The world knows
Madame Tussaud as a
wax artist
extraordinaire . . . but
who was this woman
who became one of the

most famous
sculptresses of all
time? In these pages,
her tumultuous and
amazing story comes
to life as only Michelle
Moran can tell it. The
year is 1788, and a
revolution is about to
begin. Smart and
ambitious, Marie
Tussaud has learned
the secrets of wax
sculpting by working
alongside her uncle in

their celebrated wax museum, the Salon de Cire. From her popular model of the American ambassador, Thomas Jefferson, to her tableau of the royal family at dinner, Marie's museum provides Parisians with the very latest news on fashion, gossip, and even politics. Her customers hail from every walk of life, yet her greatest dream is to attract the attention of Marie Antoinette and Louis XVI; their stamp of approval on her work could catapult her and her museum to the fame and riches she desires. After months of anticipation, Marie learns that the royal family is willing to come and see their likenesses. When they finally arrive, the king's sister is so impressed that she requests

Marie's presence at Versailles as a royal tutor in wax sculpting. It is a request Marie knows she cannot refuse—even if it means time away from her beloved Salon and her increasingly dear friend, Henri Charles. As Marie gets to know her pupil, Princesse Élisabeth, she also becomes acquainted with the king and queen, who introduce her to the glamorous life at court. From lavish parties with more delicacies than she's ever seen to rooms filled with candles lit only once before being discarded, Marie steps into a world entirely different from her home on the Boulevard du Temple, where people are selling their teeth in order to put food on the table. Meanwhile,

many resent the vast separation between rich and poor. In salons and cafés across Paris, people like Camille Desmoulins, Jean-Paul Marat, and Maximilien Robespierre are lashing out against the monarchy. Soon, there's whispered talk of revolution. . . . Will Marie be able to hold on to both the love of her life and her friendship with the royal family as France approaches civil war? And more important, will she be able to fulfill the demands of powerful revolutionaries who ask that she make the death masks of beheaded aristocrats, some of whom she knows? Spanning five years, from the budding revolution to the Reign of Terror, Madame Tussaud

brings us into the world of an incredible heroine whose talent for wax modeling saved her life and preserved the faces of a vanished kingdom.

A NOVEL OF MARGARET OF SCOTLAND

Free Press

In ancient Egypt, a forgotten princess must overcome her family's past and remake history. Nefertari has been left to run wild in the palace, but catches the eye of the Crown Prince. All of Egypt opposes this union, and political adversity sets the country on edge.

The Secret Diary of Anne Boleyn Crown Reared by her Pharaoh father to assume his throne upon his death, Hatshepsut - a real

historical figure - has to contend with her weak half-brother before she can realize her dream.

An Echo in the Bone
Penguin

Draws on primary sources to recreate the wildly promiscuous court of Napoleon Bonaparte through the experiences of his stepdaughter Hortense, his infamous sister Pauline, and his freedom-seeking Austrian wife Marie-Louise.

CHILD OF THE MORNING

Nefertiti A Novel
A historical novel follows the life of Mary Magdalene, detailing her privileged childhood, her prophetic visions, her study in the Great Library of Alexandria, her fascination with

John the Baptizer's cousin Yeshu'a, and her role as teacher and advisor to Jesus.

Nana's Secret Christmas Room

Chicago Review Press
This fictionalized life of the notorious queen is told from the point of view of her younger sister, Mutnodjmet. In 1351 B.C., Prince Amunhotep secretly kills his older brother and becomes next in line to Egypt's throne: he's 17, and the 15-year-old Nefertiti soon becomes his chief wife. He already has a wife, but Kiya's blood is not as royal, nor is she as bewitching as Nefertiti. As Mutnodjmet, two years younger than her sister, looks on (and falls in love), Amunhotep and the equally ambitious Nefertiti worship a

different main god, displace the priests who control Egypt's wealth and begin building a city that boasts the royal likenesses chiseled in stone. Things get tense when Kiya has sons and the popular Nefertiti has only daughters, and they come to a boil when the army is used to build temples to the pharaoh and his queen instead of protecting Egypt's borders.

Queen Hereafter

Chicago Review Press
Accepting sanctuary from the recently widowed warrior-king of Scotland, shipwrecked Saxon princess Margaret reluctantly accepts his marriage proposal in exchange for help before befriending female bard Eva, whose past loyalties

force a painful betrayal. Reprint.

