A witty and addictively readable day-by-day literary companion. At once a love letter to literature and a charming guide to the books most worth reading, *A Reader's Book of Days* features bite-size accounts of events in the lives of great authors for every day of the year. Here is Marcel Proust starting *In Search of Lost Time* and Virginia Woolf scribbling in the margin of her own writing, "Is it nonsense, or is it brilliance?" Fictional events that take place within beloved books are also included: the birth of Harry Potter's enemy Draco Malfoy, the blood-soaked prom in Stephen King's *Carrie*. *A Reader's Book of Days* is filled with memorable and surprising tales from the lives and works of Martin Amis,

Jane Austen, James Baldwin, Roberto Bolano, the Brontë sisters, Junot Díaz, Philip K. Dick, Charles Dickens, Joan Didion, F. Scott Fitzgerald, John Keats, Hilary Mantel, Haruki Murakami, Flannery O'Connor, Orhan Pamuk, George Plimpton, Marilynne Robinson, W. G. Sebald, Dr. Seuss, Zadie Smith, Susan Sontag, Hunter S. Thompson, Leo Tolstoy, David Foster Wallace, and many more. The book also notes the days on which famous authors were born and died; it includes lists of recommended reading for every month of the year as well as snippets from book reviews as they appeared across literary history; and throughout there are wry illustrations by acclaimed artist Joanna Neborsky. Brimming with nearly 2,000 stories, *A Reader's Book of Days* will have readers of every stripe reaching for their favorite books and discovering new ones.

This edited collection brings together some of the leading researchers in the study of the daily experience of work and daily well-being. The book covers both theoretical and methodological issues involved in studying workers' well-being as it evolves on a daily basis. Interest in the topic of daily fluctuations in worker well-being has grown rapidly over the past ten years. This is partly because of advances in research and statistical methods, but also because researchers have found that the psychological processes that influence well-being play out from moment to moment, and from day to day. Topics covered in this book include: The theoretical basis of studying work as a series of daily episodes Assessment of different components of daily well-being Factors involved in the regulation of well-

being at work Qualitative and quantitative diary experience sampling and event reconstruction methods Latent growth curve modelling of diary data The final chapter of the book includes a preview of how daily methods may evolve in the future. Intended as a guide for researchers with good knowledge of field research methods, the book will be particularly useful to researchers of work-related phenomena who seek to expand their knowledge of dynamic methods in field contexts, and those who want to start using these methods. It will also be of interest to students of work psychology and organisational behaviour, and related disciplines.

Too many people think the formula for doing what they want is to wait for a "golden opportunity" to arrive somewhere in the hazy future, rather than taking advantage of the time right in front of them. This leaves them distracted, filling their lives with busy work and chatter. If you find yourself in a place where you feel like there is something more in life for you,

find yourself stuck in a rut, or think you should be happy because you've "made it," but find yourself searching for more, the 90 Day Life reveals how to actually break away from feeling stuck in life and create the life you truly want in 90 days. It will guide you on how to stop letting unhappiness, stress, and life routines become your norm, so you can hit the reset button and get more fulfillment and joy from your life. It will help you reassess what's working for your life right now and what isn't. It will put the focus back on what you want, rather than what you're supposed to do. Together we'll go from a transformation from living life on autopilot to being in the driver's seat.

How did Mary feel when she found out the babies in Bethlehem had been murdered? How did the blind man respond to Jesus' gift of sight? How did the Pharisees react when Jesus called them hypocrites? How did Peter cope with the guilt he felt after denying Jesus? A Day in the Life of Jesus is a daily devotional that takes you on a chronological journey through the Gospels from the perspective of those who interacted with Jesus. See life through the eyes of the people who walked and talked with Jesus as they share their first-person account of what they heard, saw, and experienced. Each day features a Bible reference and corresponding story based on the accounts of the four Gospels.

**Five Days at Memorial** Psychology Press David Vallejo is currently serving the 10th year of a 12 year prison sentence. Okay, technically speaking he's just a student and the place where he spends most of his waking hours is a "high school" not a prison. But with all his movements coordinated and all his activities predetermined by outside forces, it's sometimes hard to tell the difference. Thankfully, David knows how to bend the rules at this institution just enough without breaking them...or so he thinks. When he accidentally offends the higher-ups a bit too much, he has to undertake a legally dubious mission on their behalf to avoid punishment. All while dealing with his own (not so) typical teenage problems: (not doing) homework, spying on his friends (for a good cause of course), editing economics books (no, seriously), and in between all that he might manage to

smuggle some dangerous weapons into the state too (or at least, that's what the police would have you think).

From the New York Times best-selling author of *You Can Heal Your Life* Mirror work has long been Louise Hay's signature method for cultivating a deeper relationship with yourself and others, and leading a rich and meaningful life. Now, in *Mirror Work*, she shows how in just 21 days, you can master this simple but powerful practice as an ongoing support for positive transformation and self-care. "I have been teaching people how to do mirror work as long as I have been teaching affirmations . . . The most powerful affirmations are those you say out loud when you are in front of a mirror, looking deeply into your eyes. A mirror reflects back to you the feelings you have about yourself. It makes you immediately aware of where you are resisting and where you are open and flowing. It clearly shows what thoughts you will need to change if you want to have a joyous, fulfilling life." - Louise Hay

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

Three Days in the Life of an African Christian Villager While sitting reflectively watching the smoke emerging from his wife's kitchen, this African villager recounts his thoughts and observations on just three days of village life. On Friday, his boss tries to deal with a fall in profit margins of the company he works for. Saturday's account explains some of the intrigues surrounding just another village funeral. Village Christianity becomes the focus of Sunday. Read this intriguing little diary, a close literal translation from an original in Dholuo (of western Kenya), to begin to acquire fascinating insights into contemporary village life as an African Christian man. This book is suitable to be used as a part of courses on missions, African Christianity and culture, development and intercultural communication at undergraduate and graduate levels.
