Yoga Darshan :- Overview of Yoga

Philosophy - 24HourYoga
The blessing which flows from the mere sight of a saint. (1)
Darshan is derived from

the Sanskrit word darsana meaning "sight," "vision," or "appearance." (2) In the Hindu tradition, darshan refers to the beholding of a holy person, sacred object, natural phenomenon, or deity especially in imaged form. Darshan implies a mutual interaction between the viewer and the perceived object or being.
