You Can't Handle the Truth AuthorHouse

In One of Us Will Be Dead by Morning, David Moody returns to the world of his Hater trilogy with a new fast-paced, and wonderfully dark story about humanity's fight for survival in the face of the impending apocalypse. The fewer left alive, the higher the stakes. Kill the others, before one of them kills you. Fourteen people are trapped on Skek, a barren island in the middle of the North Sea somewhere between the coasts of the UK and Denmark. Over the years this place has served many purposes—a fishing settlement, a military outpost, a scientific base—but one by one its inhabitants have abandoned its inhospitable shores. Today it's home to Hazleton Adventure Experiences, an extreme sports company specializing in corporate team building events. Life there is fragile and tough. One slip is all it takes. A momentary lapse leads to a tragic accident, but when the body count quickly starts to rise, questions are inevitably asked. Are the deaths coincidental, or something else entirely? Those people you thought you knew, can you really trust them? Is the person standing next to you a killer? Will you be their next victim? A horrific discovery changes everything, and a trickle of rumors becomes a tsunami of fear. Is this the beginning of the end of everything, or a situation constructed by the mass hysteria of a handful of desperate and terrified people?

**199 Ideas for Earning Cash on Your Own Terms** Silver Lake Publishing

Introduces the genre of creative nonfiction and suggests techniques for writing stylized true stories, offering writing exercises and advice on scheduling, selecting subjects, framing, and editing.

Cry-Son Dogwise Publishing

Ladies why are you always in the club, leaving your man at home or to do whatever makes him happy? If he's not complaining about you being gone all the time, he's probably not thinking about you or enjoying his freedom to be with the next chick. As soon as that guy approaches you asking, "Where is your man and why are you here alone?" you are leaving room for drama. Take care of

home first before the one you return to is empty and you are left alone. If what you have at home isn't all that you need, stop playing games and move on. Stop wasting his time and yours wondering what you can do to make your relationship better. Your struggle is with yourself because you don't love and know yourself enough to understand your own worth. Take a walk with me through this brief journey and learn how to find a soulmate within yourself first and then the right man will find you!

**A Guide to Authentic Dating** Wicked Dreams Publishing

Author and professional speaker David Rich knows how to stimulate readers and get them to ask questions--such as "You mean that isn't in the Bible?" In this book, David turns his attention to ten popular notions commonly believed by Christians...but found nowhere in Scripture. Such beliefs, he indicates, are based in human-centered "religion" that waters God's Word down into pop culture. However, in every case, the Bible's true originals are vastly more liberating than sentiments like... God helps those who help themselves Believers are God's co-pilots Christians aren't perfect, just forgiven David's enthusiastic, energetic, easy-to-read style--which reflects his many years as a speaker--pulls his audience 100-percent into his arguments. Though readers may not agree with him right away, they will be challenged...and they "will" be motivated to check their Bibles and see why the unadulterated version of God's truth is always the best news.

Things You Can't Say Dark Shadow Publishing

On a dark and cold November night, Vincent is on his way to close the biggest deal of his life and pave the way for his dream of opening his own tax firm to become a reality. But when he is nearly killed by his cousin's henchmen, his life is forever changed. Readers can unravel a web of betrayal, suspense, danger and revenge in Jason Ross' gripping novel, Don't Wound What You Can't Kill. Vincent works for his cousin William and is only disloyal in the way that he is about to abandon him and open his own business. He had no intentions on using any of his cousin's money, which he could have easily embezzled without his cousin knowing a thing. A man with principles, Vincent is the one who informed his cousin that his men, Harold and Ronald were embezzling from him. But he never expected William would repay his loyalty with death. Vincent barely escapes with his life, stinging at the pain of betrayal. His love for accounting and taxes had taken a back step to another

more important matter revenge. Vincent now knew what he had to do, but he wonders at what price he would have to pay for his revenge. The choice is obvious, and there is no turning back. Vincent finally crosses that thin line between good and evil that he had straddled along when he was a child. His life as he knew it is over, and his life as he never envisioned is just beginning. Maybe man really does not have any control over how his life turns out how events both tragic and joyful help frame one's true destiny and set them on their true path. Is a life of crime Vincent's true destiny? Readers can unravel the answer and witness the intriguing events unfold in Don't Wound What You Can't Kill.

