*The Return of Simple* One World

A stirring and powerful memoir from black cultural critic Rebecca Carroll recounting her painful struggle to overcome a completely white childhood in order to forge her identity as a black woman in America. Rebecca Carroll grew up the only black person in her rural New Hampshire town. Adopted at birth by artistic parents who believed in peace, love, and zero population growth, her early childhood was loving and idyllic—and yet she couldn't articulate the deep sense of isolation she increasingly felt as she grew older. Everything changed when she met her birth mother, a young white woman, who consistently undermined Carroll's sense of her blackness and self-esteem. Carroll's childhood became harrowing, and her memoir explores the tension between the aching desire for her birth mother's acceptance, the loyalty she feels toward her adoptive parents, and the search for her racial identity. As an adult, Carroll forged a path from city to city, struggling along the way with difficult boyfriends, depression, eating disorders, and excessive drinking. Ultimately, through the support of her chosen black family, she was able to heal. Intimate and illuminating, *Surviving the White Gaze* is a timely examination of racism and racial identity in America today, and an extraordinarily moving portrait of resilience.

*White Working Class Politics in an Age of Immigration and Inequality* Beacon Press

Langston Hughes's *Not Without Laughter* (1930) is drawn in part from the author's own recollections of youth and early manhood. This stirring coming-of-age tale unfolds in 1930s rural Kansas. A poignant portrait of African-American family life in the early twentieth century, it follows the story of young Sandy Rogers as he grows from a boy to a man. We meet Sandy's mother, Annjee, who works as a housekeeper for a wealthy white family; his strong-willed grandmother, Hager; Jimboy, Sandy's father, who travels the country looking for work; Aunt Tempy, the social climber; and Aunt Harriet, the blues singer who has turned away from her faith. A fascinating chronicle of a family's joys and hardships, *'Not Without Laughter'* is a vivid exploration of growing up and growing strong in a racially divided society. A rich and important work, it masterfully echoes the black American experience.

## STORIES

Oxford University Press

"White Tears is a ghost story, a terrifying murder mystery, a timely meditation on race, and a love letter to all the forgotten geniuses of American music and Delta Mississippi Blues."--

*How White Folks Got So Rich* IndyPublish.com

A collection of vibrant and incisive short stories depicting the sometimes humorous, but more often tragic interactions between Black people and white people in America in the 1920s and '30s. One of the most important writers to emerge from the Harlem Renaissance, Langston Hughes may be best known as a poet, but these stories showcase his talent as a lively storyteller. His work blends elements of blues and jazz, speech and song, into a triumphant and wholly original idiom. Stories included in this collection: "Cora Unashamed" "Slave on the Block" "Home" "Passing" "A Good Job Gone" "Rejuvenation Through Joy" "The Blues I'm Playing" "Red-Headed Baby" "Poor Little Black Fellow" "Little Dog" "Berry" "Mother and Child" "One Christmas Eve" "Father and Son"

*The Sum of Us* Vintage

The Short Stories of Langston Hughes This collection of forty-seven stories written between 1919 and 1963--the most comprehensive available--showcases Langston Hughes's literary blossoming and the development of his personal and artistic concerns. Many of the stories assembled here have long been out of print, and others never before collected. These poignant, witty, angry, and deeply poetic stories demonstrate Hughes's uncanny gift for elucidating the most vexing questions of American race relations and human nature in general.

## THE WAYS OF WHITE FOLKS

OUP USA

A Vintage Shorts "Short Story Month" Selection Colonel Norwood is the despotic owner of Big House Plantation, where he lives alone but for the occasional company of his black mistress, Coralee Lewis. But this summer, a new breeze is blowing in with the warm Georgia wind—his son is coming home. From the publication of his first book in 1926, Langston Hughes was hailed as the poet laureate of black America. In "Father and Son," Hughes reveals himself to be a writer of prose just as lasting as his poetry, and one of the true icons of modern American letters. The staggering final story in the collection *The Ways of White Folks*. An eBook short.

*Voices from Within the Veil* Vintage

These are the things of which men think who live: of their own selves and the dwelling place of their fathers; of their neighbors; of work and service; of rule and reason and women and children; of Beauty and Death and War.

