Who Changed a deep impact  
the World on the  
Series brings business  
significant world. Their  
moments from determination  
the to meet their  
professional goals and the  
and personal challenges  
lives of they  
entrepreneurs overcame to

succeed, make their stories unique and inspirational. One of the world's richest people today, Bill Gates was so certain about setting up Microsoft as a young man that he decided to drop out of Harvard University to pursue his dreams, and the rest is history. Gates channelled his inherent rebellious streak into establishing a business empire. His adaptability and foresight in the

constantly evolving world of technology has enabled him to grow his company and focus on philanthropic work. Get to know him better and incorporate lessons from his life on your path to success! George Ilian has made his mark on the digital industry, owning an e-book business among other endeavours. He is the author of 18 books in the genre of business and motivation. *an*

*introduction, Sanskrit text, English translation & notes* Penguin Random House India Private Limited  
For all of India's myths, stories and moral epics, Indian history remains a curiously unpeopled place. In *Incarnations*, Sunil Khilnani fills that space, recapturing the human dimension of how the world's largest democracy came to be. His trenchant portraits of emperors,

warriors, philosophers, film stars and corporate titans—some famous, some unjustly forgotten—bring feeling, wry humour and uncommon insight to dilemmas that extend from ancient times to our own. Jaico Publishing House One of the greatest figures of wisdom and knowledge in the Indian history is Chanakya. Chanakya is regarded as a great thinker and diplomat

in India who is traditionally identified as Kautilya or Vishnu Gupta. Originally a professor of economics and political science at the ancient Takshashila University, Chanakya managed the first Maurya Emperor Chandragupta's rise to power at a young age. Instead of acquiring the seat of kingdom for himself, he crowned Chandragupta Maurya as the emperor and served as his chief advisor. Chanakya

Neeti is a treatise on the ideal way of life, and shows Chanakya's deep study of the Indian way of life. These practical and powerful strategies provide a path to live an orderly and planned life. If these strategies are followed in any sphere of life, victory is certain. Chanakya also developed Neeti-Sutras (aphorisms ? pithy sentences) that tell people how they should behave.

Chanakya used these sutras to groom Chandragupta and other selected disciples in the art of ruling a kingdom. But these sutras are also relevant in this modern age and are very useful for us. For the first time, Chanakya Neeti and Chanakya Sutras are compiled in this book to make Chanakya's invaluable wisdom easily available to the common readers. This

book presents Chanakya's powerful strategies and principles in a very lucid manner for the benefit of our valuable readers.

### **CHANAKYA NITI ON CORRUPTION**

Portfolio Sri Ramana Maharshi is widely thought of as one of the most outstanding Indian spiritual leaders of recent times. Having attained enlightenment at the age of 16, he was drawn to the holy mountain

of Arunachala in southern India, and remained there for the rest of his life. Attracted by his stillness, quietness and teachings, thousands sought his guidance on issues ranging from the nature of God to daily life. This book brings together many of the conversations Maharshi had with his followers in an intimate portrait of his beliefs and teachings. Through these conversations, readers will

discover Maharshi's simple discipline of self-enquiry: knowing oneself and looking inwards as the road to true understanding and enlightenment . This updated edition will appeal to anyone looking for peace, self-awareness, and guidance on how to embrace the self for well being and calm.  
*Puffin Lives*  
 Jaico Publishing House  
 This is an extraordinary

detailed manual on statecraft and the science of living by one of classical India's greatest minds. Kautilya, also known as Chanakya and Vishnugupta, wrote the Arthashastra not later than 150 AD. His genius is reflected in this volume, which is the most comprehensive treatise of statecraft of classical times.  
Chanakya: His Teachings and Advice SAGE Publications India

Ancient Wisdom for Daily Inspiration  
 "CONQUER YOURSELF TO REMAIN UNBEATABLE. On your path to success, both the biggest hurdle and the biggest support is your own mind - depending on how you have trained it." - CHANAKYA No school or university teaches us how to make friends, have a successful career, maintain a healthy married life, run a family or

live life in general. How many times have we wished for a roadmap to navigate the confusing landscape of daily-life, to have a guidebook to show us the way? In his much-awaited book *Thus Spoke Chanakya*, bestselling author Radhakrishnan Pillai decodes ancient texts from the illustrious Kautilya's Arthashastra within the context of modern times and doles

them out in short, crisp passages for everyday practice and use. A perfect read for those who yearn to master the teachings of Chanakya for overall success. Radhakrishnan Pillai is the bestselling author of *Corporate Chanakya*, *Chanakya's 7 Secrets of Leadership*, *Chanakya in You and Katha Chanakya*. He has a PhD in Kautilya's Arthashastra and a Master's degree in Sanskrit. A renowned

management consultant and speaker, he heads the Leadership Center at the University of Mumbai.