A Novel Quercus Books

She is

Nefertiti—beautiful and revered. With her husband, Akhenaten, she rules over Egypt, the most affluent, formidable, sophisticated empire in the ancient world. But an epic power struggle is afoot, brought on by the royal couple's inauguration of an enlightened new religion and the construction of a magnificent new capital. The priests are stunned by the abrupt forfeiture of their traditional wealth and influence; the people resent the loss of their gods—and the army is enraged by the growing turbulence around them. Then, just days before the festival that will

celebrate the new capital, Nefertiti vanishes. Rahotep, the youngest chief detective in the Thebes division, has earned a reputation for his unorthodox yet effective methods. Entrusted by great Akhenaten himself with a most secret investigation, Rahotep has but ten days to find the missing Queen. If he succeeds, he will bask in the warmth of Akhenaten's favor. But if Rahotep fails, he and his entire family will die.

A Novel Crown Egypt, 1400s BC. The pharaoh's pampered second daughter, lively, intelligent Hatshepsut, delights in racing her chariot through the marketplace and testing her archery skills in the Nile's

marshlands. But the death of her elder sister, Neferubity, in a gruesome accident arising from Hatshepsut's games forces her to confront her guilt...and sets her on a profoundly changed course. Hatshepsut enters a loveless marriage with her half brother, Thut, to secure his claim to the Isis Throne and produce a male heir. But it is another of Thut's wives, the commoner Aset, who bears him a son, while Hatshepsut develops a searing attraction for his brilliant adviser Senenmut. And when Thut suddenly dies, Hatshepsut becomes de facto ruler, as regent to her two-year-old nephew. Once, Hatshepsut anticipated being free to live and love as she chose. Now

she must put Egypt first. Ever daring, she will lead a vast army and build great temples, but always she will be torn between the demands of leadership and the desires of her heart. And even as she makes her boldest move of all, her enemies will plot her downfall.... Once again, Stephanie Thornton brings to life a remarkable woman from the distant past whose willingness to defy tradition changed the course of history.

THE SEARCH FOR NEFERTITI

Simon and Schuster
In ancient Egypt, a forgotten princess must overcome her family's past and remake history. Nefertari has been left to run wild in the palace, but catches the

eye of the Crown Prince. All of Egypt opposes this union, and political adversity sets the country on edge.

A Novel Penguin UK
From the winner of the Nobel Prize for Literature and author of the Cairo Trilogy, comes Akhenaten, a fascinating work of fiction about the most infamous pharaoh of ancient Egypt. In this beguiling novel, originally published in Arabic in 1985, Mahfouz tells with extraordinary insight the story of the "heretic pharaoh," or "sun king,"--the first known monotheistic ruler--whose iconoclastic and controversial reign during the 18th Dynasty (1540-1307 B.C.) has uncanny resonance with modern

sensibilities. Narrating the novel is a young man with a passion for the truth, who questions the pharaoh's contemporaries after his horrible death-- including Akhenaten's closest friends, his most bitter enemies, and finally his enigmatic wife, Nefertiti--in an effort to discover what really happened in those strange, dark days at Akhenaten's court. As our narrator and each of the subjects he interviews contribute their version of Akhenaten, "the truth" becomes increasingly evanescent. Akhenaten encompasses all of the contradictions his subjects see in him: at once cruel and empathic, feminine and barbaric, mad and divinely inspired, his

character, as Mahfouz imagines him, is eerily modern, and fascinatingly ethereal. An ambitious and exceptionally lucid and accessible book, Akhenaten is a work only Mahfouz could render so elegantly, so irresistibly.

Child of the Morning
Macmillan

A New York Times Bestseller and one of the best historical fiction books of 2016 and 2017! "A juicy answer to Ron Chernow's Alexander Hamilton..." -- Cosmopolitan Set against the dramatic backdrop of the American Revolution, and featuring a cast of legendary characters, *The Hamilton Affair* tells the sweeping, tumultuous, true story of Alexander Hamilton and Elizabeth Schuyler,

from passionate and tender beginnings of their romance to his fateful duel on the banks of the Hudson River. Hamilton was a bastard and orphan, raised in the Caribbean and desperate for legitimacy, who became one of the American Revolution's most dashing--and improbable--heroes. Admired by George Washington, scorned by Thomas Jefferson, Hamilton was a lightning rod: the most controversial leader of the new nation. Elizabeth was the wealthy, beautiful, adventurous daughter of the respectable Schuyler clan--and a pioneering advocate for women. Together, the unlikely couple braved the dangers of war, the perils of seduction, the anguish

of infidelity, and the scourge of partisanship that menaced their family and the country itself. With flawless writing, brilliantly drawn characters, and epic scope, *The Hamilton Affair* tells a story of love forged in revolution and tested by the bitter strife of young America, and will take its place among the greatest novels of American history ever written.

The Heretic Queen

Penguin

Reared by her Pharaoh father to assume his throne upon his death, Hatshepsut - a real historical figure - has to contend with her weak half-brother before she can realize her dream.

