OXFORD PRACTICE GRAMMAR ADVANCED SUPPLEMENTARY EXERCISES

Oxford University Press, USA

"Oxford Living Grammar takes a gentle, practical approach to grammar. Each unit explains how the grammar works and the situations where you use it. The exercises use real-life situations to practise the grammar in context" -- Publisher description.

OXFORD PRACTICE GRAMMAR REVISED Oxford University Press

Gồm những bài học về ngữ pháp tiếng Anh cùng các bài tập thực hành.

[Oxford Practice Grammar Intermediate W/o Key Practice Boost CD Pack](#) OUP Oxford

The right balance of explanation and practice at every level. This three-level series adapts the grammar-practice format so that it matches student's needs at each stage of their learning. Basic provides an abundance of practice and short explanations. Intermediate offers the students more detailed and extended practice. The Advanced level gives students challenging proactive activities and in-depth explanations to assist them in complete comprehension.

A Basic English Grammar OUP Oxford

The Oxford Dictionary of English Grammar is a straightforward and accessible A-Z guide to the diverse and often complex terminology of English grammar. It contains over 1,600 entries with clear and concise definitions, enhanced by numerous example sentences, as well as relevant quotations from the scholarly literature of the field. This second edition is written and edited by Professor Bas Aarts of University College London, writer of the acclaimed Oxford Modern English Grammar. It has been fully revised and updated, with particular attention paid to refreshing the

example sentences included within the text. There are over 150 new entries that cover current terminology which has arisen since the publication of the first edition, and there are also new entries on the most important English grammars published since the start of the 20th century. Hundreds of new cross-references enhance the user-friendly nature of the text, and the list of works cited has been thoroughly updated to reflect the current state of the field. A short appendix of web links has been added. All in all, this Dictionary is an invaluable guide to English grammar for all students and teachers of the subject, as well as all those with an informed interest in the English language.

Canadian Grammar Spectrum is a series of grammar reference and practice books for ESL students. The books are set up in two-page spreads: a brief grammar explanation followed by exercises. The books are suitable as in-class resources, homework tools, or self-study aids.

Canadian Grammar Spectrum 6 OXFORD

Oxford Practice Grammar Advanced is divided into 17 units which provide a review of the grammar of contemporary English. Within each unit there are separate sections on specific features e.g. Present Perfect or Past Simple. As well as the types of exercises you will be used to there are some exercises specifically designed for students who are becoming more advanced in English.

These include: summary exercises, dictionary exercises, matching and editing activities. You can either start at the beginning and work through to the end or choose the order in which you want to study the grammar topics, perhaps starting with those that are giving you problems. Two-page tests at the end of each unit or section mean you can see how much you have learned and decide if you need more practice. For those unsure of some of the terminology there is also a Glossary explaining the meaning of all the grammatical terms.
