This book discusses policy instruments for sustainable infrastructure developments. Railways are one of the most important developmental instruments of a region, province, or country. They play a crucial role in economic development, urban growth, urban mobility, regional susceptibility, market integration, and world trade. Railways are an integral part of

regional and urban development, both in terms of freight and passenger transport. By offering case studies from various regions and cities in South Asia, this book examines the evolution of railway transportation and the impact of these infrastructure projects on regional and urban development. It examines the interactions between evolving infrastructures and competing demands and considers the negative and positive externalities of railway transportation for people, places, and locations. The contributions analyze issues such as network infrastructure planning and technological

development,
passenger mobility and
satisfaction,
vulnerability to
environmental impacts,
and cross-border trade.

RAILWAY TRANSPORTATION IN SOUTH ASIA

Railway Times Jagran Josh Reports for includes the distribution return of gazetted establishments of

miscellaneous offices and other railways. *Employment News 16-30 September 2017 e-Book* Jagran Prakashan Ltd. Following an experimental railway track at Chintadripet, in 1835, the battle for India's first railroad was fought bitterly between John Chapman's Great Indian Peninsular Railway and Rowland MacDonald Stephenson's East India Railway Company, which was merged with Dwarkanauth Tagore's Great Western of Bengal Railway. Even at the height of the Mutiny of 1857, Bahadur Shah Zafar promised Indian owned railway tracks for native merchants if Badshahi rule was restored in Delhi. From

Jules Verne to Rudyard Kipling to Mark Twain to Rabindranath Tagore to Nirad C. Chaudhuri to R.K. Narayan and Ruskin Bond-the aura of Indian trains and railway stations have enchanted many writers and poets. With iconic cinematography from The Apu Trilogy, Aradhana, Sonar Kella, Sholay, Gandhi, Dil Se, Parineeta, Barfi, Gangs of Wasseypur, and numerous others, Indian cinema has paved the way for mythical railroads in the national psyche. The Great Indian Railways takes us on a historic adventure through many junctions of India's hidden railway legends, for the first time in a book replete with anecdotes from imperial politics,

European and Indian accounts, the battlefronts of the Indian nationalist movement, Indian cinema, songs, advertisements, and much more, in an ever-expanding cultural biography of the Great Indian Railways. Dubbed as 'one of a kind' this awe-inspiring saga is 'compulsive reading.' 'In this fascinating cultural history, Arup K Chatterjee charts the extraordinary journey of the Indian Railways, from the laying of the very first sleeper to the first post-Independence bogey. It evokes our collective accumulation of those innumerable memories of platform chai and rail-gaadi stories, bringing alive through myriad voices and tales the biography of

one of India's defining public institutions.' - Shashi Tharoor, Author, M.P., Lok Sabha 'The Great Indian Railways is a fascinating and well-researched cultural biography of the Indian Railways- those intricate arteries of the soul of India, as have been experienced, written, filmed, and dreamed. We cannot all travel by rail to know India, as Gandhiji did, but we can and should read this book!' - Tabish Khair, Author, Professor

In this edition, we have featured the developments about the Delhi Metro which celebrated its 27th anniversary recently. We have discussed how the world's first metro rail system was built in London? Based on feedback received from the readers, we have also started a knowledge series to

keep readers updated on metro rail technology. We have covered the interviews of Mr. Achal Khare, Managing Director, National High Speed Rail Corporation (NHSRCL), Mr. Ashutosh Shukla, Director (Transportation & Mobility), Schneider Electric India and Mr. Luong Vo Ta, General Director, Vinh Hung JSC, Vietnam. These leaders have made a huge success in their respective fields despite the covid-19 impact on the industry. [The Engineering Index](#) Jagran Prakashan Ltd.