A Novel Simon and Schuster

A spellbinding novel about Elizabeth I from

the internationally bestselling author of the Guenevere and Tristan and Isolde trilogies. Publicly declared a bastard at the age of three, daughter of a disgraced and executed mother, last in the line of succession to the throne of England, Elizabeth I inherited an England ravaged by bloody religious conflict, at war with Spain and France, and badly in debt. When she died in 1603, after a forty-five year reign, her empire spanned two continents and was united under one church, victorious in war, and blessed with an overflowing treasury. What's more, her favorites—William Shakespeare, Sir Francis Drake, and Sir Walter Raleigh—had

made the Elizabethan era a cultural Golden Age still remembered today. But for Elizabeth the woman, tragedy went hand in hand with triumph. Politics and scandal forced the passionate queen to reject her true love, Robert Dudley, and to execute his stepson, her much-adored Lord Essex. Now in this spellbinding novel, Rosalind Miles brings to life the woman behind the myth. By turns imperious, brilliant, calculating, vain, and witty, this is the Elizabeth the world never knew. From the days of her brutal father, Henry VIII, to her final dying moments, Elizabeth tells her story in her own words. Nefertiti Broadway Books Nefertiti “wife of

Amunhotep (Akhenaten), mother-in-law of Tutankhamun and the only female Pharaoh of Ancient Egypt "was the most beautiful and adored woman in Egypt. She also had a sister, who watched in fear, anger and awe as Nefertiti's star quality brought about the ruin of a nation

Cleopatra's

Daughter Broadway Books

Now available again, the first book in Robin Maxwell's acclaimed Elizabethan Quartet: "Wonderfully juicy . . . Maxwell brings all of bloody Tudor England vividly to life" (Publishers Weekly, starred review). One was queen for a thousand days; one for over forty years. Both were passionate, headstrong women,

loved and hated by Henry VIII. Yet until the discovery of the secret diary, Anne Boleyn and her daughter, Elizabeth I, had never really met. Anne was the second of Henry's six wives, doomed to be beloved, betrayed, and beheaded. When Henry fell madly in love with her upon her return from an education at the lascivious French court, he was already a married man. While his passion for Anne was great enough to rock the foundation of England and of all Christendom, in the end he forsook her for another love, schemed against her, and ultimately had her sentenced to death. But unbeknownst to the king, Anne had kept a diary. At the beginning of Elizabeth's reign, it is pressed

into her hands. In reading it, the young queen discovers a great deal about her much-maligned mother: Anne's fierce determination, her hard-won knowledge about being a woman in a world ruled by despotic men, and her deep-seated love for the infant daughter taken from her shortly after her birth. In the journal's pages, Elizabeth finds an echo of her own dramatic life as a passionate young woman at the center of England's powerful male establishment, and with the knowledge gained from them, makes a resolution that will change the course of history.

AKHENATEN

Broadway Books
NefertitiA

NovelBroadway Books

NEFERTITI

Broadway Books
A tale of love, power and intrigue from the New York Times and USA Today bestselling author of The Alice Network and The Rose Code. Powerful, prosperous, and expanding ever farther into the untamed world, the Roman Empire has reached its peak under the rule of the beloved Emperor Trajan. But neither he nor his reign can last forever... Brash and headstrong, Vix is a celebrated ex-gladiator returned to Rome to make his fortune. The sinuous, elusive Sabina is a senator's daughter who craves adventure. Sometimes lovers, sometimes enemies, Vix and Sabina are united by their

devotion to Trajan. But others are already maneuvering in the shadows. Trajan's ambitious Empress has her own plans for Sabina. And the aristocratic politician Hadrian—who is both the Empress's ruthless protégé and Vix's mortal enemy—has ambitions he confesses to no one, ambitions rooted in a secret prophecy. When Trajan falls, they all will be caught in a deadly whirlwind that may seal their fates, and that of the entire Roman Empire...

A Novel Broadway Books

Hatshepsut - the daughter of a general who usurped Egypt's throne - was born into a privileged position in the royal household, and she was expected to bear the sons who

would legitimize the reign of her father's family. Her failure to produce a male heir was ultimately the twist of fate that paved the way for her improbable rule as a cross-dressing king. At just over twenty, Hatshepsut ascended to the rank of pharaoh in an elaborate coronation ceremony that set the tone for her spectacular reign as co-regent with Thutmose III, the infant king whose mother she out-maneuvered for a seat on the throne. A master strategist, Hatshepsut successfully negotiated a path from the royal nursery to the very pinnacle of authority, and her reign saw one of Ancient Egypt's most prolific building periods.

Wrap Her in Light

Crown
Raised far from the Egyptian court with her sister, Mutnodjmet, the beautiful and ambitious Nefertiti becomes the wife of the radical new pharaoh, Amunhotep, encouraging his plans to overturn Egypt's state religion and making powerful enemies in the process, while her sister, recognizing her sister's dangerous position, does what she can to protect her family. A first novel. Reprint. 40,000 first printing.
