Instead of approaching Dropped D tuning via the route of Standard tuning, El went directly from CGDGAD tuning, and has succeeded in finding in Dropped D tuning musical qualities that are very unusual and compelling. the tunes range from Celtic, to spiritual, to Americana, to pop music, with a classical piece also included. the accompanying CD contains performances of certain tunes by Warren S. Haskell, an acclaimed player, teacher and recording artist based in Northern California. Warren's precise playing makes it easy for the student to hear and understand the music.

"Ashokan Farewell" is best known as the plaintive theme from Kenneth Burns' highly acclaimed Civil War television documentary. In addition to Jay Ungar's authorized solo edition as performed in the documentary series, this folio contains the touching Civil War era "Sullivan Ballou Letter" and Lincoln's famed Gettysburg Address. Arranged for violin with piano accompaniment and suggested chord symbols for optional guitar and bass. Separate pull-out violin part.

Renowned fiddler and composer Jay Ungar and Molly Mason, his musical partner and wife, have run the Ashokan Fiddle and Dance Camp in upstate New York for many years. Jay wrote "Ashokan Farewell" in 1982 at the camp season's end, to express the sense of loss he felt after the departure of the musical community. The melody's sweet, haunting sadness proved to be a perfect match for Ken Burns's 1990 PBS series The Civil War, which introduced it to millions of viewers. In this fingerstyle guitar arrangement, the bass line enters as an ascending response to the melody, which is then harmonized in sixths and thirds the second time through. The arrangement is a good study in position shifting up and down the fingerboard, and provides a great showcase for dynamic and tonal nuance in the phrasing of the melody. It is an excellent concert selection and will be a popular addition to the repertoire of any fingerstyle player, on either steel- or nylon-string guitar. Written in standard notation and tablature.

I became aware of the Dropped D tuning in 1960. It literally exploded my playing. Just by lowering the sixth string down a tone - from E to D, my guitar sounded so much fuller. The tuning seemed to open up the fingerboard whether playing in the Keys of D, G or A. An alternating bass sounded huge and dynamic. Over the last 60 years I, as well as guitar playing friends, have explored playing in Dropped D. From folk and gospel to blues and early jazz to Celtic melodies and O'Carolan compositions to original instrumental compositions. This collection covers a lot of musical terrain. There's plenty of musical notes, styles, techniques in these pages. Travel slowly and try to absorb the arrangements one by one. The constant throughout is the Dropped D tuning.