Perfect for fans of See You in the Cosmos and Where the Watermelons Grow, author Jenn Bishop's latest novel tells the moving story of a boy determined to uncover the truth. Nothing is going right this summer for Drew. And after losing his dad unexpectedly three years ago, Drew knows a lot about things not going right. First, it's the new girl Audrey taking over everything at the library, Drew's sacred space. Then it's his best friend, Filipe, pulling away from him. But most upsetting has to be the mysterious man who is suddenly staying with Drew's family. An old friend of Mom's? Drew isn't buying that. With an unlikely ally in Audrey, he's determined to get to the bottom of who this man really is. The thing is, there are some fears—like what if the person you thought was your dad actually wasn't—that you can't speak out loud, not to anyone. At least that's what Drew thinks. But then again, first impressions can be deceiving.

You Can't Go Wrong Doing Right Lulu.com

Marvin English is a prominent name in Hollywood, mainly because he is married to a Broadway superstar, and for no other reason. He considers himself a talent Agent. Someone who can provide a new face to Hollywood and make them a star. Sound familiar? His business is done out of a Los Angeles apartment and all six bedrooms have been converted into offices. His business is providing celebrities for commercials, events and public appearances. He is also known for offering and providing a safe haven where he can take his paramours. Yes, he is a cheater of the worst kind. When he would bring his mistresses to the apartment/office, the staff was given warning to leave the office immediately. Marvin is not unlike others who play the same kind of game.

Promises that never happen, false joys of excitement only to be disappointed; and dinners and events where the payoff is what happens afterwards. Producers, Directors and other well known people can take advantage of someone new to L.A., but not all of them do it. This book sheds light on some of the activities you might see if you were to become involved in show business. With the ups, downs and dog-eat-dog daily rituals, its what turns some really nice people into back-stabbers Success!

Christian Faith Publishing, Inc.

What do science and art have to do with dog training? The science teaches you the nuances of how dogs learn. The art helps you to be more clear and inventive if your dog doesn't quite understand what you want. You will learn about breaking down behaviors using a positive, proactive approach which is a big part of the modern process of dog training.

Step by step instructions will help make what may seem insurmountable into something much simpler. This book will take you through it all:

- A look at the science behind modern training techniques and why they really work.
- Expert advice on basic training – sit, down, stay, come, door etiquette and loose leash walking.
- Addressing jumping, biting, stealing and other misbehaviors.
- Helping your dog become a Canine Good Citizen.

Life mirrors dog training. The effort you put in now will yield you many rewards, both immediately and for years to come.

### **What experts are saying about *You Can Train Your Dog!*:**

Pam Dennison has done it again! She has written a fabulous book about training dogs that will benefit both the pet owner and novice or professional instructor. This in-depth volume bears Pam's signature stamp of breaking tasks into small steps that make learning effective and fun for dog and human alike. When I think of Pam, I think of someone who really "gets" dogs and who stands out in her ability to teach using practical, simple, realistic, and effective dog-friendly methods. This wonderful book is chock full of easy to follow approaches that work with family dogs, working dogs, high-performance dogs, and dogs with problems. It is precisely because of its practicality and comprehensiveness that I plan to use this book in my Animal-Assisted Play Therapy training program. This is an absolute must-read for everyone who trains their own or others' dogs!

**Risë VanFleet**, PhD, RPT-S, CDBC Founder, The Playful Pooch Program, Author of the award-winning *Play Therapy with Kids & Dogs* and *The Human Half of Dog Training: Collaborating with Clients to Get Results*

Wow! This book has it all. From basics and animal husbandry through to Premack and control games. If we had more well planned books like this in our stores there would be less problem dogs on our streets! Pamela does a great job of deciphering the science behind dog training in this user friendly guide to having a great dog!

**Nando Brown**, IMDT, CAP2, FSG1, FFITT

I love how Pam makes the science and art of training a dog understandable for all caregivers. By using this book you will not only understand how your dog learns, but teach him step by step many important behaviours; from preparing him for vet visits to teaching him to walking on a loose lead. You can enhance the relationship you have with your dog and the relationship he has with you by reading this excellent book.

