Take a bow and start playing tunes with this friendly guide!

Whether you're an aspiring classical musician or you just want to fiddle around, Violin For Dummies will have you making music in not time. This interactive book-and-CD-ROM package makes it

easy with step-by-step instruction on everything from simple tunes to show-stopping techniques. With coverage of musical styles including classical, country, and jazz, this is the ultimate guide to the violin. Discover how to: \* Choose the right violin and accessories \* Develop correct violin and bow hold \* Understand the language of music \* Play classical, country, gypsy, and jazz \* Tune, change strings, and perform simple maintenance Get Smart @www.dummies.com \* Find listings of all our books \* Choose from many different subject categories \* Sign up for eTips at etips.dummies.com MP3 files of every song and exercise from the book. Video clips demonstrating techniques to help you pick up and play. Note: CD-ROM/DVD and other supplementary

materials are not included as part of eBook file.

**Five Violins, One Cello, and Three Centuries of Enduring Perfection** Courier Corporation

Separating fact from fiction, this book explores how the legendary violinist challenged the very notion of what it meant to be a musician.

**String Music in Print** G Schirmer, Incorporated

“’Tis God gives skill, but not without men’s hands: He could not make Antonio Stradivari’s violins without Antonio.” –George Eliot  
Antonio Stradivari (1644–1737) was a perfectionist whose single-minded pursuit of excellence changed the world of music. In the course of his long career in the northern Italian city of Cremona, he created more than a thousand stringed instruments; approximately six hundred survive. In this fascinating book, Toby Faber traces the rich, multilayered stories of six of these peerless instruments—five violins and a cello—and the one towering artist who brought them into being. Blending history, biography, meticulous detective work, and an abiding passion for music, Faber embarks on an absorbing journey as he follows some of the most prized instruments of all time. Mysteries and unanswered questions proliferate from the outset—starting with the enigma of Antonio Stradivari himself. What made this apparently unsophisticated craftsman so special? Why were his techniques not maintained by his successors? How is it that even two and a half centuries after his death, no one has succeeded in matching the purity, depth, and delicacy of a Stradivarius? In Faber’s illuminating narrative, each of the six fabled instruments becomes a character in its own right—a living entity cherished by artists, bought and sold by princes and plutocrats, coveted,

collected, hidden, lost, copied, and occasionally played by a musician whose skill matches its maker’s. Here is the fabulous Viotti, named for the virtuoso who enchanted all Paris in the 1780s, only to fall foul of the French Revolution. Paganini supposedly made a pact with the devil to transform the art of the violin—and by the end of his life he owned eleven Strads. Then there’s the Davidov cello, fashioned in 1712 and lovingly handed down through a succession of celebrated artists until, in the 1980s, it passed into the capable hands of Yo-Yo Ma. From the salons of Vienna to the concert halls of New York, from the breakthroughs of Beethoven’s last quartets to the first phonographic recordings, Faber unfolds a narrative magnificent in its range and brilliant in its detail. “A great violin is alive,” said Yehudi Menuhin of his own Stradivarius. In the pages of this book, Faber invites us to share the life, the passion, the intrigue, and the incomparable beauty of the world’s most marvelous stringed instruments.

*Il virtuosismo violinistico di Nicolò Paganini. Ipotesi di un metodo tra mito e realtà* Philadelphia : Musicdata

El Conservatorio Nacional de Msica debe tener una actitud fuerte y vigorosa en todo el pas en lo que respecta a la enseanza de la msica, danza y teatro. Esta accin se logra slo modificando la estructura pedaggica y estableciendo nuevas carreras que, sin ser tan completas como las de concertistas, sin embargo, vengan a satisfacer las exigencias primarias de la educacin musical de nuestro pueblo. Dr. Adalberto Garca de Mendoza

Kolneder hat in seinem Werk sämtliche Aspekte der Violine erfasst und beleuchtet: den Bau des Instrumentes, seine Geschichte und Spielweise, welche Werke es für sie gibt, wie das Geigenspiel gelehrt und gelernt werden kann. Was eigentlich fünf Spezialisten erfordert hätte, hat der Autor allein bewältigt, was der Darstellung der Zusammenhänge der ja ineinander greifenden Gebiete sehr zugute kommt.

