The New York Times bestseller makes detoxing easy! Juicing and cleansing are more popular than ever, but most programs ask readers to avoid food and live on juice alone for days on end. Enter THE SUJA JUICE SOLUTION, a groundbreaking new detox from Annie Lawless and Jeff Church of Suja. This easy-to-follow 28-day program features a powerful 7-day jumpstart of high-energy green juices and antioxidant-rich mini-meals designed for readers to detoxify and lose weight without deprivation. Over the 4-week program, readers gradually increase their intake of whole, fresh foods, while learning to crowd out unhealthy foods with nourishing juices and more balanced, healthy options. In just four weeks, readers will beat sugar cravings,

decrease inflammation, boost energy, improve skin and drop pounds. With over 75 recipes and mix-and-match meal plans, THE SUJA JUICE SOLUTION is an all-in-one resource that sets readers off on a life-long path towards improved health and sustainable wellness.

In 1997, a BAFTA award-winning British film about six out of work Sheffield steelworkers with nothing to lose took the world by storm. And now they're back, live on stage, only for them, it really has to be The Full Monty. Simon Beaufoy, the Oscar-winning writer of the film, has now gone back to Sheffield where it all started to rediscover the men, the women, the heartache and the hilarity of a city on the dole. The Full Monty was the winner of the UK Theatre Best Touring Production award 2013.

Digital Wellness, Health and Fitness Influencers HarperChristian + ORM

This book examines the phenomenon of 'digital guru media' (DGM), the self-styled

online influencers, life coaches, experts and entrepreneurs who post on the themes of wellness, health and fitness. It opens up new perspectives on digital leisure and internet celebrity culture, and asks important questions about the social, cultural and psychological implications of our contemporary relationship with digital media. Drawing on cutting-edge social theory, the book explores a wide range of contexts in which DGM intersects with digital leisure, from the health-related learning of young people to the 'clean eating' movement, to the online lives of fitness professionals. It asks if digital and social media are problematic per se and explores the problems a turn to the Internet could be revealing about the lack of real-world or analogue support, as well as potential solutions, for our wellness, health and fitness needs and wants. Bringing together innovative, multi-disciplinary perspectives, this book is fascinating reading for anybody with an interest in leisure studies, media studies, cultural studies, sociology, or health and

society.

Eat healthy. Exercise. Be happy. It sounds easy enough, so why is it so difficult? Because as millions of women know, it's not easy. There are challenges and obstacles, and health programs are not one size fits all. Sohee Lee understands, because she's faced the challenges and overcome them. As a trainer, presenter, and author, she's shared her experiences and helped others establish healthy relationships with food and exercise for long-term results. In the book *Eat. Lift. Thrive.* she empowers you with tools and strategies to make your own change. You will learn how to identify issues that are holding you back and what you can do to get back on track. You'll find motivation, exercise, and advice. And you'll learn how to

- incorporate Lee's Living Lean Guidelines to make your diet work around your life, rather than the other way around;
- perform her Primary Strength Movements and integrate them into an effective workout program; and
- adjust your routine to maintain the results you've achieved.

Eat. Lift. Thrive. also provides you with a structured, easy-to-follow 12-week training program. The program can be scaled according to your training experience, time commitment, and goals; it's completely customizable to ensure that your changes are lasting. This book is designed to be different. By the time you're finished, you'll be an expert at moderation and will say goodbye to extremes in dieting. You can have your cake and eat it too—and enjoy it!

SHORTLISTED: Business Book Awards 2022 - Sales & Marketing category Create an influencer marketing strategy that benefits both brand and the influencer with this fascinating guide, rich in case studies from the biggest and the best and the small and specialist. Influencer marketing can no longer be ignored. Whether it's broad scale celebrity endorsement, or micro-influencers with niche, highly targeted followings, influencer marketing has become a natural extension of content marketing. However, while the opportunities are vast, the very nature of influencer marketing means that a brand must relinquish control of their marketing message to allow the influencer to communicate in their natural style. This can be unnerving, and it's therefore imperative to have a clearly defined campaign that mutually

benefits and protects both the brand and the influencer. *Influencer Marketing Strategy* gives readers everything they need to create influencer marketing strategy. It will walk readers through the key considerations, and offer insight into decisions such as choosing the right influencer, planning content, and how to incorporate influencer marketing into your wider marketing strategy. This book presents fascinating, in-depth case studies from the beauty, fashion, gaming, travel, health and tech industries, demonstrating the variety of ways that influencer marketing can be utilized, and the huge opportunities it presents for organizations and industries of all sizes. *Influencer Marketing Strategy* is the ultimate guide to developing a successful influencer marketing strategy - and building campaigns that create real value.

