*Signed, Sealed, Delivered* Kylie Scott LLC

Edie and Dylan are a couple and Edie keeps track of their love in her secret diary but can they stay in love.

*Diary of a Crush: Sealed With a Kiss* Hodder Children's Books

While daydreaming in Chemistry class, Lily scribbles some of her favorite song lyrics onto her desk. The next day, she finds that someone has continued the lyrics on the desk. Soon, Lily and her anonymous pen pal are exchanging letters. As Lily attempts to unravel the mystery, she discovers that she may be falling for her mystery writer...

## **TREMENDOUS THINGS**

Wendy Lamb Books

A compelling YA novel from the best-selling author of *Guitar Girl!* Isabel is the girl who rules the school with an iron fist and a gang of minions who do her bidding. Her friends are scared of her, her

teachers can't get through to her, and that's just the way she likes it. With her razor-sharp edges and tall walls, nothing gets to Isabel—and no one, but no one, is ever going to discover her dark, sad secrets. Then she meets Smith. And Isabel learns that sometimes when all the expectations and pressures are too much, you just need someone to help you get lost.

*Ignite (Midnight Fire #1)* EverAfter Romance

Frank Li is a high school senior living in Southern California. Frank's parents emigrated from Korea, and have pretty much one big rule for Frank - he must only date Korean girls. But he's got strong feelings for a girl in his class, Brit - and she's not Korean. His friend Joy Song is in the same boat and knows her parents will never accept her Chinese American boyfriend, so they make a pact: they'll pretend to date each other in order to gain their freedom. Frank thinks fake-dating is the perfect plan, but it leaves him wondering if he ever really understood love - or himself - at all. David Yoon's debut novel is a quirky, authentic, heartbreaking romantic comedy and a refreshingly different take on race, immigrant communities, friendship and family.

Man Crush Monday Delacorte Books for Young Readers

Thirteen-year-old Holly is dealing with the major concerns of every preteen and teenage girl: boys, family, and school. But with the help of her friends and her faith in God, Holly is able to survive her first boyfriend and her first breakup, a crush on her student teacher, and a new baby sister "invading" her house. Volume One includes Best Friend, Worst Enemy; Secret Summer Dreams; Sealed With a Kiss; The Trouble With Weddings; and California Crazy.

*A Child Called It* Penguin

Edie's having major boy issues. Trying to get over Dylan is hard, but snogging new boy Carter isn't hurting. . . When everyone heads off to a summer festival, Edie wants to forget her troubles and try and have fun. But she didn't count on her leftover feelings for Dylan and now she's all churned up again. Edie's got some big decisions to make, but is she ready to kiss and make up?

*To Crush the Moon* Moody Publishers

Originally published: New York: Times Books, 1979.

**Protecting Summer** Kirsty Moseley

Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

PS I Like You Kaitlyn Davis

Edie and Dylan have been dreaming about their road trip across America forever, but nine weeks in a car together is going to be a huge test for them. They're crazy in love, but what if that's not

enough? Trailer parks, diners, motels, and glitzy casinos are the backdrop for an adventure that threatens the whole future of their relationship. Will Edie and Dylan be able to go the distance?

**Life as We Knew it** Atom

A thirteen-year-old Jewish girl and her family abandoned their house in Amsterdam and went into hiding in 1942, when Nazis occupied Holland. They and another family stayed cloistered in the "Secret Annex" of an old office building for the next two years, until their whereabouts were revealed to the Gestapo. They suffered starvation, boredom, the daily cruelties of living in tight quarters, and the ever-present prospect of discovery and death because they were cut off from the outside world. Anne Frank kept a diary throughout this time, recording vivid recollections of her events. Her story is a fascinating meditation on human tenacity and weakness, as well as a riveting self-portrait of a sensitive and vibrant young woman whose promising future was sadly cut short.

Crush Little, Brown Books for Young Readers

When Edie first spots moody, dark, delicious Dylan at college, she just knows that this is the start of a roller-coaster, big-time love story, And now she's got their epic story all down on paper in her secret diary. But, hey, this is just between you, me and Edie...OK?