**Voice of the Violin** Schott Music

Musica - saggio (663 pagine) - La storia del più grande violinista di ogni tempo, tra gli aneddoti, le curiosità, le cronache raccontate da Sherlock Holmes al suo amico Watson Moltissimi sherlockiani si sono chiesti, nel corso degli anni, quali fossero gli aneddoti sulla vita di Niccolò Paganini con i quali Holmes intrattenne Watson per più di un'ora, in un pomeriggio d'agosto di fine Ottocento, in compagnia di una bottiglia di buon vino. Finalmente il mistero è svelato: i curatori di questo testo, infatti, sono venuti in possesso del manoscritto originale del volume di appunti nel quale il detective ha raccolto, ad uso del suo inseparabile amico, quelli e molti altri racconti sulla vita del grande musicista. Lo stile di Sherlock Holmes è asciutto e senza fronzoli, ma la quantità di dati è impressionante, mentre la qualità delle riflessioni in esso disseminate conferma, se ce ne fosse bisogno, l'acume e la competenza del primo - e unico - consulente investigativo del mondo. Stefano Guerra: Segretario

dell'associazione Uno Studio in Holmes, che ha contribuito a fondare nel 1987. Baker Street Irregular; Socio della John H Watson Society. Autore di numerosi articoli pubblicati in tutto il mondo. Medico, neuropsichiatra infantile e psicoanalista, si è occupato per oltre trent'anni dell'integrazione scolastica degli alunni diversamente abili. Docente di Igiene Mentale e Neuropsichiatria Infantile, ha ricoperto per alcuni anni anche l'incarico di dirigente scolastico. Attualmente in pensione, si dedica esclusivamente agli studi holmesiani, alla pratica sportiva, al volontariato e al teatro. Per Delos Digital ha pubblicato, con Enrico Solito, "La Grande Enciclopedia di Sherlock Holmes - Baker Street dalla A alla Z". Vera Mazzotta. Pianista e docente di pianoforte nella sezione ad indirizzo musicale di Vicovaro (RM). Dopo i Diplomi di Pianoforte e di Musica da Camera presso il Conservatorio Santa Cecilia (RM), ha conseguito con lode il Biennio Specialistico ad Indirizzo Interpretativo presso il Conservatorio Perosi (CB), ottenendo numerosi riconoscimenti in Concorsi nazionali ed internazionali. Autrice di diversi articoli di didattica musicale e del libro "Giocando con la Musica per promuovere l'inclusione". È docente Formatore e Autore Musicaascuola INDIRE. Socia delle Associazioni John H Watson Society e Uno Studio in Holmes, ha pubblicato articoli riguardanti la musica e lo Stradivari di Sherlock Holmes sia in italiano sia in inglese e, per Delos Digital, l'ebook "Wilma Neruda. La violinista che conobbe Sherlock Holmes". È laureata con lode in Filologia classica.

*Anatomía de la música* Nicolo Paganini With an Analysis of His Compositions and a Sketch of the History of the Violin  
"You either love Andrea Camilleri or you haven't read him yet.

Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Inspector Montalbano, praised as “a delightful creation” (USA Today), has been compared to the legendary detectives of Georges Simenon, Dashiell Hammett, and Raymond Chandler. As the fourth mystery in the internationally bestselling series opens, Montalbano’s gruesome discovery of a lovely, naked young woman suffocated in her bed immediately sets him on a search for her killer. Among the suspects are her aging husband, a famous doctor; a shy admirer, now disappeared; an antiques-dealing lover from Bologna; and the victim’s friend Anna, whose charms Montalbano cannot help but appreciate... But it is a mysterious, reclusive violinist who holds the key to the murder.

Bibliographic Guide to Music Palibrio

Written by an important musicologist, this rare 1860 monograph analyzes Paganini's compositions and provides a fascinating history of the violin. Firsthand accounts of the virtuoso's playing

and personality form a valuable historical resource.

Edizione nazionale delle opere di Niccolò Paganini: I palpiti per violino e orchestra (M.S. 77): Partitura per violino e orchestra ; Partitura per violino, archi o arpa ; Versione per violino e arpa (o pianoforte) Boydell Press

Anatomía de la Música es el libro con el que Serguey Amirov presenta su revolucionario método para tocar el violín, fruto de décadas de experiencia, frustraciones con las escuelas tradicionales, y sobretodo, con el apoyo del punto de vista de distintas ciencias naturales. Este libro sirve como introducción y manual para los violinistas (y otros músicos) que quieran superar las limitaciones físicas que su propio cuerpo les impone, y que incluso tras años de duro esfuerzo, no han llegado a comprender en su totalidad. En él, se analizará cada elemento de la técnica del violín, permitiendo una visión holística de un instrumento con mucho pasado, pero sobretodo mucho futuro.
