IN THE LAND OF BLUE BURQAS

Hendrickson Publishers
Until it was pulled down, the Walled City was Hong Kong's most foreboding territory. It was a lawless place, dominated by the Triads, and which the police hesitated to enter. Strangers were unwelcome. Drug smuggling and heroin addiction flourished, as did prostitution and pornography, extortion and fear. When Jackie Pullinger set sail from England in 1966 she had no idea that God was calling her to the Walled City. Yet, as she spoke of Jesus Christ, brutal Triad gangsters were converted, prostitutes quit, and Jackie discovered a new treatment for drug addiction: baptism in the Holy Spirit.

God's love is stronger than fear! This book chronicles Dan Bauman's experience in Iran in 1997, when he was wrongfully accused of espionage and thrown into the most infamous high-security prison in Iran. Imprisonment in Iran, the threat of execution, and God's hand moving in the lives of the guards make this a thrilling addition to the International Adventures series.

Astonishing True Story of the Miracles That Are Changing Africa
Born into a long line of witch doctors, Surprise ("Surpresa") Sithole was destined for a life of fear, oppression, and poverty in the jungles of Africa. But at the age of fifteen, he was awakened in the middle of the night by an unfamiliar voice. Urgent, but not harsh, it told him to get up and leave his family immediately. As Surprise stepped out into the night, away from everything dear to him, he had no idea who God was--or what he had in store for him. From miraculous signs and wonders to supernatural deliverance from certain death to divine revivals that overtook countries, Surprise has followed wherever God has led, becoming an agent of hope and change in a continent devastated by war, poverty, and spiritual oppression. *Voice in the Night* is the amazing true story of what began that night in a jungle hut more than twenty-five years ago: a journey--an adventure--of faith and miracles.

Inspiring Missionary Pioneers Harmony

If not you, who? If not now, when? This was the challenge answered by Stephen Foreman and his wife, Emily, when they traded in their American white picket fence for a giant, dusty sandbox as missionaries in the deserts of North Africa. Stephen had given Emily a well-read copy of Foxe's *Book of Martyrs* on their first date, a telling foreshadowing of the ultimate cost he would pay when, at 39, he was shot and killed by al-Qaeda operatives. His life and death planted a seed of boldness and

inspiration in the hearts of local believers. This seed would grow and multiply efforts to help reach the very goal that Stephen was willing to give his life for—glorifying God and seeing his Kingdom established among the nations. In this memoir, Emily, left with four kids and an undying calling to reach the Muslim world, recounts their heartrending yet uplifting story of sacrifice and love for a people held captive by the ultimate Enemy. Stephen did not die in vain. This promise echoes through the book's pages and far beyond, in the minds and lives of countless individuals touched by a man who daily put his life in the hands of God. Because of security issues and the need to protect other workers and local believers in the country, the book employs pseudonyms for all major characters, including the authors.

DISRUPTIVE COMPASSION

Hodder & Stoughton

Compelled by Love, the true story of the ministry of Heidi and Rolland Baker in the war-torn, poverty and disease-stricken country of Mozambique, chronicles twenty-seven years of ministry among the poorest people on earth. The book is based upon the beatitudes as seen through the eyes of third-world pastors and missionaries. The Bakers have experienced God's miraculous provision of food to thousands, brought physical healing and spiritual wholeness to His poorest children, and witnessed the transformed hearts of people caught in desperate life or death situations. Their stories prove the reality of God's kingdom on earth, and demonstrate how to transform this world through the power of love.

COMMUNICATING CHRIST IN ANIMISTIC CONTEXTS

Authentic Media Inc

In a day of iPods and MySpace, when adolescents can seem self-serving and self-absorbed, the powerful story of the life of BJ Higgins proves that things can be otherwise. BJ's life was one of passionate service to God and to other people. He even inspired Bart Millard, lead singer of Mercy Me, to write and record a song to honor him. After a six-week battle with an infection contracted on the mission field, BJ's earthly life was over--he was only 15 years old. *I Would Die for You* tells BJ's inspiring story. It combines the writing of parents Brent and Deanna Higgins with selections from BJ's journals, school papers, and blog, along with true stories from family members, church and hospital staff, and friends. Through this multi-layered text, youth pastors, teens, and those involved in missions work will get a glimpse of a young man who gave his life to God, lived the gospel, and died for his devotion. Stirring and full of encouragement, *I Would Die for You* is poised to inspire a new generation of believers to give their lives in God's service.