Basic Approach

Developed as a comprehensive introductory work for

scholars and students of ancient and early medieval Indian history, this book provides the most exhaustive overview of the subject. Dividing the

vast historical  
 expanse from  
 the stone age  
 to the 12th  
 century into  
 broad  
 chronological  
 units, it  
 constructs  
 profiles of  
 various  
 geographical  
 regions of the  
 subcontinent,  
 weaving  
 together and  
 analysing an  
 unparalleled  
 range of  
 literary and  
 archaeological  
 evidence.  
 Dealing with  
 prehistory and  
 protohistory of  
 the  
 subcontinent  
 in  
 considerable  
 detail, the  
 narrative of  
 the historical

period breaks  
 away from  
 conventional  
 text-based  
 history  
 writing.  
 Providing a  
 window into  
 the world  
 primary  
 sources, it  
 incorporates a  
 large volume  
 of  
 archaeological  
 data, along  
 with literary,  
 epigraphic,  
 and  
 numismatic  
 evidence.  
 Revealing the  
 ways in which  
 our past is  
 constructed, it  
 explains  
 fundamental  
 concepts, and  
 illuminates  
 contemporary  
 debates,  
 discoveries,

and research.  
 Situating  
 prevailing  
 historical  
 debates in  
 their contexts,  
 Ancient and  
 Early Medieval  
 India presents  
 balanced  
 assessments,  
 encouraging  
 readers to  
 independently  
 evaluate  
 theories,  
 evidence, and  
 arguments.  
 Beautifully  
 illustrated  
 with over four  
 hundred  
 photographs,  
 maps, and  
 figures,  
 Ancient and  
 Early Medieval  
 India helps  
 visualize and  
 understand  
 the  
 extraordinarily

rich and varied remains of the ancient past of Indian subcontinent. It offers a scholarly and nuanced yet lucid account of India's early past, and will surely transform the discovery of this past into an exciting experience. Tabel of Contents List of photographs List of maps List of figures About the author Preface Acknowledgements A readers guide 1. Understanding Literary and Archaeological Sources 2. ### **Chanakya's 7 Secrets of Leadership**

Hackett Publishing  
One of the greatest figures of wisdom and knowledge in the Indian history is Chanakya. Chanakya is regarded as a great thinker and diplomat in India who is traditionally identified as

Kautilya or Vishnu Gupta. Originally a professor of economics and political science at the ancient Takshashila University, Chanakya managed the first Maurya Emperor Chandragupta's rise to power at a young age. Instead of acquiring the seat of kingdom for himself, he crowned Chandragupta Maurya as the emperor and served as his chief advisor. Chanakya Neeti In Tamil is a treatise on the

ideal way of life, and shows Chanakya's deep study of the Indian way of life. These practical and powerful strategies provide a path to live an orderly and planned life. If these strategies are followed in any sphere of life, victory is certain. Chanakya also developed Neeti-Sutras (aphorisms - pithy sentences) that tell people how they should behave. Chanakya used these

sutras to groom Chandragupta and other selected disciples in the art of ruling a kingdom. But these sutras are also relevant in this modern age and are very useful for us.

### **CHANAKYA NITI EVAM KAUTILYA ARTHSAST RA**

Random House India  
Kautilya, also known as Chanakya, is India's most illustrious political economist of all time. He

regarded economic activity as the driving force behind the functioning of any political dispensation. In fact, he went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system. Kautilya advocated limiting the taxation power of the State, having low rates of taxation, maintaining a

gradual increase in taxation and most importantly devising a tax structure that ensured compliance. He strongly encouraged foreign trade, basing it on the premise that for a successful trade contract to be established, it had to be beneficial to all. He emphasised State control and investment in land, water and mining. Kautilya was a true statesman who bridged

the gap between experience and vision. For Kautilya, good governance was paramount. He suggested built-in checks and balances in systems and procedures for the containment of malpractices. Many postulates of Kautilya's philosophy of political economy are applicable to contemporary times.

