Scott Fitzgerald published before he began to work on what would become his great American novel, *The Great Gatsby*."--Back cover. **The Great Gatsby** Vintage This newly discovered short story by one of the greatest writers of twentieth-century American literature, F. Scott Fitzgerald, will surprise and delight. Thank You for the Light is a masterfully crafted story—sparse, strange, and wonderful, albeit a departure from Fitzgerald's usual style. A widowed, corset saleswoman, Mrs. Hanson, whose chief pleasure in life is cigarettes, discovers that social disapproval of smoking is widespread in her new sales territory. Deprived of this simple comfort, she receives solace, and a light, from an unexpected source. Fitzgerald originally submitted the story to *The New Yorker* in 1936, four years before his death, but it was rejected. The editors said that it was "altogether out of the question" and added, "It seems to us so curious and so unlike the kind of thing we associate with him and really too fantastic." Almost eighty years later, Fitzgerald's grandchildren found the story among his papers and the Fitzgerald scholar James West encouraged them to send the story to the magazine once again. This time around the magazine decided to publish it, and now it is available in this special eBook edition. *Crazy Sunday* OUP Oxford The Rosie Project by Graeme Simsion is a story about love, life and lobster every Tuesday... **The Diamond As Big As the Ritz** Teacher Created Materials The Gettysburg Address is a speech by U.S. President Abraham Lincoln, one of the best-known in American history. It was delivered by Lincoln during the American Civil War, on the afternoon of Thursday, November 19, 1863, at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, four and a half months after the Union armies defeated those of the Confederacy at the Battle of Gettysburg. Abraham Lincoln's carefully crafted address, secondary to other presentations that day, was one of the greatest and most influential statements of national purpose. In just over two minutes, Lincoln reiterated the principles of human equality espoused by the Declaration of Independence and proclaimed the Civil War as a struggle for the preservation of the Union sundered by the secession crisis, with "a new birth of freedom" that would bring true equality to all of its citizens. Lincoln also redefined the Civil War as a struggle not just for the Union, but also for the principle of human equality. Beginning with the now-iconic phrase "Four score and seven years ago"—referring to the United States Declaration of Independence in 1776—Lincoln examined the founding principles of the United States as stated in the Declaration of Independence. In the context of the Civil War, Lincoln also memorialized the sacrifices of those who gave their lives at Gettysburg and extolled virtues for the listeners (and the nation) to ensure the survival of America's representative democracy: that "government of the people, by the people, for the people, shall not perish from the earth." Despite the speech's prominent place in the history and popular culture of the United States, the exact wording and location of the speech are disputed. The five known manuscripts of the Gettysburg Address in Lincoln's hand differ in a number of details, and also differ from contemporary newspaper reprints of

the speech.

Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Gatsby continues to attract popular and scholarly attention. The novel was most recently adapted to film in 2013 by director Baz Luhrmann, while modern scholars emphasize the novel's treatment of social class, inherited wealth compared to those who are self-made, race, environmentalism, and its cynical attitude towards the American dream. As with other works by Fitzgerald, criticisms include allegations of antisemitism. The Great Gatsby is widely considered to be a literary masterwork and a contender for the title of the Great American Novel.

### WHEN WE WERE MAGIC

Pearson South Africa

The Rich Boy - Francis Scott Fitzgerald - Fitzgerald's short story "The Rich Boy" (like his novel The Great Gatsby) utilizes an outside narrator to tell the story of a wealthy protagonist in a sympathetic but still somewhat distanced way. Here the protagonist is Anson Hunter, a well-to-do young New Yorker, who would seem to have the whole world ahead of him and the streets paved in gold. By his early twenties, he has found his ideal woman as well: the exquisite -- and very rich -- Paula Legendre. On the surface, Paula would not seem to be the type of girl that would exert such a pull on Anson. Anson seems to have a lot of oats to sow, and Fitzgerald describes Paula as being "conservative and rather proper." But he is, nonetheless, obsessed by her, not because she represents the money he wants -- after all, he already has enough of his own -- but because she represents the social system that justifies his existence. In his world, responsible older men (like his uncle Robert) hold the reins of government and business; chaste and proper women (like Paula and her mother) maintain the rules of propriety and etiquette; and, until they get old enough to assume the mantle of responsible older manhood, playboys like Anson play. That is all Anson thinks he is doing right now. Just as he sees in himself the undeveloped kernel of a future leader, he sees in Paula the kernel of a future society matron. He thinks they would make a good pair. What he doesn't realize, however, is that his virtually unlimited wealth has within it the power to corrupt him, and it's already doing a good job. His first problem is that he sees himself as superior. He carries himself that way; Fitzgerald says that ". . . He had a confident charm and a certain brusque style, and the upper-class men who passed him on the street knew without being told that he was a rich boy and had gone to one of the best schools. . . . Anson accepted without reservation the world of high finance and high extravagance, of divorce and dissipation, of snobbery and of privilege."