Powerful Teachings from the International Bestselling Author of *The Heavenly Man* Charisma Media

Shadow of the Almighty is a modern classic story of faithfulness, obedience, and martyrdom. It is the best-selling account of the martyrdom of Jim Elliot and four other missionaries at the hands of the Huaorani Indians in Ecuador. *Shadow of the Almighty* has inspired Christians since its first publication in 1958. Elisabeth Elliot makes full use of Jim's revealing diaries to fill in the details of a life completely committed to God's service. This story was

reintroduced to today's audiences in 2006 thanks to the release of the film, *End of the Spear*, which tells for the first time the killings from the perspective of the Huaorani.

The Gifts of the Jews ABC-CLIO

"I lived in Afghanistan for five years. I learned the rules - I had to." Riveting and fast paced, *In the Land of Blue Burqas* depicts sharing the love and truth of Christ with women living in Afghanistan, which has been called "the world's most dangerous country in which to be born a woman." These stories are honest and true. The harsh reality of their lives is not sugar-coated, and that adds to the impact of this book. Through storytelling, the author shows how people who don't know Christ come to see Him, His truth, and His beauty. The stories provide insight into how a Jesus-follower brought Jesus' teachings of the Kingdom of God to Afghanistan. They reveal the splendor of Christ, the desire of human hearts, and that precious instance where the two meet. All of the names of those involved—including Kate's—plus the locations have been changed to protect the participants.

TO THE GOLDEN SHORE

Cosimo, Inc.
From Cannibals to Christ-Followers--A True Story In 1962, Don and Carol Richardson risked their lives to share the gospel with

the Sawi people of New Guinea. Peace Child tells their unforgettable story of living among these headhunters and cannibals, who valued treachery through fattening victims with friendship before the slaughter. God gave Don and Carol the key to the Sawi hearts via a redemptive analogy from their own mythology. The "peace child" became the secret to unlocking a value system that had existed through generations. This analogy became a stepping-stone by which the gospel came into the Sawi culture and started both a spiritual and a social revolution from within. With an epilogue updating how the gospel has impacted the Sawi people, this missionary classic will inspire a new generation of readers who need to hear this remarkable story and the lessons it teaches us about communicating Christ in a meaningful way to those around us.

One Student's Story of Passion, Service and Faith Gospel Light Publications

The author of the runaway bestseller *How the Irish Saved Civilization* has done it again. In *The Gifts of the Jews* Thomas Cahill takes us on another enchanting journey into history, once again recreating a time when the actions of a small band of

people had repercussions that are still felt today. *The Gifts of the Jews* reveals the critical change that made western civilization possible. Within the matrix of ancient religions and philosophies, life was seen as part of an endless cycle of birth and death; time was like a wheel, spinning ceaselessly. Yet somehow, the ancient Jews began to see time differently. For them, time had a beginning and an end; it was a narrative, whose triumphant conclusion would come in the future. From this insight came a new conception of men and women as individuals with unique destinies--a conception that would inform the Declaration of Independence--and our hopeful belief in progress and the sense that tomorrow can be better than today. As Thomas Cahill narrates this momentous shift, he also explains the real significance of such Biblical figures as Abraham and Sarah, Moses and the Pharaoh, Joshua, Isaiah, and Jeremiah. Full of compelling stories, insights and humor, *The Gifts of the Jews* is an irresistible exploration of history as fascinating and fun as *How the Irish Saved Civilization*. **BONUS MATERIAL:** This ebook edition includes an excerpt from Thomas Cahill's *Heretics and Heroes*.
