The examining team reviewed P2 Study Text covers all the relevant ACCA P2 syllabus topics and offers examiner advice on approaching the paper. It is suitable for both International and UK study. Additional UK topics are covered in an online supplement. The text introduces ethics, which have an impact on all aspects of financial reporting, and

financial responsibility. It also discusses accounting standards, advanced consolidation topics and current issues. The question bank contains case study style questions similar to the ones you will find on the exam.

Question practice is essential for all papers, but particularly for P2 as it has a strong 'fear factor'. Questions look intimidating, and it is only once you get into the detail that you realise that there are easy marks on offer. Our examiner-reviewed Practice and Revision Kit gives ample opportunity to practice the long, case study questions, so important in the exam. Three mock exams provide essential exam rehearsal practice. Many

questions have marking schemes, so that you can see that the examiner awards marks for these techniques.

The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The P7 Advanced Audit and Assurance paper aims to develop further your application

skills when analysing, concluding and reporting on assurance engagements, building on the knowledge and skills gained from paper F8. As well as emphasising the practical aspects of carrying out assurance engagements from start to finish, this paper also develops your awareness of best practice and current developments in this field. It focuses on the following key themes: * Audit framework and regulation, including ethical and professional considerations * Quality control and practice management * The audit and assurance process, from planning through to fieldwork and final review * Reporting the results of audit and assurance engagements * Current issues and developments within the field of audit and assurance. The P7 Practice &

Revision Kit provides you with a range of exam-standard questions in the style of the P7 paper, as well as a suggested question plan to assist you in your revision phase. All answers include useful references back to the Study Text so that you can go back to the material if you need to. Questions contain excellent commentary in the form of 'top tips' and 'easy marks' guidance to aid in perfecting your exam technique. The kit also contains three mock exams, including the pilot paper. The examiner-reviewed P5 Practice and Revision Kit provides invaluable guidance on how to approach the exam and contains past ACCA exam questions for you to try. The examiner has emphasised that simply understanding the advantages and disadvantages of different performance management approaches will not be sufficient to pass the exam. You must apply specific knowledge to the scenarios in the exam questions. The questions in the Practice and Revision Kit reflect the scenario-based questions you will find on the exam.

The Study Text has been reviewed by
the examiner and takes account of their
advice on approaching the paper. Ethics,
which have an impact on all aspects of
financial reporting, are introduced at an

early stage, as is corporate social
responsibility. The accounting standards
coverage combines revision with
extension into more advanced areas.
Later, more advanced consolidation
topics are covered. Current issues are
reflected throughout and also
summarised in their own chapter. The
question bank contains practice at the
case study-style question you will
encounter in the real exam. The Study
Text is suitable for both International
and UK streams. Additional topics
relating to the UK are covered in an

The P2 Passcards are a handy, A6 sized, spiral bound revision tool that you can carry with you in a handbag or briefcase

so you can revise wherever, whenever. They summarise the key elements of the F4 syllabus into concise points and include many diagrams to help you memorise information and consolidate your knowledge.

ACCA Paper P2 - Corporate Reporting (INT and UK) Practice and revision kit (Revised Edition) BPP Publishing

The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. P2 is a very challenging paper which builds on

the knowledge and skills acquired at earlier levels in the preparation and analysis of financial reports for single entities and groups. It takes these areas to a higher level, putting into context the role of the accountant as a professional steward and adviser, who is responsible to the stakeholders of an organisation. It has five main sections: 1. Regulatory and ethical framework and current issues 2. Reporting the financial performance of entities 3. Group financial statements 4. Specialised entities 5. Analysis of the financial performance of entities. The main new topics introduced at this level relate to group accounts, but other topics are tested with a different emphasis and in more depth than at the Fundamentals Level. We provide material for both

International and UK streams. The study text has been reviewed by the examiner and takes account of his advice on approaching the paper. Ethics, which have an impact on all aspects of financial reporting, are introduced at an early stage in the text, as is corporate social responsibility, so that students do not neglect these topics when covering the numerical areas. Accounting standards come next, combining revision with extension into more advanced areas. After a brief revision of basic groups, the more advanced consolidation topics are covered. Current issues are covered throughout the text within the appropriate topics, and also summarised towards the end of the book. The question bank contains practice at the case study-style question

you will encounter in the real exam. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.
