"A book for everyone".
When I first thought
about writing this book,
I put myself in my
student's shoes. The
book is written in such
a way that is suitable
for those with Krav
Maga experience, as
well as those who are
just starting or have
recently acquired an

interest in the art. The
techniques are
explained through
illustrations and simple
didactic texts, making
the reading enjoyable
and easy to
understand. This book
is an easy-to-read
practical and objective
guide to learning
movements, fully
illustrated with Krav
Maga's defense and
attack techniques.
Containing exercises
that start from basic
and progress to more
advanced situations,
you will learn the
technical details of
each circumstance -
after all, in Krav Maga,
one detail can make all
the difference. This
book is also an
excellent resource for
my students and those

who practice the art, as it facilitates the understanding of each of the movements practiced during classes.

 Krav Maga Tactical Survival presents proven solutions to dangerous, real-life situations. Krav Maga is the official self-defense system of the Israeli Defense Forces and has been battle-tested by police, armed forces, private security personnel and security-minded individuals around the globe for 60 years. Krav Maga teaches you how to quickly size up a dangerous situation and neutralize your attackers before they gain the upper hand. This martial arts book is full of examples of real-world life-

threatening situations, and in each case the clear, step-by-step photographs and text illustrate an effective solution—showing you how to disrupt your attacker's strategy, disarm them, damage or destroy their ability to harm you, and quickly disengage so you can move to a more secure location. Krav Maga Tactical Survival covers the following essential techniques: Upper Body Combatives (hammer-fist strikes, hook punches, head-butts, front kicks and more) De-escalation techniques Spoiling knife and firearm draws Neutralizing knife and firearm attacks Dealing with unarmed attacks (clothing grabs, chokes and bear hugs) Executing pick-ups and

throws

The complete beginner's guide to Krav Maga An instructional book for athletes interested in this type of self-defense Updated edition that contains the basic rules and new tips to improve your form and prevent injury This training manual is ideal for anyone curious about Krav Maga. This noncompetitive self-defense technique began in the Israeli Defense Force (IDF). The guide's author, Boaz Aviram, has been a member of the IDF

for years. Krav Maga brings together skills and training from many martial arts, ranging from jiu-jitsu to judo to boxing. It shares with its students critical lessons in maintaining awareness and making each strike count in self-defense. In its instructional and updated edition, *Krav Maga: Use Your Body as a Weapon* teaches athletes about their own anatomy and muscles to help them avoid injury. Aviram provides concrete and reliable information on how to tackle your opponent in the more efficient and effective way. Some methods include: Paying attention to possible escape routes Using your opponent's weakest areas to your advantage Using common objects at

hand to fight with Preemptive counterattacks This book offers the basic philosophy and use of hand-to-hand training as it began, and the author meticulously describes the basis of each skill to help the reader and athlete understand it clearly. With more than 1,000 photos and 150 techniques, *Krav Maga: Use Your Body as a Weapon* belongs on the bookshelf of everyone interested in this technique. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about

your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Introducing a new scientific approach to Wing Chun kung-fu,

this book gives a clear and detailed exposition of once closely guarded techniques. Rejecting the secretive approach that characterizes much of martial arts writing, the author draws upon biomechanical theory to explain logically and scientifically how the techniques of Wing Chun kung-fu work. After an explanation of the theory behind the various Wing Chun moves, the reader is led step-by-step through each of the forms. Chi gerk and chi sao, the Wing Chun sticky-hand and sticky-leg techniques, are explained and liberally accompanied by 183 photographs detailing the important moves. An additional section devoted to weight and power training for the martial artist makes

this book invaluable, not just for those interested in Wing Chun kung-fu, but for practitioners of any martial art.

Krav Maga: Real World Solutions to Real World Violence presents a no-nonsense approach to neutralizing attackers in close quarters.

