**THE WAY OF ST  
FRANCIS**

Camino Guides  
The Camino de Santiago de Compostela (Camino Francés or Way of St James) is among the world's most famous pilgrimages: Christian pilgrims have travelled to the shrine of St James in

Santiago, northern Spain, since the ninth century. This guide provides all the information you need to successfully cycle the Camino. The Camino Francés is the most popular variant of the Camino, linking St Jean-Pied-de-Port on the French-Spanish border with Santiago via Pamplona, Burgos and León. The guide presents the journey in 18 stages. Two versions of the route

are described, the first (770km) based closely on the walkers' route and suitable for hybrid or mountain bikes; the second (798km) a 'road route' for road and touring cycles. It can be cycled in around 10-14 days and is very well provisioned. Clear route description and mapping are accompanied by notes on local points of interest, as well as background information on Spanish

history and the history of the Camino. The practicalities are also thoroughly covered, including travel to and from the route, accommodation, facilities, kit and how to qualify for and obtain your Compostela (pilgrims' certificate). Whether you're seeking a spiritual journey, a physical challenge or just a holiday, the Camino promises an unforgettable experience - from the beautiful landscapes, historic towns and rich culture of northern Spain

to the famed camaraderie with other wayfarers. Blending information with inspiration, this guide is an ideal companion to cycling this UNESCO-listed route.

*Camino de Santaigo Map*  
Harper Collins

Spiritual seekers and travelers will find all the resources they need to walk the Way of Saint James in this complete set of maps and town plans translated into English, Spanish, and French. Light enough to carry while walking long distances, the maps show all pilgrim

hostels en route and the distances between all villages and points of interest.

### **A Survival Guide to the Camino de Santiago in**

**Galicia** Camino Guides

The route of St Jean Pied de Port in the foothills of the French Pyrenees to Santiago de Compostela represents one of the most popular Christian pilgrimages in the world. Walked by millions over the millennia it represents a force for spiritual transformation. This title offers a guide to the pilgrimage, including a

fold out map and route planner, 33 daily stage maps with contour guides, 10 town maps including Santiago, a Sun Compass, to orientate your direction and information on all pilgrim hostels along the way together with details of alternative accommodation.

*Cycling the Camino de Santiago* Cicerone PressLtd

This Village to Village Guide to Hiking the Camino de Santiago is a comprehensive guidebook to walking the Way of Saint James, from Saint-

Jean-Pied-de-Port to Santiago de Compostela (the Camino Frances), and also the Camino Finisterre to Muxia and Finisterre. Now fully updated in 2016, and lighter than ever! This Camino guidebook includes full-colour detailed topographical stage maps of each day's walk with free GPS files online; 135 detailed stage, city and town maps; essential practical information on transport, accommodations and services. It includes detailed listings of pilgrim

hostels (albergues) and private accommodations in each town, including prices, amenities, number of beds, contact information, open seasons, and more. There are regional introductions to the different areas along the Camino including information about traditional foods, flora and fauna, and local culture plus overviews of dozens of medieval pilgrim sites, with information about the historical context of the pilgrimage.

**St. Jean Pied de**

**Port/Roncesvalles to Finisterre Via Santiago de Compostela**

Pili Pala Press

Guidebook detailing the 800km cycle route from St Jean-Pied-de-Port in southern France to Santiago de Compostela, following the original pilgrim route, with optional road variants. Suitable for most abilities and bikes, the route is presented in 19 stages averaging 45km each, with notes on the religious significance and local sites of interest.

