Da Capo Press, Incorporated

Despite his tremendous success, Billy Joel’s gifts as a composer and commentator on American life are long overdue for a thorough investigation. In Billy Joel: America’s Piano Man, music historian Joshua S. Duchan looks at the career and music of this remarkable singer-songwriter, exploring the unique ways Joel channels and transforms the cultural life of a changing America over four decades into bestselling song after song and album after album. Billy Joel has not always enjoyed the acclaim of music critics, who have characterized his music as inauthentic and lacking a uniqueness of style. Duchan corrects this misunderstanding by exploring the depth and degree to which Joel’s songs engage with social, cultural, political, and economic issues. Organized by major themes and including original interviews with Joel himself, Duchan’s book delves into Joel’s endeavors as a musician, lyricist, and commentator on questions of geography and regionalism, politics, working- and middle-class culture, human relationships, and the history of music itself. Duchan draws on key songs from Joel’s career to explore each theme, from his folk-like lament for Long Island’s changing industry and lifestyle in “The Downeaster ‘Alexa” to his emotional ode to Vietnam veterans in “Goodnight Saigon.” Original interviews with Billy Joel blend with Duchan’s engaging analysis to provide readers of all backgrounds and ages a new look at these unforgettable songs. Music lovers and historians of both the academic and armchair variety will find this exploration of Joel’s work a rewarding adventure into America’s social, cultural, political, economic, and—above all—musical history.

Matt Copeland has created a coaching guide for both the teacher new to Socratic seminars and the experienced teacher seeking to optimize the benefits of this powerful strategy. Socratic Circles also shows teachers who are familiar with literature circles the many ways in which these two practices complement and extend each other. Filled with examples to help readers visualize the application of these concepts in practice, Socratic Circles includes transcripts of student dialogue and work samples of preparation and follow-up activities. The helpful appendices offer ready-to-copy handouts and examples, and suggested selections of text that connect to major literary works.

From Cold Spring Harbor in 1971 to River of Dreams in 1993, Billy Joel released a dozen studio albums that remade the face of American pop music, produced twenty-six Top 10 singles (on Billboard’s Top 100 and Adult Contemporary charts), and earned the Piano Man six Grammys. Although he hasn’t released a recording of new songs in almost thirty years, Joel’s live performances continue to electrify audiences around the globe—and until COVID-19 put things on hold he had sold out New York’s Madison Square Garden for a record-shattering seventy-four consecutive monthly shows! In this collection, twelve award-winning writers of short crime fiction tackle the Joel catalog, and the result—edited by Josh Pachter, whose The Beat of Black Wings: Crime Fiction Inspired by the Songs of Joni Mitchell earned rave reviews in 2020—is a journey down life’s mean streets with a soundtrack by one of the great singer-songwriters of our time, and contributors Michael Bracken, Jeff Cohen, David Dean, John M. Floyd, Barb Goffman, James D.F. Hannah, Richard Helms, Robert Lopresti, Jenny Milchman, Terrie Farley Moran, Richie Narvaez, and Pachter himself are donating a third of their royalties to support the work of the Joel Foundation. In the Gospel According to Billy, only the good die young. Within these pages, though, Death is an equal-opportunity exterminator, and the stories you’ll find here don’t just hit the charts: they go all the way to Number One ... with a bullet!

Untreed Reads

In addition to citing case law, Judges have traditionally used recognized legal maxims or treatise citations to support their rulings. But today’s judiciary is becoming more apt to use pop culture, modern music, as well as humor in their decisions. This book gives examples of how songs and their lyrics have influenced judges, provided themes for their decisions, and helped make existing law more accessible to lay persons. Mark W. Klingensmith examines the clever ways judges have used them to enhance their judicial writings and how modern day musical lyrics that have effectively become recognized legal maxims by the courts. judicial writings.

**Root Beer Rag (Sheet Music)** Rowman & Littlefield

In the year 2023, after a nuclear Armageddon, only a few pockets of people have survived. One of these groups of survivors, mostly rock climbers and mountaineers, subsists through the leadership of Jude, a biblical archaeologist and rock climber. Jude is given a chance to go back in time by using an invention of a surviving U.S. scientist. Jude is transported back to Palestine during the first century, where he searches for Jesus, to verify if he truly was the Messiah, or a charlatan. Dying from nuclear cancer, Jude spends most of his given time looking for Jesus, finally finding him meditating on a mountaintop. Jude, mesmerized by Ishia’s (Jesus) power becomes his first follower and best friend, Judas. His friendship and his knowledge of Ishia of Nazerat become the pivotal force in the last three years of their lives. Jude becomes the Judas, torn apart between being Ishia’s beloved friend and being his betrayer. The shocking and controversial ending is for you, the reader, to read and discover. It will tear at your very soul but it will rejuvenate and strengthen your faith in Jesus Christ. A must for every Christian to read!

*Billy Joel* iUniverse

This work analyzes each of Joel’s albums, laying out their appeal to musicians and non-musicians alike while exploring the production styles that have characterized Joel’s development in the recording studio. MacFarlane outlines how Billy Joel’s recorded works as a whole serve as the foundation for a complex and enduring musical legacy.