**Holly's Heart Collection One** Health Communications, Inc.

"Addictive like all Kylie Scott books, you'll swoon, laugh, ache, put your life on hold, and compulsively read until the wee hours of the night—only to reread the whole thing the next morning. Perfection!" - Katy Evans, New York Times bestselling author  
Returning home for her father's wedding was never going to be easy for Adele. If being sent away at eighteen hadn't been bad

enough, the mess she left behind when she made a pass at her dad's business partner sure was. Fifteen years older than her, Pete had been her crush for as long as she could remember. But she'd misread the situation—confusing friendliness for undying love. Awkward. Add her father to the misunderstanding, and Pete was left with a broken nose and a business on the edge of ruin. The man had to be just as glad as everyone else when she left town. Seven years later, things are different. Adele is no longer a kid, but a fully grown adult more than capable of getting through the wedding and being polite. But all it takes is seeing him again to bring back those old feelings. Sometimes first loves are the truest. "A sexy push-and-pull romance with an absorbing storyline infused with Kylie Scott's distinctive wit, singular charm and sublime emotional intensity."—USA Today "Sexy as hell, heartfelt and funny. This book takes you on a beautiful journey." —Tessa Bailey, New York Times bestselling author of *Getaway Girl* "Kylie Scott took a forbidden romance trope, turned it on its ear, and made me fall in love with this couple right from the beginning."—Harlequin Junkie \*Top Pick\* "THIS BOOK. THIS BOOK. THIS BOOK. Oh my swoon, we loved this sexy, fun, sassy romance! It's forbidden and juicy and has the best banter. We laughed out loud, swooned for days, and savored the moments of angst that squeezed our hearts."—Angie's Dreamy Reads "Utter perfection! Page by page, this book consumed me. Infused with Kylie Scott's unique style, she delivers a love story full of emotion, character and humor like no other. A must read!" —Devney Perry, bestselling author of *Tattered*  
*Evermore* Bethany House  
 It's sizzling summertime, and Edie can't wait for the partying to

start. Trying to forget about the dastardly Dylan, Edie's taking her new squeeze Carter to Glastonbury to have some fun. But guess who's there already looking totally gorgeous? Dylan, that's who.  
Life and Fate Harlequin  
 Based around the pivotal WWII battle of Stalingrad (1942-3), where the German advance into Russia was eventually halted by the Red Army, and around an extended family, the Shaposhnikovs, and their many friends and acquaintances, *Life and Fate* recounts the experience of characters caught up in an immense struggle between opposing armies and ideologies. Nazism and Communism are appallingly similar, 'two poles of one magnet', as a German camp commander tells a shocked old Bolshevik prisoner. At the height of the battle Russian soldiers and citizens alike are at last able to speak out as they choose, and without reprisal - an unexpected and short-lived moment of freedom. Grossman himself was on the front line as a war correspondent at Stalingrad - hence his gripping battle scenes, though these are more than matched by the drama of the individual conscience struggling against massive pressure to submit to the State. He knew all about this from experience too. His central character, Viktor Shtrum, eventually succumbs, but each delay and act of resistance is a moral victory. Though he writes unsparingly of war, terror and totalitarianism, Grossman also tells of the acts of 'senseless kindness' that redeem humanity, and his message remains one of hope. He dedicates his book, the labour of ten years, and which he did not live to see published, to his mother, who, like Viktor Shtrum's, was killed in the holocaust at Berdichev in Ukraine in September 1941.  
*The Diary of A Young Girl (Deluxe Hardbound Edition)* Atom

On the outside, Molly Gifford has it all—a hot legal career and Daniel Hunter, her equally hot boyfriend. But what she really wants is a family. So when she discovers her real father, she doesn't hesitate to pack her bags. Even though it means leaving her old life behind... A year later Daniel Hunter's still trying to get on with his life. Then Molly shows up at his door, begging for help. Her newfound father is under arrest for murder, and she's convinced Hunter is the only attorney with the skill and reputation to get him off. Hunter can't resist helping an innocent man. But this time he'll be the one walking away—even if it breaks both their hearts to do it....

