PRENTICE-HALL GRAMMAR AND COMPOSITION, LEVEL 6

Prentice Hall

The Prentice Hall Guide for College Writers is organized around a

sequence of purposes for writing. Each well-structured chapter contains process-oriented advice on choosing a subject, collecting data, drafting and revising essays for each purpose, and advice on customizing major rhetorical strategies to each purpose. Effective student examples, professional essays, and journal exercises help introduce students to the writing process as it changes with each different purpose.

Grammar and Composition Level 4

Based on the authors' 25 years of writing centre experience, this spiral-bound, tabbed and brief handbook is the easiest for students and instructors to use. Guides students to the information they need. Helps writers locate the section of the book they need, even if they don't know the rules of grammar.