*Camino de Santiago Footprint Focus Guide*  
Cicerone Press Limited  
Revised and updated for 2018. The only Camino guidebook written by a person who works as a guide on the Camino and who gets to walk regularly to Santiago de Compostela. This guidebook covers the last 159 kilometres (roughly 100 miles) to Santiago on the French route. Or in other words, it covers the section of the Camino in

Galicia, starting on the border with Castile and ending in Santiago de Compostela. The guidebook is organised in eight chapters that correspond to the commonly suggested daily stages to be covered on foot. There is also a final chapter for the city of Santiago de Compostela, a general introductory chapter and an annex on general Spanish culture. Each chapter describes a departure town and a town of arrival, the distance to be covered on

each stage and information about the villages, hamlets and other points of interest you will walk by. Each chapter also has a series of miscellaneous information snippets that can be historical, religious, artistic, or anything else related to Spanish and Galician culture and/or customs. This is a guidebook that will help you understand and appreciate Spanish idiosyncrasy, usually the most intriguing, and at times frustrating, part of a trip for travellers. This is

also a guidebook that provides insider insight and information about the Camino; information on where you are walking, why you are looking at things, what you are eating and how to make the most of your experience; all that stuff that is not readily available to travellers from abroad. In a nutshell, this is a guidebook written by a Spanish pilgrim for pilgrims from abroad.

## **EL CAMINO DE SANTIAGO**

Aurum Press Limited

Now updated to include newer maps and photos and weighing less to support carefree traveling, these comprehensive guidebooks to the Camino de Santiago and its offshoots contain all the information needed by modern-day pilgrims wishing to walk the sacred Way of St. James. Overview route planners plus daily stage maps and detailed town plans help sojourners with as much advance preparation as they need. The maps feature contour guides to

help distinguish the terrain that will be crossed each day, while full information on all pilgrim hostels, as well as details for alternative accommodation, allow travelers to plot adequate nightly stopping points. All reference information is accompanied by helpful spiritual guidelines to support the seeker's inner journey as well as the outer pilgrimage. Otherwise known as the Camino Francés, the main route covered in this volume is the most popular sacred route

through Spain, from St. Jean Pied de Port to Santiago.

Two best friends, 500 miles, one wheelchair, and the challenge of a lifetime. Friendship takes on new meaning in this true story of Justin and

Patrick, born less than two days apart in the same hospital. Best friends their whole lives, they grew up together, went to school together, and were best man in each other's weddings. When Justin was diagnosed with a neuromuscular disease that robbed him of the use of his arms and legs, Patrick was there, helping to feed and care for him in ways he'd never imagined. Determined to live life to the fullest, the friends refused to give into despair or let physical limitations control what

was possible for Justin. So when Justin heard about the Camino de Santiago, a 500-mile trek through Spain, he wondered aloud to Patrick whether the two of them could ever do it. Patrick's immediate response was: "I'll push you." *I'll Push You* is the real-life story of this incredible journey. A travel adventure full of love, humor, and spiritual truth, it exemplifies what every friendship is meant to be and shows what it means to never find yourself alone. You'll discover how love and

faith can push past all limits—and make us the best versions of ourselves.

### **WALKING TO THE END OF THE WORLD**

University of Chicago Press

About this book This book is a diary of what I felt while walking the Camino de Santiago. Camino is translated as road, but in this book, it means the French road, that is, Camino Francés Códex Calixtinus s. IX, and Camino village refers to the village through which

this Camino passes. Records in 2013 and 2017 were reported in parallel. I tried not to stuff the words so that the feeling is not processed. There are some rough expressions. In some cases, the same content is repeated over and over again. Korean dialects are sometimes used. Local language pronunciation is also included. In the French road picture, the route represents the distance on the map, and the trip is the distance recorded with the GPS app. The remaining

distance to Santiago is also listed. There was a loving encouragement from my wife Soonjeen. There was the unchanging faith of our children. There was a warm devotion of my wife's elder sister. There was a beautiful friendship of my old respectable friend. Thank you to the people of the Camino who shared comfort and encouragement with Buen Camino. Beware, I dedicate this book to those who died walking the Camino. About Camino de Santiago The

