose icy touch leaves me trembling in more ways than one. Hudson, a hulking, fiercely loyal shifter hiding secrets so painful he barely speaks. And Elian, a cocky fae prick with eyes like molten silver and a heart full of vengeance—a heart that once belonged to me. I'll do anything to settle my debts and get back home, even if it means teaming up with my infuriating ex and the other sinfully hot psychos for the most dangerous blood heist in history. But when it comes to the cruel fae warlord, not even my monsters can protect me. Especially when we discover why the dark goddess really sent us to Midnight.

SPOILS OF WAR

Hal Leonard Corporation
My name is Ashlee. I am a victim of murder. Through a series of events and by two shots of a gun, I was made a widow at the age of 28, with my youngest child just six weeks old. I am a victim of infidelity. I have felt unlovable. I have felt rejected. I have had days in my life when I wasn't sure if I would ever take a breath again, let alone be able to raise my five children by myself. I have lived in fear. I have felt much heartache. I have felt truly broken to my core. I have carried some heavy burdens...not only of my own, but burdens put upon my shoulders by the death of my

husband. I have felt alone. I have felt humiliated. I have been humbled to my knees. I have searched my soul to find my worth in this world, and in the life that was left for me. My world has been totally shattered. I have faced realities I never knew were possible, and found strength within myself to keep up the fight and live every day as if it was on purpose. I have been carried by Angels...both earthly beings and those unseen. I have found that being a "victim" doesn't mean we have an excuse to stop living. Being a victim means finding a reason for seeking a higher road. I have picked up the pieces left and carried on. I am a mother. We are survivors. In one way

or another, we are all victims. There are times in our lives when we are forced to question who we are at our core. When we are presented with a path...we can go this way or we can choose that way. For some, this moment comes when the one person whom we love the most decides we are not enough. This person leave us-at a most vulnerable moment-alone to search within ourselves for who we really are. We are left trying to find who it is that was left behind. Sometimes the person we love dies. Sometimes it is merely an internal battle we are facing...all alone inside our minds. Whatever the situation and wherever you have been...you have been

hurt. You have felt alone. You have been abandoned, either by your parents, your lover, your friends, complete strangers, or even yourself. We have all been at that crossroad where all we have left is ourselves. Sometimes these moments of lows have brought you to your knees and caused you to reflect and ponder your relationship with God...and other times they have made you question if He is even there, or if He knows you are alone. Whatever that moment has been for you, it is personal and real. It has defined and refined who you are, who you think you were, and who you want to become. This is my story...the defining moments that have truly brought me

to my knees, the times when I've questioned to my core my very existence, and the experiences I've had that have shown me who I really am and who my Heavenly Father still needs me to become. The night of my husband's death was my darkest hour, but also the very moment when I saw firsthand that my Heavenly Father sent Angels on errands for me. He carried me. It was the hour when all my fears and all the pain of this world collided together and He was there...putting back together all the pieces, one step at a time.

Grieved Loss Hal Leonard Corporation
After leaving a restrictive religious community, Rachel Hill is on a mission to

divest herself of her virginity. Newly independent and struggling to establish herself, she's not looking for anything complicated. She bids on sexy SWAT officer Ben Harris at a bachelor auction, confident he'll give her the night of her life and nothing more. But Ben is jaded and detached, living his life in an endless cycle of danger-fueled adrenaline jags, drinking, and sex. When he misses the fact that his bachelor auction hookup is a virgin, he's shocked by his obliviousness, and by the risk she took. To make amends, Ben offers Rachel all he can: a no-strings-attached sexual education. Ben's lessons introduce Rachel to down and

dirty passion, but she's searching for something more profound than sex, and she's willing to walk away to find it. Ben can't get Rachel out of his head, but will he come to terms with his troubled past and learn to love?

