Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underway Ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed" its own electric car more than a decade ago You can save \$2,000 by cutting freight fees and "administrative" charges Diesel annual urea fill-up scams cost you \$300, including an \$80 "handling" charge for \$25 worth of urea Lemon-Aid's 2011-12 Endangered Species List: the Chinese Volvo, the Indian Jaguar and Land Rover, the Mercedes-Benz Smart Car, Mitsubishi, and Suzuki

*Shattered Family* Shattered Family is the true story of both a direct and extended family and others impacted by a number of real-life sociopath and/or sociopath type predators/abusers. This book describes such predators thought patterns (what is known of them), behaviors, scams, plots and various abuses in detailed form as well as the typical personality traits of both the predators and their victims. Some of this book is presented in journal or memoir form while other portions are in essay and list form. This book is a great asset for victims, support persons for victims, family members and others. This is particularly true since Shattered Family describes forms of abuse most would not be able to comprehend exist, such as the sociopaths predators ability to successfully use law enforcement and others in authority to abuse his victims and exercise complete control over

his victim(s) life/lives. This book additionally offers a long real-life movie list as visual aid support. A must read for victims and those who wish to help victims of the sociopath and/or sociopath type abuser. Some Reviews: This is a rare book of raw scalding material regarding an unknown reality of abuse and the abuse cycle that occurs within what Savannah Rain refers to as the Inner-circle. This honestly IS a must read book. G.Y. An imperfect person, as we all are, writes the truth as it truly is. The unheard of yet very real behaviors of sociopaths and what they do behind the scenes. Victims check out this book and see that you are not alone. T.J. Finally! Someone has the guts to tell it like it is! I previewed this book and recommend it for all adults in societies all over the world. The get a clue wake up call is finally here. J.M. A raw book with no sugar coating for the victims of sociopaths. An unusually intuitive directly honest author setting the record straight for many victims of predators who heartlessly commit similar abuses every day. K.R. Its really not the Twilight Zone. These predators do this stuff. Wake up America and smell the garbage so many ignorant and uncaring minions are supporting. Savannah Rain spells it out in graphic detail that is sometimes hard to read and Im sure impossible to believe unless youve lived it and some of us have. So we know it is horrifyingly real. I recommend this book to victims and professionals who come into contact with victims in the worst ongoing moments of those victims lives. What I may have been spared if Id read this book many years ago. Survivor, no name for the public. I have previewed Rains book and found it to be enlightening and scary. I will be keeping my eyes and ears open for the signs and evaluating my life a little more carefully now. Some things have happened to me, in my relationship that never happened before in my 35 years in this world. I thought may have him manipulating things because of what I was told by others. Now I am more sure. No rash moves, but I am thinking about what I have been through, seen and heard. By J.M. This book is a double fistad sucker punch-out that never stops hitting and hitting home with every page. The harsh reality of the life of a sociopaths victim profoundly described. C.H. yay! Kudos to you for reaching out with the truth! if EVERYONE knew about narcissism and sociopaths they would avoid them and maybe the world would be rid of them! By Kat

Psychiatric Abuse Poetry is a book of primarily poems about the most heinous abuse that occurs in psychiatric facilities. This is not a book of poetry about professionals suggesting medications that are not helpful and are in fact oftentimes harmful on one level or another. This is not a book of poetry about professionals being somewhat blasé about the welfare of their patients. This is a book depicted the real-life reality based verbal, mental, emotional, physical and sexual abuse which is common in County and/or State lock-down facilities for those deemed DTO/DTS, even when those "patients" are forced into such a setting due to false stories/made-up stories or the lies of an abuser. Readers are cautioned that the poetry herein is blunt, disturbing and honest.

As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy. Toyota -- enough apologies: "when you mess up, 'fess up."
