Off of You

In Caroline Bock's *Before My Eyes*, Claire has spent the last few months taking care of her six-year-old sister, Izzy, as their mother lies in a hospital bed. Claire believes she has everything under control until she meets a guy online who appears to be a kindred spirit. Claire is initially flattered by the attention but when she meets Max, the shy state senator's son, her feelings become complicated. Working alongside Max at a beachfront food stand is Barkley. Lonely and obsessive, Barkley has been hearing a voice in his head. Narrated in turns by Claire, Max, and Barkley, *Before My Eyes* captures a moment when possibilities should be opening up, but instead

everything teeters on the brink of destruction.

[Can't Take My Eyes Off Of You: New York Sullivans Spinoff \(Summer Lake\)](#) Penguin

We live in a polarized time. Christians are quick to conceive of themselves either as theologically-minded or worship-minded; either thinking Christians or feeling Christians. The results are damaging: theology without worship is muted, stifled, and cold, and worship without theology is ungrounded, unrooted, and uninformed. This is not the way it was meant to be. Theology (our study and knowledge of God) should always lead to doxology (our worship of Him). Worship should always be rooted in theology. When we study the nature and character of God as revealed in his Word, we are invited to respond in the

affectionate, obedient discipleship of worship. How can we keep our theology from being mere head knowledge? How do we give our worship roots that will last? By fixing our eyes on God Himself—the object of our study and the object of our worship. *Fix Your Eyes* is an invitation to understand core doctrines of the Christian faith and apply them in our daily worship of God. It walks believers through key theological concepts and shows how each can be lived out in daily life.

Delaney Newell knows what it means to be powerless. Against the family who wouldn't
The Way of the Winepress Virgin Books

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work Zebra Books

Exhausted by the futility of her efforts against the city's endemic problems and the revolving door of violence in her Chicago emergency room, Dr. Miranda Campbell came home to Wishful, where she knew she could make a real difference in people's lives. Between her clinic, a rotation in the hospital's ER, volunteer work at the new women's shelter, and time spent with family and friends, her life is full. But it's not too full

to notice a sexy lawman when she sees one. Former US Marshal Ethan Greer is still settling into the job as Wishful's new Chief of Police, but he's starting to realize it may be years before he'll ever be considered one of the locals. Fair enough. He's the first to admit that making the shift to small town policing is a big adjustment. After losing his marriage and almost his life in line of duty, the slow pace of Wishful is a change he's happy to make. While Miranda's and Ethan interest in each other is mutual, he's not sure about taking on a serious relationship. That's just fine with her. But when Miranda is targeted in an escalating chain of threatening events, Ethan's Marshal instincts go on overdrive. Miranda's rose-colored view of Wishful is putting her in

danger. She's become more than a casual fling or a job responsibility. With Ethan's training screaming at him to put her in protective custody, can he find out who's behind the threats before he pushes Miranda away?

Can't Take My Eyes Off of You

Wishing for a Hero

One of the most popular authors in the world returns to dazzle readers yet again. *SOMEONE LIKE YOU* is the story of a man and a woman who fell in love, married, and divorced in their youth - only to try to rebuild relationship years later. A brilliantly written, triumphant tale of love lost and regained, this is Judith McNaught at the height of her craft: dramatic, romantic, suspenseful, witty, and absolutely compelling.

At five days, I started to wonder. At a week, I started getting worried. But it's been more than two weeks now, and I'm trying not to panic. It shouldn't take this long. It's been sixteen days since Jaxon manifested, and he hasn't been able to gain control over his ultralight form, not even once. At this rate, it doesn't look like I'll ever be able to touch him again, kiss him again—because he's a raging inferno of light that wants nothing more than to eliminate me. But now it's not just about me and how bad I want to be with him. Vivian Gray wants her son back, and she's the kind of crime boss with the resources to tear the world

apart looking for him. We need to show our faces and keep up the charade we began. I have to get him out of this life. I have to get him away from her. Only I didn't anticipate this twist: there's a reason this family is as dark and dangerous as it is. I'm not sure Jaxon has the strength to do what must be done. So, it's my turn to step up and take care of business.

Song of Myself ... Simon and Schuster

This is the story of the training of U.S. WW II glider pilots, mainly in the U. S., but also includes some training that took place in several foreign countries.