**Kauṭīliya Arthaśāstra**  
Jaico Publishing House

The essential writings of Dharampal compiled and edited by his daughter Gita Dharampal *Glimpses of how Chanakya tackled menace of corruption 300 BCE in India?* Diamond Pocket Books (P) Ltd. Chanakya was undoubtedly ancient India's finest political strategist and thinker. His brand of wisdom is ageless and immitable. This volume forcefully impress upon one, the need and the permenance

of a moral code. The book has a large smattering of pithy observations on women, family life, human relationships, moral conduct and spirituality. Chanakya's startling prophecies, meaningful reflections on everyday living and headed axioms, make this book a rich repository of profundity and reason. *A History of India in 50 Lives* Penguin Books India Corporate

 Contributed articles.  
*101 Inspiring Stories* One Point Six Technology Pvt Ltd  
 In this provocative and scholarly book, Kanchari Ilaiah Shepherd propounds a view of Gautama Buddha as India's first social revolutionary. Buddha did his best to give the principles of

tribal democracy and egalitarianism a sanctuary in his own sangha. In so doing, he foreshadowed modern India's experiment with parliamentary democracy. Critical of the caste system, Buddha inducted low caste members into the sangha and made them his trusted advisers. He gave women an honoured place in the sangha. Dissent was indeed

permitted, and even Buddha was not above the law. Pre-dating Socrates and Plato by some years, Buddha also foreshadowed key elements of their philosophy. Steve Jobs: Success Secrets V&S Publishers Chanakya's Chant is a racy and gripping account on Chanakya, one of the greatest political strategists India has seen. The story changes track as it

narrates the tale of Gangasagar Mishra, the reincarnation of Chanakya, in parallel. Will he be the next kingmaker? Gangasagar Mishra, a denizen of a quaint old Indian town, is no ordinary man. Society sees him as a Brahmin teacher who can barely make ends meet, but he's the reincarnation of the man who brought the fragmented subcontinent together under a single empire -

Chanakya. Chanakya's Chant by Ashwin Sanghi gives its readers a look into two parallel worlds that are tied together by the intelligence of the main protagonists. The first story is set in 340 BC, when a young Brahmin man, fueled by the death of his father, vows revenge against the king and overthrows his rule by bringing in Chandragupta Maurya, the first emperor of the Maurya

Dynasty. The scene then shifts to modern day India, where Gangasagar Mishra leads his life as a nonentity - until he decides to groom an ambitious girl from Kanpur into India's prime minister. Will Chanakya's manipulative mechanisms change the face of the nation again? The book takes readers on a joyride through Chanakya's cold and calculating moves. Chanakya's

Chant was very well received by critics and readers. Renowned bureaucrat and writer Shashi Tharoor released the book in Mumbai and termed it a gripping and delightful read. The book is a historical account, but features many colloquial terms too.

### **PHILOSOPHY OF STRATEGY**

Classics Press Chanakya's Arthashastra is an unrivalled

political treatise that has been used by scholars, academics and leaders across the world. In Chanakya and the Art of Getting Rich, Radhakrishnan Pillai brings out the inherent lessons from Arthashastra to present a strategic and practical way of wealth creation. This is a holistic study, written for anyone and everyone.

**THE FIRST  
GREAT  
POLITICAL  
REALIST**

Jaico

Publishing House Chanakya is an unrivalled personality whose parallel cannot be found in history. Many people admire him for his wisdom and practical maxims, while many despise him for his unscrupulousness. Nonetheless, there is no one who is not awed by him. He was a shrewd politician, a master strategist, a crafty tactician, and an able administrator. He

demolished a stale kingdom and an arrogant dynasty to establish a powerful and united kingdom. This book is a peek into the life of this unmatched thinker. It also discusses his teachings and principles, which are still as contemporary and relevant to the modern times as they were myriads of years ago. Meant for all those who want to achieve an enviable position in life, the book will

help you earn unprecedented power and success, and rule the world like Chanakya did.

*Sanskrit, Transliteration, and English Translation with an Exhaustive Introduction*

Penguin UK

Mostly we all know

Chanakya by name.

