Mission-driven ventures have the power to change the world and solve today's most pressing social problems. Social Entrepreneurship equips students with the theories, models, tools, and templates they need to generate ideas and shape opportunities into impactful social enterprises. Author Carole Carlson uses a variety of real-world examples, cases, and profiles to illustrate how entrepreneurs around the world are changing their communities. Exercises allow students to practice developing their entrepreneurial skillset as they learn the fundamentals of structuring, financing, marketing, and scaling social ventures. Whatever social cause your students are passionate about, they will find Social Entrepreneurship a vital resource for making their vision a reality.

This poignant study presents a collection of research on entrepreneurship and community engagement. The context of this book is Syracuse University's award winning model of Scholarship in Action with its emphasis on sustainable campus-community entrepreneurial partnerships and its resultant 'Syracuse Miracle's the transformation that has occurred in the Central New York community thanks to the university's partnership with the community to drive social, environmental, and economic development. Broken into three engaging sections, this book introduces appraisals of technology entrepreneurship and community engagement; community engagement and entrepreneurship; and entrepreneurship, engagement, and new

models of education. The first section includes chapters that focus on successful corporate university partnerships, programs to champion student technology companies, and new models for supporting technology transfer. Section two concentrates on topics including transforming a community law clinic to aid community entrepreneurs, supporting successful entrepreneurs in distressed communities, and engineering a community newspaper in partnership with local residents. The final section includes analyses of services for entrepreneurs with disabilities and an innovative program that connects university students to provide assistance, factors that contribute to innovation and entrepreneurship among adults, and a new entrepreneurial program that provides teacher education.