Affective Health and Masculinities in South Africa

Bloodaxe Books
Eddie Marr never planned to be a supervillain, but it seemed like a surefire way to become rich and famous. All he had to do was come up with a flashy costume, a signature gimmick, and commit a couple of high profile (yet nonviolent) crimes. Eddie figured he'd eventually get caught and spend a year or two in a minimum

security prison. Then he'd write a tell-all book, do the talk show circuit, and parlay that into a regular TV hosting gig. But the best laid plans... As the Puzzler, Eddie was strictly a C List supervillain. He matched wits with Dark Revenger, a grim and gritty, street-level superhero. Eddie always managed to get away unscathed, but one night, things go horribly wrong and the Dark Revenger is dead. It's one thing to steal the Mona Lisa. But killing a world famous superhero? That's hard time with the worst of the worst. Most people would cash out, change their identity, and go on the run. But Eddie knows there's no running if you're responsible for the death of an A List

superhero. The only chance Eddie has in staying out of prison, and staying alive, is to take the Dark Revenger's place and not let the rest of the world know the original is dead. Eddie can do it. He's got the physical ability and the tech savvy. He even looks good in the costume. It's the ultra-serious, crime-fighting part he has trouble with. (Seriously, does the Dark Revenger need to be so "dark" all the time?) Then the world's premiere superhero team, the Majestic 12, needs help with a seemingly impossible crime: One of their own has been murdered and they need "the world's greatest detective" (a.k.a. the Dark Revenger) to solve it. He's not the hero we need. He's not

the hero we deserve. He's not really a hero at all. Kill Your Heroes **That Winter** Samhain Publishing
 A dying vampire. A virgin werewolf. One needs the other to stay alive. One must learn to live. At sunset on Friday, two natural enemies strike a bargain. Three nights together. Blood for sex. No strings attached. And on Monday, Lukas Blacque will return to his pack and Oliver Bleu will continue his battle to remain alive. That's where their story should end. But sometimes lust turns to love and two unlikely lovers will make a deadly choice. In Blacque's world, a gay werewolf is an impossibility. In Bleu's world, all living creatures are little more than vessels for

food and sex. But in the magical town of Arcada, the one thing you can count on is a surprise. If you like tattooed tough guys, tragic heroes and happy endings, you'll love the award-winning Blacque/Bleu! This book was previously published at another publisher and is largely unchanged.

Things have never come easily for me. And frankly, I'm at a point where I just want to get through my life in one piece. So when a new job, offering me hope for a future that doesn't suck, practically falls into my lap, I don't hesitate for a second. Then I meet him. My boss. He's the tall, dark, and handsome type. The kind of man who can cause a woman like me a lot of complications. Complications I can't afford. Benjamin Scott has trouble written all

over him in big, bold dollar signs. I need to keep my guard up around him, but it's not that easy-especially when the attraction is mutual. He's a gorgeous billionaire who doesn't date. I'm a hopeless romantic who's just looking for Mr. Right. We couldn't be more wrong for each other...but I still want him anyway.

Then They Do Ellora's Cave

"You want the dreams they dreamed of to come true-Then They Do." That line from one of country music's best songs in recent memory pretty much sums up the way millions of parents feel about their children. Many times as they are growing up and driving you crazy, you dream of when they will be out of the house-and

you will have your life back again-and then they do. Then They Do is filled with heartwarming, and sometimes tear-inducing, stories from parents about cherishing the moments with your children and celebrating the fine young men and women they have become.

This book will serve as a reminder to parents to seize those moments when their tiny ones are still underfoot, and will be a nostalgia-inducing keepsake for those whose children have moved upwards and onwards. A fine gift for parents young and old or for grown children in the midst of raising their own families.

When the year is over, I pluck them from the grey world she clings to and insert them into the vivid color of my Bellandi life. Even

when it hurts, and she rails against me. Rising tensions in my world threaten to steal her away from me, but I won't let anyone take what is mine. Instead, I'll demand every piece of her: her heart, her body. Her soul. And I won't stop until I've taken everything.
