Charlie Joe Jackson's Guide to Planet Girl HQN Books
 A fan favorite from USA TODAY bestselling author Victoria Dahl. Some men are off-limits. Close friends of your ex-husband, for instance. Or firefighters who work in the same building as you. Yet despite her best judgment, librarian Lauren Foster can't help noticing fire captain Jake Davis whenever he jogs by...shirtless. They've always been friends, but all it takes is one not-so-chance meeting at a local bar and one not-quite-innocent walk home to ignite a fierce, uncontrollable desire between them. Widower Jake Davis has tried to ignore the spark he feels whenever Lauren's around, but once he sees her curves in a little black dress, there's no turning

back. No matter how often she says she's all wrong for him, the sexy, outspoken divorcée is driving him wild in the best possible way. Maybe she's just blowing off steam. Or maybe he can convince her to fan these flames into something deeper, hotter and truer than they ever expected.... Originally published in 2014.

GIRLS IN TROUBLE

Preston M Smith
 Ringing in the New Year is full of wicked possibilities in this sexy novella from USA TODAY bestselling author Victoria Dahl... Working over the holidays on a messy bank takeover in the middle of nowhere is bad enough for federal agent Elise Watson, but then she's partnered with the traitorous Noah James. His highly irritating presence only reminds her of the day he stole her promotion out from under her...and of the drunken, ill-fated night before when she'd all but thrown herself at him. Now she's

determined to get the job done and get out, even if it means pulling all-nighters with the one man who stokes her temper—and melts her insides—like no other... "Dahl...is fearless in creating quirky, touchingly unique characters whose love affairs are anything but predictable." —RT Book Reviews

A sexy cop with a wicked streak meets the most unlikely of matches when his job lands him on the doorstep of his best friend's little sister in this fan-favorite story by USA TODAY bestselling author Victoria Dahl... He's got his own problems—starting with the fact that his partner, Simone, is pregnant and everyone thinks he's the father. Tessa has her hands full, too. Her brother's playboy ways may be threatening the business, and the tension

could tear her tight-knit family apart. In fact, the only thing that could unite the Donovan boys is seeing a man come after their “baby” sister. Especially a man like Luke Asher. But Tessa sees past the rumors to the man beneath. He's not who people think he is—and neither is she. Book 1 of *Donovan Brothers*. A sexy contemporary romance.

As Good as Dead HQN Books

'A brilliant cultural history.' Irish Examiner
Girls behave badly. If they're not obscenity-shouting, pint-swiggling ladettes, they're narcissistic, living dolls floating around in a cloud of self-obsession, far too busy twerking to care. And this is news. In this

witty and wonderful book, Carol Dyhouse shows that where there's a social scandal or a wave of moral outrage, you can bet a girl is to blame. Whether it be stories of 'brazen flappers' staying out and up all night in the 1920s, inappropriate places for Mars bars in the 1960s or Courtney Love's mere existence in the 1990s, bad girls have been a mass-media staple for more than a century. And yet, despite the continued obsession with their perceived faults and blatant disobedience, girls are infinitely better off today than they were a century ago. This is the story of the challenges and opportunities faced by young women growing up in the swirl of the twentieth century, and the pop-hysteria that continues to accompany their progress.

She gives herself one explosive, fantasy-filled night with Chase. The next day it's back to plain Jane and safe men. But when her beloved brother becomes a murder suspect, it's Chase who comes to her rescue. And Jane discovers that a man who's been around the block knows a thing or two about uncovering the truth...

Taking the Heat HQN Books

"The science is strong, but a test is only as good as the men carrying it out," was said by Valery Legasov in the Chernobyl Mini-series. The quote resonates with me, as do the words, "Art pieces are as formidable as the quality of work, people, and resources drawn to bring them to life." Motion pictures are among the most radical art forms, and their role as sources of entertainment on both small and big screens speaks volumes. For more than a century, people have been making movies, and this trend will continue as long as

people exist. In Nigeria's Nollywood, much has been accomplished, and much more is awaited. Therefore, the need to caution, educate, and take bold steps is greatly warranted. Nollywood's Path To Ascension (NPTA) aims to provide practical guidance and steps to reach the zenith.
