Colour mixing is a key skill for the botanical artist. In this practical guide, Jackie Isard explains how to observe and use colour accurately. She shows artists how to make informed choices when

selecting pigments, as well as how to learn about colour mixing and its application. Detailed instruction and advice are given on understanding colour and pigments. The author explains how to 'see' colour and tricky mixes, from greens and reds to the difficult

botanical greys. Includes advanced colour application techniques - colour enhancement, shadow colours and colour temperature transition. Finally, step-by-step guides illustrate how to paint with layers, how to use underlying colours to enhance, and colour and fine detailing.

Billy Showell is a well-respected contemporary artist whose watercolour flower portraits have earned her the respect of watercolour artists all over the world. Worked to the same degree of accuracy as traditional botanical paintings, Billy's compositions are given a more contemporary twist, combining her unique eye for design with her love of flowers. In this book, 40 flower portraits are

presented, arranged in alphabetical order, each one accompanied by small studies, details, step-by-step instructions and the colour mixes used to accomplish the finished work. At the start of the book there are useful sections on the materials and equipment needed and the main techniques used, including wet-into-wet, colour blending, lifting out, layering glazes, dry brushing and colour mixing, and at the end of the book Billy gives her own unique slant on composition and

discusses the importance of creating a sketchbook. Whether you love to paint, or simply love flowers, this book will delight and inspire you. *Botanical Drawing* Search Press Limited

People who want to learn to paint flowers without relying on their drawing skills have everything they need in this book. Fiona Pearts expert use of bright, clear watercolour washes to create beautiful flower paintings is fully demonstrated in this inspiring book on tulips. The tracings and clear

step-by-step photographs explain the painting process in great depth and make it easy for readers to reproduce all of the projects, which include tulips in a variety of shapes, sizes and colours.

The Art Handbooks provide the best in art tuition in a small, handy format, covering all the major aspects of painting and drawing in various media. There is excellent

advice on what materials are needed and on basic techniques, followed by step-by-step demonstrations with clear photographs of each stage and easy to follow instructions. Wendy Tait's excellent introduction to painting flowers in watercolour provides an inspirational and practical guide to producing beautiful flower paintings in this medium. There is clear information on what materials you need and on choosing colours, composition and painting terms such as

counterchange, lost and found edges and aerial perspective. Skills are then built up through seven beautiful step by step demonstrations including primroses, pansies and heather, anemones, cyclamen, roses and a mixed bunch of flowers. Beginners can use the book as a course in watercolour flower painting, while more experienced artists will be inspired by the beautiful paintings and expert advice. The Art Handbooks were originally published in a larger

format as the best-selling Step by Step Leisure Arts series.

Unleash Your Creativity with Beautiful Watercolor Blooms From delicate magnolias and zinnias to exotic hibiscus and tiger lilies, you'll be ready to paint an entire garden with 25 breathtaking projects. Renowned watercolor instructor Cara Rosalie Olsen covers everything you need to know to get started—even

if you've never picked up a brush! Learn how to select art supplies, blend Cara's unique colors, prepare a palette, master different brush techniques and so much more. Each project provides detailed step-by-step instructions along with helpful illustrations so you can confidently create elegant botanical masterpieces. And with Cara's encouraging and beginner-friendly approach, you'll be inspired to find beauty in everything you paint. *Ready to Paint Tulips in*

Watercolour Penguin Botanical Illustration is an introduction to the marrying of art and science in the aesthetic and accurate portrayal of plant material. This book builds on the work of illustrators of the past, ranging from Elizabeth Blackwell, whose drawings helped to release her husband from debtors' prison, through to the exceptional scientific drawings of Beatrix Potter. It deals with the practical art and the related botany of the subject. Introduction to

basic botany; preparation of plant material for drawing; use of pencil, watercolour, coloured pencil and pen and ink; suggested topics for further study; correcting mistakes and finishing touches. Invaluable for beginners and skilled artists alike, and an excellent reference book for teachers. Superbly illustrated with 216 colour illustrations. Valerie Oxley is a freelance tutor who has inspired students worldwide with her enthusiasm for natural history and plant

illustration.

 Capture the Natural World with Vibrant Works of Art
 Nature illustrator Rosalie Haizlett has hiked through countless forests with her sketchbook and watercolors, documenting the plants, animals and landscapes that she encounters. She has also taught tens of thousands of students to paint and appreciate nature's beauty through her popular online classes and in-person workshops. In

this book, Rosalie provides step-by-step instruction on how to paint 20 realistic insects, fungi, birds, botanicals and mammals in her vibrant wet- on-dry watercolor style. Pick up the skills you need to become a better observer in the outdoors, take your own reference photos and paint a wide variety of subjects so that you can continue to draw inspiration from nature long after you finish the projects in this book. You'll also learn some fun nature facts along the

way! Whether you're a total beginner or ready to take your skills to the next level, Rosalie is here to walk you through every step of the process.

BOTANICAL ILLUSTRATION

Union Square & Co. This complete beginners guide to painting flowers in watercolour is ideal if you want to learn to paint but are short on time. Each of the 35 quick and easy exercises takes no more than 30 minutes to complete, and will teach you how to paint flowers of different shapes, colours and families lilies, orchids and hellebores amongst others or learn a key technique such as masking out, working wet

in wet and colour-mixing. The exercises are all worked at postcard size ideal for a 6 x 4in (A6) watercolour pad, and tracings are included for each study. The book is broken down into five chapters that focus, respectively, on working with watercolour, watercolour techniques, colour and tone, form and detail, and finally flowers in context. The final section of the book contains three complete paintings that demonstrate how to combine all the

techniques and elements of painting flowers, as learned from the preceding chapters. These paintings, too, are accompanied by actual-size tracings.

A-Z of Flower Portraits

As a follow-up to the successful RHS Flowers: A Watercolour Art Pad, this edition includes 15 beautiful plant and flower templates to fill in, plus some introductory step-by-step guidance and tutorials on painting botanical subjects. Creating beautiful botanical paintings has never been easier with these template outlines and art-quality watercolour paper. Perfect

for absolute beginners in botanical art, the ready-to-use outlines allow you to focus on the painting and avoid the accuracy of composition drawings. Each outline includes a finished painting by artist Rachel Padder-Smith and a recommended color palette, so all you have to worry about is enjoying the process! Included are step-by-step tutorials on all the essential tips and techniques you need to know, from painting different parts of the flower and shiny surfaces to perfecting the fine

veins on leaves, as well as advice on how to correctly capture light. Rachel's stunning illustrations also include fruit and vegetables, so whether you're a lover of autumn leaves, spring daffodils, or even an onion or two, she has you covered. This detailed and visual art book is the perfect start for anyone looking to take up botanical art, refresh their skills, or simply appreciate the beauty of nature.