Excitement, daring adventures, and horror were not exclusive experiences of WW II pilots flying combat missions in bombers, fighters, and gliders. Rest assured, the training of glider pilots was replete with stories of nearly equivalent adventures and misadventures. Some of those were comical, but often they were frightening, frustrating, painful, and/or perplexing. Sadly, some were deadly

This book is a synthesis of diverse information, and based on over 190 sources. One hundred fifty-four of those are either oral or written histories from the men and sometimes the women involved. A large number of these are

unique and previously unrecorded. Most of the information has been collected by the author between 1981 and 2004. Almost immediately it became a labor of love and I became, in spirit, a "family" member with these fine men and women.

The Singer's Musical Theatre

Anthology - Teen's Edition Knopf Books for Young Readers

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the

office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not)

and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford

professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By* and *Get Your Financial Life Together*

She's become more than a casual fling or a job responsibility. With Ethan's training screaming at him to put her in protective custody, can he find out who's behind the threats before he pushes Miranda away? Author Interview Q: What makes the Wishing For A Hero series special? Wishing For A Hero is a collection of southern romance novels honoring my Mississippi roots. When I started my core Wishful Romance series,

I set out to highlight everything that I love about living in the small town South--all our quirks, foibles, and dreams provide a fabulous (and often funny) backdrop to contemporary romances about stubborn, independent women and the men who love them. But not every story fit that lighter side. Wishing For A Hero novels are still small town romance stories, but they've got a darker tone and an edge of suspense. Q: Who would dig these books? Wishing For A Hero is a southern romance series written for anyone looking for love in a small town--with a dose of suspense.

THE STORY OF FRANKIE VALLI & THE FOUR SEASONS

Prabhat Prakashan
Renowned NFL analysts' tips to make

football more accessible, colorful, and compelling than ever before More and more football fans are watching the NFL each week, but many of them don't know exactly what they should be watching. What does the offense's formation tell you about the play that's about to be run? When a quarterback throws a pass toward the sideline and the wide receiver cuts inside, which player is to blame? Why does a defensive end look like a Hall of Famer one week and a candidate for the practice squad the next? These questions and more are addressed in Take Your Eye Off the Ball 2.0, a book that takes readers deep inside the perpetual chess match between offense and defense. This book provides clear and simple explanations to the

intricacies and nuances that affect the outcomes of every NFL game. This updated edition contains recent innovations from the 2015 NFL season.

MAYBE SOMEDAY

B&H Publishing Group

My Eyes Are Up Here is a razor-sharp debut about a girl struggling to rediscover her sense of self in the year after her body decided to change all the rules. If Greer Walsh could only live inside her head, life would be easier. She'd be able to focus on excelling at math or negotiating peace talks between her best friend and . . . everyone else. She wouldn't spend any time worrying about being the only Kennedy High student whose breasts are bigger than her head. But you can't play volleyball

inside your head. Or go to the pool. Or have confusingly date-like encounters with the charming new boy. You need an actual body for all of those things. And Greer is entirely uncomfortable in hers. Hilarious and heartbreakingly honest, *My Eyes Are Up Here* is a story of awkwardness and ferocity, of imaginary butterflies and rock-solid friends. It's the story of a girl finding her way out of her oversized sweatshirt and back into the real world.

Soprano Book Only Piatkus Books
BOOK ONE IN THE D&S SECURITY SERIES. Shelby Taite, restless and bored with her high society life, decides to go on an adventure and see how the other half lives. She hops a bus (dragging no less than five suitcases) and ends up in her chauffeur's hometown of East

Wapeneken. Quinn Delaney (ex-cop turned bodyguard) is sent to watch over and protect Shelby, but not interfere with her great adventure. What ensues is a laugh-a-minute good time.

CAN'T TAKE MY EYES OFF YOU

Random House

Years after falling in love, getting married, and getting divorced in their youth, a complex, charismatic man and a successful, determined woman are given a second chance at rediscovering that love and rebuilding their relationship. 350,000 first printing.

St. Martin's Griffin

A cop disguised as a writer arrives in the sleepy town of East Wapeneken to track down a missing persona bride who fled

rather than marry her dull fiancé.

Original.

I Know Why the Caged Bird Sings

Take The Leap Publishing

One of the world's most popular authors is set to dazzle readers yet again.

Someone Like You is the story of a complex, charismatic man and a successful, spirited woman who in their youth fell in love, married, and divorced--but years later are given a rare second chance to rediscover that love and rekindle their relationship. A brilliantly written, triumphant tale of love lost and regained--with appearances from popular characters from her previous books--Can't Take My Eyes Off of You will remind Judith McNaught's millions of fans exactly why her novels have won their hearts.