Camino de Santiago is the road to the Santiago Cathedral in the city of Santiago de Compostela, in the northwestern part of Spain, where the remains of Saint James are enshrined. One of the twelve apostles, Saint James, was a missionary to the Iberian Peninsula as well as to Judea, and was arrested in Jerusalem in 44 AD and was the first martyrdom of the twelve apostles. In Acts 12:1-2, it is said, 'It was about this time that King Herod arrested some who belonged to the church,

intending to persecute them. He had James, the brother of John, put to death with the sword.' It is called Santiago in Spanish, Saint James in English, and Saint Jacques in French. Medieval pilgrims departed from their homes on foot or on horseback to go to the Cathedral of Santiago. Currently there are about 100 routes, and new routes are still being created. The four major routes in France, the Swiss route from St. Gallen in Switzerland, and the routes from Portugal

and the UK are typical. Statistics show that in 2015 alone, 54,646 pilgrims from 114 countries passed through the Camino Francés, so to say, French roads, through the village of Saint Jean-Feed-fort in southern France. By country, the number of French people is the highest with 9,451, Koreans with 2,939, ranking 7th, Japanese with 523 and Chinese with 133.

The Camino Ingles and Ruta do Mar NavPress

You can count on Rick Steves to tell you what you really need to know when traveling in Italy. From the beaches to the Alps, from fine art to fine pasta, Italy has it all. With

this book, you'll trace Italian culture from Rome's Colosseum to Michelangelo's David to the bustling elegance of Milan. Experience the art-drenched cities of Venice and Florence, explore the ancient ruins of the Roman Forum, and learn how to avoid the lines at the most popular museums. Discover the villages of Tuscany and Umbria and the lazy rhythms of the Cinque Terre. Shop at local market stalls, sip a cappuccino at an outdoor café, and pick up a picnic

lunch at an allimentari. Relax and enjoy the life of Bella Italia! Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

## ODA

This lightweight, minimalist map guide offers all the detailed maps, accommodations listings, and stage overviews available in the full Camino Francés Village to Village Guide, condensed to an ultralight 96 pages. The Camino Francés begins in picturesque Saint-Jean-Pied-de-Port in France, crosses the Pyrenees and Basque country and the high plateau known as the Meseta before entering the misty mountains of Galicia. This 500-mile

journey arrives to the Cathedral in Santiago de Compostela, where the bones of Saint James are said to reside. With full-color stage maps and city maps, you'll always know where you and where you're going. Detailed accommodations listings show everything you need to know about pilgrim hostels (albergues) as well as private accommodations for each budget. Planning and route tips keep you informed, in a pocket-sized book that weighs just 100 grams. All the

information you need (without any fluff) to walk the 500-mile classic Camino Francés, a pilgrimage experience across northern Spain.

### **ST JEAN - SANTIAGO - FINISTERRE (VILLAGE TO VILLAGE GUIDE)**

Createspace Independent Publishing Platform  
Here Paulo Coelho details his journey across Spain along the legendary road of San Tiago, which pilgrims have travelled since Middle Ages. On this contemporary quest, he encounters a Chaucerian

variety of mysterious guides and devilish opponents and learns to understand the nature of truth through the simplicity of life. The Pilgrimage holds an important place in Paulo Coelho's literary canon. His first book, it not only paved the way for his phenomenal novel *The Alchemist*, but it also fully expresses his humanist philosophy and the depth of his unique search for meaning.

*The Caminos Norte, Primitivo and Ingles*  
Createspace Independent

Pub

This guidebook describes the Way of St Francis a 550km month-long pilgrimage trail from Florence through Assisi to Rome. Split into 28 day stages, the walk begins in Florence and finishes in the Vatican City. Stages range from 8km to 30km with plenty to see, including ancient ruins, picturesque towns, national treasures, and stunning churches. This comprehensive guidebook fits in a jacket pocket or rucksack, and contains information on everything

from accommodation and transport in Italy, to securing your credential (pilgrim identity card), budgeting, what to take, and where to do laundry. Stories of Francis of Assisi's life are also included. Although the

route includes climbs and descents of up to 1200m, no special equipment is required - although your hiking boots and socks definitely need to get along. Following the steps of heroes, conquerors and

saints on this pilgrim trail is manageable all year round, but is best done from April to June and mid-August to October. Route maps are given for every stage, and basic Italian phrases are included in the guidebook.