**What’s Wrong With Christian Rock?** Billboard Books

A ground-breaking work on nature and humanity. This book deepens the spirit of Silent Spring, and

of Walden into human conservation and healing. It reveals the stunning breakthrough into Nurturome. It breaks open, then completes our view of evolution; it reveals the Second Missing Link. It redefines and redirects the Environmental Movement the nature-human debate. It dispels the issue of nature vs. culture, and other key myths of 'civilization', Modernism, and Postmodernism. It reveals the Origin and Emergence of Alien Being Alienism. It presents the Revelation of Selflifeworld. It reveals the Origins of Ego-self that comes to displace whole self and whole mind. Over one hundred-fifty subheadings mark more surprises on the journey! A vast pot-pourri for laymen, professionals, and students! From The Critics Midwest Book Review The Last Human Spring provides a philosophy of the nature-human world and its interactions, from concepts of evolution and astronomical history to reflections on concepts of aliens, human alliances with and struggles over nature, and visions of how humanity interacts with the environment. An intiguing survey of human life and meaning. Journal of Environmental Education - Richard R. Jurin The author, L. S. Heatherly, has done an admirable job of orchestrating a mind-expanding series of short essays ...convincing and thought-provoking ideas ...that show the reader how ...and why[our]separation from nature began ...and continues to exist. In an account similar to Daniel Quinn's Ishmael ideas,...he convincingly debunks many of the great myths that drive our modern human thinking ...and shows how ...only through civilization have [humans] achieved a disconnect [from nature] ...highly readable ...adult readers can [opt to] read in short sections ...suited to a high school or college audience with a good teacher or instructor ...[a] wonderful and uplifting [treatise] of a new spiritual redemption to be used in general environmental education studies [despite] a negative vision of the future ... What People Are Saying It is an amazing book, truly ground-breaking,...I respect and acknowledge [the] vision,...I hope [the] book is widely read. Pulitzer Prize-winning Author, Human Rights Leader, Ecoleader, and Poet Laureate of the Environmental Movement Correct - Gary Snyder I commend [the Author] on the diligence of [his] investigation ...engaged in what Thomas Berry calls the 'great work' of restirng harmony between humans and the rest of nature. Author of Simple in Means, Rich in Ends: Practicing Deep Ecology - Bill Devall June 15, 2009: I continue to be amazed at the clarity with which L.S. Heatherly presents what was, for me, incomprehensible human relationships and foibles. I've come to rely upon "The Last Human Spring" as my guide to life. The book exudes enlightenment. The prose is eminently readable and, in the best philosophical manner, the reader is guided along the path while being encouraged to think independently. -EnlightenedRaconteur "THE LAST HUMAN SPRING is an absorbing, enlightening, and fascinating work. The ideas are as important as any I've ever read or studied. This is an amazing philosopher. I dare say that his work may become as important as any by Darwin or B. F. Skinner. This book has had a profound influence on my interpretation of the human condition; and I am committed to getting it into the minds and hands of the world. Bless Heatherly's soul for forming these ideas and publishing them." -- Darryl House, Magalia California, USA -Anonymous

[The Life & Times of an Angry Young Man](#) Simon and Schuster

The definitive biography of a pop giant! From the groundbreaking "Piano Man" to "Just the Way You Are" to "Allentown" to "Uptown Girl" and dozens of other chart toppers, Billy Joel's music has provided the soundtrack to millions of lives. His songs are etched in our memories, and his live

shows are breaking sales records everywhere. Music is an integral part of our everyday lives but while we listen, we seldom hear the music. If you really listen to your favorite classic rock songs, you will find that they may tell a story, offer a thought-provoking message, inspire or spark the imagination. Listen to the Music reveals the overlooked messages hidden within the music of the 60's & 70's - messages that provide us with Timeless Lessons of Life. The book spotlights over 1100 excerpts from the lyrics of 750 songs written by 160 artists who launched their careers in the 60's & 70's. The music of this era reflects the turbulent events of two decades marked by unprecedented social, political, and economic

change. Artists expressed through their music and lyrics what people were feeling during those turbulent times - love, anger, fear, frustration and hopes & dreams for peace and a better world. The complex challenges Americans faced in the 60's and 70's are strikingly similar to the times we find ourselves in today and the reader will discover that the messages hidden within the music of the 60's & 70's remain as relevant as they were 40 years ago. Life unfolds in much the same way for all of us. We grow up, fall in love, raise a family, live our everyday lives, cope with unexpected challenges and we grow wiser (not older)! Relevant lyric quotes can be found in chapters that correspond to one of these six stages of life. Through the captivating messages contained within the lyrics of the music of the 60's and 70's, the book shows how music affects our lives in ways we don't fully realize or understand. Go to [www.ListenToTheMusicLyrics.com](http://www.ListenToTheMusicLyrics.com) to hear some great music and to see photos of some of your favorite 60' & 70's artists!
