Intermediate Algebra. Reviews number sense, fundamental concepts of algebra,

including rules for expressions and equations, linear and quadratic equations, relations and functions, integer exponents, radicals, and systems of equations. Prerequisite: two years of college preparatory mathematics in high school or equivalent. Not open to students who have credit in MATH courses numbered higher than 108 except MATH 125 .MATH108 - Ball State University - Ball State University Description. This course provides development of algebraic concepts beyond MATH-025 or first year high school algebra. Students will be able to apply principles of linear, quadratic, and rational equations, radicals, circles and parabolas, complex numbers, functions, exponents, and logarithms. MATH-108 develops skills necessary for success in algebra-based, college-level math courses. Intermediate Algebra > Syllabus | Concourse MATH-108 Intermediate Algebra Credit(s): 4 This course provides development of algebraic concepts beyond MATH-025 or first year high school algebra. Students will be able to apply principles of linear, quadratic, and rational equations, radicals, circles and parabolas, complex numbers, functions, exponents, and logarithms. Course Descriptions - Mathematics This course is remedial in nature and covers material commonly found in second year high school algebra. Specific topics to be discussed include numbers, fractions, algebraic expressions, simplifying, factoring, laws of exponents, linear equations, simple graphs and polynomial algebra. Intermediate Algebra | Mathematics To get started finding Math 108 Intermediate Algebra Course Syllabus , you are right to find our website which has a comprehensive collection of manuals listed. Our library is the biggest of these that have literally hundreds of thousands of different products represented. Math 108 Intermediate Algebra Course Syllabus ... MATH 108 Elementary and Intermediate Algebra 3 Credit Hour (s) Prerequisite: Assessment - Mathematics with a score of 09 or SAT Section Math with a score of 470 or ACT Math with a score of 17 or ... Mathematics (MATH) < Liberty University BEGINNING & INTERMEDIATE ALGEBRA FOR BUSINESS, MATH, SCIENCE AND ENGINEERING MAJORS . 6 units, 6 hours lecture . Recommended Preparation: Placement in Math 090 A compressed course that

covers elementary algebra and in-depth coverage of intermediate algebra intended for the student who has some previous experience with algebra. Mathematics Courses - Grossmont College This noncredit course is offered as a study or review of the fundamental concepts of arithmetic, prealgebra, beginning algebra, and intermediate algebra as appropriate based on individual student needs. The course is intended for students who need to refresh their math skills prior to taking a college level math course. Mathematics < San Bernardino Valley College MATH C146 includes topics from intermediate algebra (radical, exponential, and logarithmic algebraic phenomena) and inferential statistics. Graded or Pass/No Pass option. Graded or Pass/No Pass option. Mathematics (MATH) < Coastline College The Common Core Algebra I Regents exam is taken at the end of the course. Algebra I with Lab. Prerequisite — Successful completion of Math 8 1.5 Units Algebra 1.5 is a full-year course and covers Algebra I Common Core curriculum with additional time built into the schedule for practice and activities that will strengthen skills. High School Mathematics Courses - Cohoes City School District 3-Math 108 Math 108: Intermediate Algebra 3 Semester-Hour Credits: UI Welcome! _____ Whether you are a new or returning student, welcome to the Independent Study in Idaho (ISI) program. Below, you will find information pertinent to your course including the course description, course materials, Math 108 Intermediate Algebra - University of Idaho Math 108 Intermediate Algebra. Purpose. Successful completion of this course is sufficient preparation for College Algebra (MATH 143), Trigonometry (MATH 144), Precalculus (MATH 147), Brief Calculus (MATH 160) or Math for.