### **PATENT OFFICE JOURNAL**

A&C Black

Kira Dawson has the power to burn vampires to a crisp. The problem is, she doesn't know it yet. The even bigger problem is, she's dating one. When Kira Dawson moves to South Carolina, she meets Luke, a blond goofball who quickly becomes her best friend, and Tristan, a mysterious bad boy who sends shivers down her spine. Kira knows they're keeping secrets, but when she discovers Tristan's lust for blood and her own dormant mystical powers, Kira is forced to fight for her life and make the heartbreaking decision between the familiar comfort of friendship and the fiery passion of love. From bestselling author Kaitlyn Davis comes a paranormal romance perfect for fans of *Twilight*, *The Vampire Diaries*, and *Buffy The Vampire Slayer*. *Ignite* is the first book in the *Midnight Fire* series and it is approximately 65,000 words. Keywords: Teen & Young Adult, Paranormal Romance, Romance, Paranormal, Vampires, Angels, Love, Action

& Adventure, Magic, Fantasy, Free, Freebie, Free Book RAVE REVIEWS! "Best book I have ever read besides *The Fault In Our Stars*." -- Hope Cooper (Amazon Review) "This book was awesome! I love the idea!...The story is fun, exciting and full of drama!" -- Jen Stewart of Jen's Bookshelf "I was riveted throughout and was eager to see what would happen - there was drama, danger, action and romance that was wonderfully detailed and described." -- S. Condous "SC" of *Obsession With Books* "YES ITS DIFFERENT AND I THOROUGHLY ENJOYED IT!! I'm a vampire lover, and enjoy any tale that is certainly unlike any other and that grabs and piques my interest. *Ignite* certainly did this." -- K.M. Whittaker "It's a unique and riveting tale that leaves you begging for more! (On that note - I am quite literally breathless in anticipation for *Simmer* to come out!)" -- Maria Maldo (Amazon Review) "I walked into a sign while reading this book - I could not tear myself away until I finished it!" -- Uncle Jimmy (Amazon Review) "It's been a while since I have read a really good YA vampire book. They have become so cliché that I often avoid them. Imagine my surprise when I picked up *Ignite* and fell in love with it by page 17." -- Kristin of *Better Read Than Dead*

[Kiss and Make Up](#) Everyman's Library CLASSICS

"A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The *New York Times* Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd

assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

HarperEntertainment

It's been almost three years since we left Detective Jay Harper and high-priced escort Katherine Taylor on the esplanade of Lausanne Cathedral, bruised and battered from a biblical showdown with the Nephilim. Katherine has retreated to small-town life in the woods of Washington State with her son, Max—and a close protection detail of heavily-armed, elite members of the Swiss Guard. Harper is living in Paris, haunted by voices in his head and bone-tired after what turns out to be two and a half million years on Earth. Though Katherine and Harper

have been prevented from remembering each other, baby Max has unwittingly stirred the interest of vengeful spirits—and only a worldwide (and cosmic) effort to save his life will bring Harper and Katherine together again. Meanwhile, from the shadows steps a defrocked priest named Astruc, whose face looks as if it has been clawed by some terrible beast and who hides his eyes behind blue lenses. He and his brilliant young ward, Goose, have discovered something unfathomable in the Catacombs under Paris, something that will confirm that “the time of the prophecy” is at hand. . . . Electrifying from its explosive first scene to its unexpected and shocking conclusion, *Angel City* reunites the unforgettable characters from *The Watchers* to reveal more of the earthly—and otherworldly—mysteries of the *Angelus* trilogy.

*Jay's Journal Atom*

Edie and Dylan have been dreaming about their road trip across America for ever. But nine weeks in a car together is going to be a huge test for them. They're crazy in love, but what if that's not enough? Trailer parks, diners, motels and glitzy casinos are the backdrop for an adventure that threatens the whole future of their relationship. Will Edie and Dylan be able to go the distance?

### LET'S GET LOST

Scholastic UK

I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are

rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintery in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-

pounding story chronicles Miranda's struggle to hold on to the most important resource of all--hope--in an increasingly desperate and unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to Life As We Knew It, including The Dead and the Gone, This World We Live In, and The Shade of the Moon.