This is not your run-of-the-mill fitness book. Developed by world-renowned gluteal expert Bret Contreras, *Strong Curves* offers an extensive fitness and nutrition guide for women seeking to improve their physique, function, strength, and mobility. Contreras spent the last eighteen years researching and field-testing the best methods for building better butts and shapelier bodies. In *Strong Curves*, he offers the programs that have proven effective time and time again with his clients, allowing you to develop lean muscle, rounded glutes, and greater confidence. Each page is packed with information decoding the female anatomy, providing a better understanding as to why most fitness programs fail to help women reach their goals. With a comprehensive nutritional guide and over 200 strength exercises, this book gets women off the treadmill and furnishes their drive to achieve strength, power, and sexy curves from head to toe. Although the glutes are the largest and most powerful muscle group in the human body, they often go dormant due to lifestyle choices, leading to a flat, saggy bum. *Strong Curves* is the cure.

Discover the safe, effective, delicious

cleanses that took Instagram by storm! This 5-day detox program allows you to eat whole, nutrient-rich foods—and feel satisfied and energized while dropping pounds! As a professional model, Nikki Sharp traveled constantly, barely slept, skipped meals, and relied on quick fixes to stay skinny, all of which took a toll on her physical and emotional health. Realizing she needed to make a serious change, she began to study integrative nutrition—and learned that the key to weight loss, radiant skin, and overall well-being is not starving yourself but eating. That's right: eating! Sharp created her detox plan based on the knowledge that in the right combinations, real whole foods—grains, vegetables, fruits, and spices—can aid digestion, burn body fat, flush out toxins, reduce bloating, banish fatigue, and clear up acne. Unlike other cleanses, *The 5-Day Real Food Detox* allows you to eat five times a day—and shed a pound a day—with meals and snacks developed by Sharp (and backed by a nutritionist and a registered dietician). Even better, the recipes, including Love Pancakes, Spinach & Chickpea Hummus, Black Bean Burgers, Cauliflower Mash, and Taco Bowl, have been taste-tested by Sharp's many of 300,000-plus Instagram followers, who have done the plan and seen amazing results. In *The 5-Day Real Food Detox*, you'll discover

- nutrient-dense foods that encourage detoxification and weight loss
- the facts on juice, smoothie, tea, and raw food cleanses
- yummy foods to substitute when you crave unhealthy ones
- ingredients to avoid and how to decode food labels
- the secret to great-tasting meals—use spices instead of salt
- strategies for lowering stress and combating insomnia
- troubleshooting for food allergies, mood swings, bloating, and other detox issues

Complete with gorgeous photos, success stories, shopping lists, and meal plans, *The 5-Day Real Food Detox* lays the groundwork for eating well and feeling wonderful for the rest of your life! Advance praise for *The 5-Day Real Food Detox* "Nikki is an amazing inspiration. Whether you are vegan, vegetarian, paleo, or just trying to get healthy, this book is a must-read!"—Kristina Carrillo-Bucaram, founder of the FullyRaw brand and author of *The Fully Raw Diet* "Nikki Sharp's plant-based detox is a holistic approach to long-term wellness. Not only will it help get you lean in a short amount of time, it will keep you there, and feeling energized the whole way through."—Brendan Brazier, author of the *Thrive* book series "The real power of this book is that it just may transform how you think about your food, your body, and

the way your choices shape every aspect of your life.”—Adam Rosante, author of *The 30-Second Body* “I love that Nikki Sharp’s program is full of real, satisfying foods that won’t leave you starving—so you can build healthy habits that will last long after the five days are over!”—Megan Gilmore, author of *Everyday Detox* “Nikki Sharp’s style is fun, approachable, and innovative, and embodies the new way we should be eating. The wellness world is fortunate to now include her brilliant new book.”—Matthew Kenney, author of *Cooked Raw: How One Celebrity Chef Risked Everything to Change the Way We Eat* “A must have for everyone who wants to look gorgeous and healthy like Nikki!”—Ani Phyo, author of *Ani’s 15-Day Fat Blast* and *Ani’s Raw Food Essentials* [Just the Good Stuff](#) Houghton Mifflin Harcourt

