Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the

Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “I thought he was a very nice gentleman,” he says of Herb Clutter. “Soft-spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers’

flight, Capote’s account is so detailed that the reader comes to feel almost like a participant in the events.

In this searing exploration of deadly codependency, the author takes the reader on a spellbinding voyage of discovery that examines the questions: Are some people naturally too caring? Is caring sometimes a mask for darker motives? Can

science help us understand how our concerns for others can hurt everything we hold dear? This gripping story brings extraordinary insight to our deepest questions. Is kindness always the right answer? Is kindness always what it seems?

In 1959, Olathe, Kansas, was made famous by the murder of the Clutter family and Truman Capote's groundbreaking book on the crime, *In Cold Blood*. But fewer know that Olathe achieved notoriety again in 1982, when a member

of Olathe's growing Evangelical Christian population, a gentle man named David Harmon, was bludgeoned to death while sleeping—the force of the blows crushing his face beyond recognition. Suspicion quickly fell on David's wife, Melinda, and his best friend, Mark, student body president of the local Bible college. However, the long arms of the church defended the two, and no charges were pressed. Two decades later, two Olathe policemen revived the cold case making startling revelations that reopened old wounds and chasms within the Olathe community—revelations that rocked not only Olathe, but also the two well-heeled towns

in which Melinda and Mark resided. David's former wife and friend were now living separate, successful, law-abiding lives. Melinda lived in suburban Ohio, a devoted wife and mother of two. Mark had become a Harvard MBA, a high-paid corporate mover, a family man, and a respected community member in a wealthy suburb of New York City. Some twenty years after the brutal murders, each received the dreaded knock of justice on the door. *A Cold-Blooded Business* provides fascinating character studies of Melinda and Mark, killers who seemingly returned to normalcy after one blood-splattered night of violence. Featuring a new afterword by the

author covering the events of the past five years, this fast-moving true crime narrative is a chilling exploration into the darkest depths of the human psyche.

"Murder, mayhem, and mystery! Every story . . . is filled with suspense, sizzle and startling twists. I loved it!" —Lisa Jackson, New York Times–bestselling author Crime comes to the capital of country music in these all-new stories by mystery and thriller stars including Jeffery Deaver, Anne Perry, Robert Dugoni, Donald Bain, Jefferson Bass, and many more. "Settings include backwoods hollows, late-night recording studios, seedy dives, quiet suburbs, sleek yachts, and tropical islands. Readers will

meet Civil War reenactors, college professors, song writers, spies, and the requisite lawyers and cops, as well as a being that just might be the devil. Among the highlights are Anne Perry's 'Shutter Speed,' which takes the reader back in time to the fashionable haunts of 1930s British aristocracy, with Wallis Simpson and Edward, Prince of Wales, putting in an appearance. In 'Regression,' Jeffery Deaver offers a fresh and frightening look at the potential benefits and pitfalls of successful psychiatric treatment, and Mary Burton warms up a cold case in 'The Keepsake.' This is a book to keep by your bedside for those nighttime short story

cravings.” —Publishers Weekly Includes stories by Jefferson Bass, Catriona McPherson, Baron R. Birtcher, Donald Bain, C. "Toni's books will make your heart pound and leave you breathless as she takes you on a roller coaster of thrills and danger along with the characters." Kaylea Cross - New York Times and USA Today bestselling author. A journalist searching for the truth about her best friend's death—and the FBI agent who needs her to stop. Disgraced investigative journalist Pip West is devastated when she discovers her best friend's body face-down in a tranquil lake. When cops and federal agents determine that her friend overdosed

then drowned, Pip knows they're mistaken and intends to prove it. Special Agent Hunt Kincaid doesn't trust journalists and has no patience for Pip's delusions, especially since her meddling could reveal why the FBI is interested in her friend's last days. The dead scientist worked at the cutting edge of vaccine research and might have a connection to a new, weaponized, vaccine-resistant anthrax strain that just hit the black market. The more Pip digs, the closer she gets to both the sexy FBI agent, and to a bioweapons terrorist who's more than capable of cold-bloodedly sacrificing anyone who gets in his way. As the toughest son with the fewest morals, Manō Alana promised his mother that he'd protect his siblings. Since her death, he's embraced his role as the family heavy, but killing is the one part of his job he hates. And

the awful nightmares driving him to commit violence aren't doing him any favors—nor is the sinister, ancient magic calling to him from under the slopes of a dormant volcano. A shakeup in power between rival drug lords reveals a half brother Manō didn't know he had, complicating the Alana family's plans to take over the marijuana trade on Maui. Not only that, but one wrong move could turn the sexy cop he's involved with against the family. When a crime the Alanas fought hard to bury is exposed, their whole cartel is in danger. Now Manō's blood has him trapped between two clans: the siblings he's loved since they were kids, and the ruthless, shadowy kin he just

learned he has. Manō can either succumb to the darkness threatening to drag him under or tap in to its power and embrace his role as a cold-blooded killer. Book 2 in Kendall Grey's 'OHANA paranormal thriller series "Kendall Grey reminded me why I love paranormal so much! The characters,

the world-building, the plot—everything about COLD-BLOODED drew me in from the first page and kept me on the edge of my seat right up until that final, gasp-inducing sentence. Five stars aren't enough for this book!" —Emily Snow, New York Times and USA Today bestselling author