Author Gershon Ben Keren explains the philosophy behind the Krav Maga method, which is the basis of the Israel Defense Force's (IDF) devastating close combat system. This book lays out a systematic approach to self-defense and provides illustrated confrontation scenarios

paired with tailored practical responses. Accompanied by clear, easy-to-follow photographs, practical combat skills are described in step-by-step detail, along with the movement patterns needed to make them effective in real-life settings. All of the photos in the book were shot in real-time, demonstrating what realistic movements—both from the attacker's and defender's perspective—look like. Where applicable, techniques have been shot in the scenarios in which they occur such as bars, restrooms, ATMs, etc. The situational components of such violent incidents are explained, so the reader can learn to identify, predict, and

avoid violence before it occurs. Contents of this Krav Maga book include: What is Krav Maga? Krav Maga Yashir Introduction to author Gershon Ben Keren Basic Skills (Stances, Movement, Blocking and Striking)—The Timeline of Violence; Controlling Range; Relative Body Positioning; Groin Kick; Driving Knee Self-Defense Scenarios—Knife Disarming; Gun to Front of Body; Abductions and Hostage Taking; Knife Shank; Improvised Weapons Unarmed Assaults and Dynamic Components of Violence—Preventing a Front Headlock; Applying an Effective Guillotine; Defending Knees in a Clinch and more!

Volume 1 Simon and Schuster Sports Martial arts serving the purpose of gambling entertainment and fitness were bound to extract the lethal techniques from fear of court persecution. In the Israeli Defense Forces (IDF), a superior Hand to Hand Combat Training System was developed and named Krav Maga. Its advantage was providing training methods with optimal self defense capabilities while maintaining strict safety during training. The key to this system is the correct hierarchy of prioritization! However, Krav Maga known to civilians around the world is not the IDF Krav Maga, but rather another form of Martial Arts marketed

to civilians. Boaz Aviram, the 3rd in a lineage of IDF Fighting Fitness Academy Krav Maga Chief Instructors, presents in this book the most efficient and effective form of self defense and Hand to Hand Combat training method ever developed. 150 techniques presented: 1,000 film strip formatted photos in with 60,000 words of advice.

The Marine Corps Martial Arts Program

ReadHowYouWant Marine Corps Reference Publication (MCRP) 3-02B. Marine Corps Martial Arts Program (MCMAP), is designed for Marines to review and study techniques after receiving initial naming from a certified Marine Corps martial arts instructor or martial

arts instructor trainer. It is not designed as a self-study or independent course. The true value of Marine Corps Martial Arts Program is enhancement to unit training. A frilly implemented program can help instill unit esprit de corps and help foster the mental, character, and physical development of the individual Marine in the unit. This publication guides individual Marines, u leaders, and martial arts instructors/instructor trainers in the proper tactics, techniques, and procedures for martial arts training. MCRP 3-02B is not intended to replace supervision by appropriate unit leaders and martial arts instruction by qualified instructors. Its

role is to ensure standardized execution of tactics, techniques, and procedures throughout the Marine Corps. Although not directive, this publication is intended for use as a reference by all Marines in developing individual and unit martial arts programs. For policy on conducting martial arts training, refer to Marine Corps Order 1500.59, Marine Corps Martial Arts Program (MCMAP). **WARNING** Techniques described in this manual can cause serious injury or death. Practical application in the training of these techniques will be conducted in strict adherence with training procedures outlined in this manual as well as by conducting a thorough

operational risk assessment for all training.

A groundbreaking self-defense and fitness book for women by a ballerina-turned-self-defense expert. Learn how to become your own weapon of self-defense and fitness so that you can create and target your best life. After ballerina Avital Zeisler was savagely attacked as a young woman, she lived in fear—until she took action to train with experts in self-defense from around the world. Seeking a method specific to women and using Krav Maga as a base, she created her own self-defense program: the Soteria Method. It was

an immediate sensation, and is now in demand by everyone from corporate executives to Hollywood stars—such as Amanda Seyfried, Megan Boone, and Keri Russell, to name a few—who seek her classes both for the self-defense and for the intense, body-sculpting workout. Unique and empowering, Weapons of Fitness will help get you into incredible shape—and just might save your life.

UNARMED COMBAT

Ymaa Publications
As the official defensive tactics system of Israeli police, military, and elite special operations units, krav maga has proven its effectiveness from front lines and back

streets to prisoner transport and "take no prisoners" missions. For the first time, "Black Belt Krav Maga" teaches and illustrates the discipline's most lethal fighting and self-defense moves in book format. These no-holds-barred street fighting techniques are designed to do one thing and one thing only: end a fight as quickly as possible by completely disabling an opponent. Extensive counterattacks are illustrated for the most dangerous situations, including neutralizing attackers armed with guns, knives, and other weapons. The program in Black Belt Krav Maga trains readers to function during the stress and shock of a sudden, violent encounter and react

with a perfectly coordinated counterattack--quickly, automatically, and with deadly accuracy.
