The economy isn't just for the economists to debate on. All of us are affected by its ups and downs—global recession, rise in interest rates, or hike in food prices. But do we understand the principles at work and how and why they really affect us? Day to Day Economics is an enjoyable, accessible, and extremely user-friendly book that explains the modern day Indian economy to the layperson. In this relevant book, Professor Deodhar explains the role of the government and its involvement in different aspects of the economy; the need for the RBI and its functions; and how taxes, stock markets, and recessions work. Day to Day Economics will help you go beyond the facts and figures in the budget and connect the trends to your daily life. As with all IIMA Business Books, it comes illustrated with numerous Indian examples and case studies making this the ultimate rookie's guide to the Indian economy.

There are no specific rules
to prepare for a GD. And
no one knows what the
topic of GD is going to be.
This book includes topics
that are likely to be put by
the Group Testing Officer
before the candidates to
gauge their personality
and leadership qualities. It
will be a good idea to
keep yourself abreast with
topics from: 1. Current
Affairs - Current Affairs is
something that you have
to be thorough with.
Understand the recent
crises affecting the world,
latest developmental
initiatives, and important

national & global events.
2. Historical topics- Have
a fair knowledge about
the history of India and
the world. Having
historical information will
help you cite examples
and make references
whenever needed. 3.
Sports, Arts & Literature -
In these topics, try to
have a decent idea about
what is popular, who are
the leaders in each area,
the latest that has
happened in these areas.
4. Data crunching - Do
familiarize yourself with
important data. Throwing
in some data if required in
your GD will definitely
create an impression
among the assessors.
Speak with a measure of
confidence on the given
topic; and secure the nod
of the evaluator.