### **Don't Wound What You Can't Kill**

Xlibris Corporation

I am trying to share some lessons learned in life and corporate America so that others can avoid the same mistakes I made along the way and enjoy a more successful and balanced life. How did a regular guy competing around peers with the highest of educational pedigrees in the country rise

to the top levels of corporate America? What skills did it take for him to earn millions of dollars working in a company rated "Most Innovative" by Fortune Magazine for six consecutive years? How did he maintain his personal values while sitting on the executive committee of a company that succumbed so spectacularly to scandal and downfall? In *Just Because You Can Doesn't Mean You Should: Keys to a Successful Life*, author and former Enron employee Mike S. McConnell shares his unique tips for success. He combines specific personal and business lessons, experiences, affirmations, and actions that have made him the person he is today, including: Keeping a journal; writing down thoughts and keeping perspective. Living with an attitude of gratitude and keeping it. Living with passion in everything you do. Keeping a positive attitude in difficult times. Using goals and objectives to achieve success

### **A Vanessa Sterling Suspense Novel**

St. Martin's Press

The characters in these pages have gone through some stuff. They've been tricked out of money, given up their innocence, and even ended up accidentally traveling through time with the Devil. They've thought they'd killed people and even actually done it. They've come out, struggled with eating disorders and OCD, and even had to take on parenting responsibilities all by themselves. *What Doesn't Kill You: An Anthology of YA Short Fiction* features two-time National Book Award Finalist Eliot Schreier as well as Scholastic PUSH author Matthue Roth among a group of two-dozen distinguished writers from all over the United States and Canada who claim to have survived the harrowing passage of their teenage years but sometimes just barely! They hope these stories will help you survive too since they know being a teenager often feels like an impossible task, like it's trying to kill you for no apparent reason. If you've ever felt like the world's out to get you, then this book's for you.

**You Can't Beat the Issues** Notion Press

2021 NATIONAL EXCELLENCE IN STORY TELLING FINALIST NOW A #1 BESTSELLER IN MEDICAL ROMANCE\* "This book has the perfect amount of banter, chemistry, loyalty, drama, friendship and love." -Louise, Romance, Movies, and Books Blog From award-winning and international best-selling author Melanie A. Smith comes a series of steamy contemporary medical romance standalone novels about life lessons that break all the rules. Money can't buy happiness, but neither can pride ... Julianna Magnusson is tired of working her tail off at her thankless job as a nurse practitioner for the cardiac unit at Rutherford Hospital. Tired of having little to no time for her own life. But most of all, she's tired of pretending that she's happy about it all. So when her boss insists she attend the annual hospital charity gala, spending a ton of money on a dress to impress a bunch of stuck-up snobs doesn't exactly sound like her idea of a good time. Still, ever the dutiful employee, she makes an appearance. Only to meet a handsome stranger named Noah who stops her from drunkenly confronting the man who owns the hospital about all the issues at work. Then Noah does so much more, giving her a night of passion that she'll never forget. Still, Jules has no intentions of taking it further. As timely as meeting him was, Noah is many things she'd never want in a man: Clearly elitist, arrogant, and bossy, he's nothing more than a one-night stand. Which was a great plan until he turns up at her hospital with a mind to shake things up in a way that could affect her career and her decision to write him off, igniting an epic battle between them as the chemistry that sparked the initial attraction transforms into a battle of wills. Their clash could jeopardize everything Jules has worked for — or, if she can look past her own pride, it might lead to everything she needs. In the fight between what we think we want and what life has in store for us, what wins? \*AZ 9/11-16/2021

iUniverse

An unforgettable account of a quietly remarkable life, Robert Brown's memoir takes readers behind the scenes of pivotal moments from the 20th century, where the lessons he learned at his grandmother's knee helped him shape America as we know it today. Called "a world-class power broker" by the Washington Post, Robert Brown has been a sought-after counselor for an impressive array of the famous and powerful, including every American president since John F. Kennedy. But as a child born into poverty in the 1930s, Robert was raised by his grandmother to think differently about success. For example, "The best way to influence others is to be helpful," she told him. And, "You can't go wrong by doing right." Fueled by these lessons on humble, principled service, Brown went on to play a pivotal, mostly unseen role alongside the great and the powerful of our time: trailing the mob in 1950s Harlem with a young Robert F. Kennedy; helping the white corporate leadership at Woolworth integrate their lunch counters; channeling money from American businesses to the Civil Rights movement; accompanying Coretta Scott King, at her request, to Memphis the day after her husband had been shot; advising Richard Nixon on how to support black entrepreneurship; becoming the only person allowed to visit Nelson Mandela in Pollsmoor prison in Cape Town. Full of unbelievable moments and reminders that the path to influence runs through a life of generosity, *YOU CAN'T GO WRONG DOING RIGHT* blends a heartwarming, historically fascinating account with memorable lessons that will speak to the dreamer in all of us.