Chanakya who was born around 3rd BC in Bharat (now Hindustan), astute, shrewd and ruthless political master.

Equally selfless and patriotic teacher who

politically united the small states post invasion of Greeks and reclaimed the boundaries of Bharat stretching from Puruvarsha (Persia, now Iran), Gansthan (now Afghanistan) to far east of Magadh (Bihar state of India).

We know Chanakya for his Niti-shashtras, for his voluminous work on economy, maxims of wisdom and intelligence.

But we do not know much

about minute details with which he governed the country at that time. We do not know, during his time of around 3rd BCE, at how much advance stage the economy, public life, administration, industries, defence mechanisms, taxations, public-private partnerships, foreign policy, judicial systems, banking and accounting systems ..... were there in India. It seems, they all were in more than

<p>perfect stage compared to present scenario factoring advancement in science and technology etc. We will look at each of them one by one. In this book, “Chanakya Niti on Corruption”, we will take a look at corruption. What Chanakya thinks about sources of corruption, ways of finding about corruption, judgements and punishments of corruptions etc. Chanakya</p>	<p>knows very well that just like it is impossible to know when and how much water a fish drinks, it is utmost difficult to know how much money government officials steal away while in charge of it. Knowing human nature which succumbs to greed, fear, lust, anger or any such tamas gunas, and indulges in acts of corruption to accumulate wealth in the country or outside. Chanakya</p>	<p>keeps eye on conduct and life style of not only ministers, but all levels of the government officials too. Chanakya takes multi pronged approach to tackle and eradicate corruption. He knows that by establishing one department to tackle corruption problems are not going to be solved, instead will increase many fold later when that department itself becomes corrupt</p>
---	---	--

eventually. He relies on spying, continuous intelligence gathering, harsh punishments leading to deaths, rewards who bring to notice acts of corruptions by officials etc, promotions and rewards to who do their job righteously. Not only that, 3rd century BC, do you imagine there were clear cut rules and guidelines how to write account books, !. At that time, he knew that

what impact it creates on overall economy and nation building, if sanctioned amount for projects are not utilised actually? Chanakya knows corruption is contiguous, and he tackles such problems too with well laid out and practical laws to follow at that time. Looking at the crux of the guidelines what Chanakya outlines, it seems that essence of those laws are applicable still

today with more verbatim or expansion of words to suite and cover present scenarios. But, the essence remains same. He knew that in corruption free country, trade and business, entrepreneurs hip and industries flourishes and so overall wealth, health and security of the nation. I hope reading this book "Chanakya Niti on Corruption", will open up a window to explore further on how an Indian

political guru administered this nation 3rd century BCE. *Selections from the Classic Indian Work on Statecraft* Jaico Publishing House This book provides an analysis of one of the ancient world's foremost political realists, Kautilya. Kautilya's treatise Arthashastra stands as one of the great political books of the ancient world, its ideas on the science of

politics strikingly similar to those of Thucydides, Machiavelli, Hobbes, Clausewitz, and even Sun Tzu. The author's commentary on Kautilya's text draws out the essential realist arguments for modern political analysis and demonstrates the continued relevance of Kautilya's work to modern Indian strategic thinking and our understanding of the relationship

between politics and economics. Striking a balance between textual analysis and secondary scholarship, this work contributes to the study of ancient Indian history, Eastern political thought, and international relations. *Thus Spoke Chanakya* Jaico Publishing House Visionaries Who Changed the World Series brings significant moments from the

professional and personal lives of entrepreneurs who have had a deep impact on the business world. Their determination to meet their goals and the challenges they overcame to succeed, make their stories unique and inspirational. Given up for adoption by his biological parents, Steve Jobs - the American entrepreneur and businessman, is the most recognizable face of

technology giant Apple Inc. today. He took control of his life and always sought new experiences to enhance his learning, working hard to turn his dreams into reality. Known for his foresight, he constantly sought to present cutting-edge gadgets in the market and create a demand for it. Removed from the company he founded in a twist of fate, he propelled Pixar Entertainment as a

forerunner in digital animation. His constant efforts to improve technology and design reveal his humility and passion for the work that he was doing. Take a peek into the life of this iconoclast and learn to forge your own path! George Ilian has made his mark on the digital industry, owning an e-book business among other endeavours. He is the author of 18 books in the genre of

business and motivation.