Marketing and consumer research has traditionally conceptualized consumers as individuals- who exercise choice in the marketplace as individuals not as a class or a group. However an important new perspective is now emerging that rejects the individualistic view and focuses on the reality that human life is essentially social, and that who we are is an inherently social phenomenon. It is the tribus, the many little groups we belong to, that are fundamental to our experience of life. Tribal Marketing shows that it is not individual consumption of products that defines our lives but rather that this activity actually facilitates meaningful social relationships. The social ‘links’ (social relationships) are more important than the things (brands etc.) The aim of this book is therefore to offer a systematic overview of the area that has been defined as “cultures of consumption”- consumption microcultures, brand cultures, brand tribes, and brand communities. It is though these that students of marketing and marketing practitioners can begin to genuinely understand the real drivers of consumer behaviour. It will be essential to everyone who needs to understand the new paradigm in consumer research, brand management and communications management.

Welcome to food freedom: 100+ recipes that prove you can make healthy choices without sacrificing the meals, snacks, and sweets you love—with plenty of gluten-free, Paleo, and plant-based options. Rachel Mansfield’s vibrant debut cookbook proves that living a healthy lifestyle doesn’t mean adhering to restrictive diets or giving up all the foods you crave. Using better-for-you ingredients, such as grain-free flours, collagen peptides, and coconut sugar, you can indulge while still maintaining a balanced approach to eating. Rachel’s recipes focus on creative, flavor-forward takes on favorite, comfort food dishes—think Almond Butter Pad Thai, Sweet Potato Nachos with Cashew Cheese, Homemade Pastry Tarts with Berry Chia Jam, and Epic Quinoa Burrito Bowls. Though Rachel personally doesn’t prescribe to a single diet or label, many recipes are Paleo-friendly, dairy-free, and gluten-free, and none include any refined sugar. This highly approachable book is organized to reflect the rhythms of real life: grab-and-go breakfasts, meat and vegetables perfect to mix and match for meal prep, easy solo dinners, potluck-friendly spreads, shareable snacks, and, of course, sweets—lots of ‘em because as Rachel says, “You can have your gluten-free cake and eat it too!” Perfect for those who are new to cooking or learning how to incorporate healthy ingredients into their everyday lives, *Just the Good Stuff* includes an entire chapter on food prep (both a money and time saver!), lots of confidence-building tips, and inspirational advice. Praise for *Just the Good Stuff* “In *Just the Good Stuff*, Rachel creates recipes that are gluten-free, dairy-free, and deliciously vibrant. Her Crunchy Tahini Chocolate Grain-Free Granola and Paleo Everything Bagel Bread are just two of the many recipes you’ll crave over and over again. Plus, having a guide to prepping food for the week, this book has you covered for all aspects of eating.”—Frank Lipman, MD, bestselling author of *The New Health Rules* and *How to Be Well* “Rachel’s recipes are modern, approachable, and simple enough that anyone can make them! *Just the Good Stuff* is a new staple on my bookshelf!”—Gina Homolka, New York Times bestselling cookbook author and founder of *Skinnytaste* [Recipe Guide](#) Rowman & Littlefield

Do you lack confidence, grit, endurance, fortitude, self-esteem and all the other things that don't just make someone great, but successful in everything they do? What if you could completely transform yourself into someone who could do anything? I'm not talking about the change that happens for a week or a month or a year...but for your whole life? What would that legitimately and realistically be worth to you? Everybody tries to tell themselves that they are "special" or "great"...but it's just talk. It's not reality. This book tells you how to do that. It doesn't cost anything to execute this program...but it ain't free. I guarantee if you do exactly as I tell you to do it with no compromises and zero substitutions...you and your life will never be the same.-Andy Frisella
