It's never too late to play

piano is perfect for those who wished they'd learnt to play the piano when they were younger, or those who wish they hadn't given up. At last, a truly grown-up approach to learning the piano! Pam Wedgwood, author of many popular piano series, takes you through the rudiments of piano technique and music theory in her own friendly style that's guaranteed to get results. The book is organized into clearly structured progressive units with a fabulous array of music to get you playing straight away, including Pam's own jazzy pieces, plenty of well-known classics and a smattering of pop and show tunes. Help and information is included at every step with top playing tips, technical boxes, fact files, general advice noticeboards, crosswords, recommended listening and boxes of fascinating musical history. The accompanying audio includes full performance play-along tracks as well as interactive activities to help you practise. Free teacher's accompaniments are available to download online. The ground-breaking It's never too late... series gives adults

the opportunity to learn the piano with a method devised especially for them alongside a selection of exciting supplementary repertoire books. This is the full eBook edition in fixed-layout format.

Bohemian Rhapsody (Sheet Music) Alfred Music Provides instruction and exercises for beginner pianists. Includes audio CD.

In this volume, which contains six suites and seven supplementary pieces for intermediate to advanced level pianists, Judith Schneider has provided detailed biographical and historical information about the pieces, as well as suggestions to achieve a proper interpretation of these works. Bach's table of ornaments is also discussed. This volume beautifully prepares students to perform Bach's more advanced English Suites.

The Billy Joel Keyboard Book (Songbook) Music Sales Corporation Boogie-woogie is an intoxicating music style that touches the heart and uplifts the spirit of players and listeners alike. Combining boogie-woogie, blues, rock, and

rock 'n' roll elements into an enticing mix, boogie & blues piano offers pianists the freedom to play unaccompanied and to present a repertoire that is based on their own particular strengths. The rules of improvisation and how to jam along with other musicians are much easier to learn than in complex jazz music. Boogie-woogie is also a masculine domain and female pianists are underrepresented. While the large hands and strong male physique associated with greater power and endurance are a great advantage, women and girls can now take heart and are perfectly able to groove and boogie with the best of players by adjusting the notes and licks to a smaller hand with a lighter touch. German ULRIKE GAATE is one of the few female boogie & blues piano players in Europe, and New Zealander JAN PRESTON is known as the 'Queen of Boogie Piano' in Australia, where she now lives. The authors met from across the world through their shared love of the boogie piano tradition. They have produced this boogie & blues tutor to help and inspire female players of all ages to experience the

uplifting energy and abundant possibilities of this style. Written for all small-handed piano players, regardless of gender, the book contains original compositions specifically arranged for pianists with small hands ranging in difficulty from lower intermediate to advanced, as well as a variety of suitable left hand patterns and many exercises. The authors present important characteristics of the boogie & blues piano style and provide tips on how to improvise. Audio samples are downloadable as mp3 files and QR codes.

Jazz Piano Solos Series

Volume 31 A&C Black

This is the most important instruction guide to blues style piano playing in print. It covers all styles of playing from 1900 to the present day and includes transcriptions of the recordings of twenty-two of the greatest exponents of barrelhouse and boogie piano. Among these are such greats as Memphis Slim, Alex Moore, Kid Stormy Weather, Cow Cow Davenport, Jelly Roll Morton, to mention just a few. All the transcriptions are accompanied by historical notes. This book also shows you how to develop blues techniques, how to improvise and includes coordination and fingering exercises, besides much else of importance to the blues pianist. It also contains a discography of albums by the twenty-two artists whose work appears in the book.

WHEN I WAS YOUR MAN SHEET MUSIC

Hal Leonard Corporation Jazz, Rags & Blues, Books 1 through 5 contain original solos for late elementary to early advanced-level pianists that reflect the various styles of the jazz idiom. An excellent way to introduce your students to this distinctive American

contribution to 20th century music. The CD includes dynamic recordings of each song in the book.

It's never too late to play piano Hal Leonard Corporation

Boogie-woogie touches the heart and lifts the spirits of both players and listeners. Unlike most other musical styles the piano takes centre stage and is not just an accompanying instrument. Boogie & blues piano combines boogie-woogie, blues, rock and rock 'n' roll elements into an enticing mix. The rules of improvisation and how to play along in jam sessions are much easier to learn than, for instance, in complex jazz. Many tricks and licks for playing boogie-woogie have before now been passed from person to person in the international music scene and have not been available in published books. For outstanding pianist and Steinway artist JOJA WENDT, discovered by Joe Cocker during a jam session in a Hamburg piano bar and booked by him as a support act, boogie-woogie was the entry into a successful international career that has now spanned more than 30

years. JOJA WENDT and ULRIKE GAATE, who is one of the very few female boogie & blues piano players in Europe, are experienced musicians who have collaborated to produce this exciting book. They present easily understood and succinct expert tips to help amateur enthusiasts and the next generation of talent alike enter the fascinating world of boogie & blues piano. The book contains clearly structured information provided by experienced professionals, tips for live performance, piano sheet music, original compositions, fingering notations, a large variety of bass lines and multiple exercises. More than 40 mp3 audio samples are downloadable from Joja Wendt's online piano academy: www.joaspianoacademy.de. Eight original transcriptions, including by Hersal Thomas, Albert Ammons, Meade 'Lux' Lewis and Jimmy Yancey, are included. In addition, many photos, anecdotes and behind-the-scenes stories make this book engrossing, informative and a pleasure to read. The level of the book is ranging in difficulty from lower intermediate to advanced learners.