**The Ways of White Folks** The Ways of White FolksStories

A novel about Black life.

*The Best of Simple* Rutgers University Press

Chronicles the life of the twentieth-century African-American poet, writer, journalist, and leading figure of the Harlem Renaissance.

*White Fragility* Phoeomixx Classics Ebooks

A biography of the Harlem poet whose works gave voice to the joy and pain of the black experience in America.

*An Ethnography Through Poetry & Prose* Simon & Schuster

In the spirit of Langston Hughes's the Ways of White Folks, Black Trans poet & educator, J Mase III takes us on a journey through the absurdities of whiteness. From MLK quotes out of context, to strange dance moves and circular conversations about justice that go nowhere, he guides us into accepting what we already know: White Folks Be Trippin'. More importantly, in an Instagram world he warns that not knowing the complexities of whiteness, white supremacy and its impacts can be downright dangerous for us all.

## WHY IT'S SO HARD FOR WHITE PEOPLE TO TALK ABOUT RACISM

Vintage

Winner of the Man Booker Prize Winner of the National Book Critics Circle Award in Fiction Winner of the John Dos Passos Prize for Literature New York Times Bestseller Los Angeles Times Bestseller Named One of the 10 Best Books of the Year by The New York Times Book Review Named a Best Book of the Year by Newsweek, The Denver Post, BuzzFeed, Kirkus Reviews, and Publishers Weekly Named a "Must-Read" by Flavorwire and New York Magazine's "Vulture" Blog A biting satire about a young man's isolated upbringing and the race trial that sends him to the Supreme Court, Paul Beatty's *The Sellout* showcases a comic genius at the top of his game. It challenges the sacred tenets of the United States Constitution, urban life, the civil rights movement, the father-son relationship, and the holy grail of racial equality—the black Chinese restaurant. Born in the "agrarian ghetto" of Dickens—on the southern outskirts of Los Angeles—the narrator of *The Sellout* resigns himself to the fate of lower-middle-class Californians: "I'd die in the same bedroom I'd grown up in, looking up at the cracks in the stucco ceiling that've been there since '68 quake." Raised by a single father, a controversial sociologist, he spent his childhood as the subject in racially charged psychological studies. He is led to believe that his father's pioneering work will result in a memoir that will solve his family's financial woes. But when his father is killed in a police shoot-out, he realizes there never was a memoir. All that's left is the bill for a drive-thru funeral. Fueled by this deceit and the general disrepair of his hometown, the narrator sets out to right another wrong: Dickens has literally been removed from the map to save California from further embarrassment. Enlisting the help of the town's most famous resident—the last surviving Little Rascal, Hominy Jenkins—he initiates the most outrageous action conceivable: reinstating slavery and segregating

the local high school, which lands him in the Supreme Court.

**How Jews Became White Folks and what that Says about Race in America** Cosimo, Inc. It wasn't so long ago that the white working class occupied the middle of British and American societies. But today members of the same demographic, feeling silenced and ignored by mainstream parties, have moved to the political margins. In the United States and the United Kingdom, economic disenfranchisement, nativist sentiments and fear of the unknown among this group have even inspired the creation of new right-wing parties and resulted in a remarkable level of support for fringe political candidates, most notably Donald Trump. Answers to the question of how to rebuild centrist coalitions in both the U.S. and U.K. have become increasingly elusive. How did a group of people synonymous with Middle Britain and Middle America drift to the ends of the political spectrum? What drives their emerging radicalism? And what could possibly lead a group with such enduring numerical power to, in many instances, consider themselves a "minority" in the countries they once defined? In *The New Minority*, Justin Gest speaks to people living in once thriving working class cities--Youngstown, Ohio and Dagenham, England--to arrive at a nuanced understanding of their political attitudes and behaviors. In this daring and compelling book, he makes the case that tension between the vestiges of white working class power and its perceived loss have produced the unique phenomenon of white working class radicalization.

**Langston Hughes** Taylor & Francis

A treasury of essays, articles and reviews by the late author of *Giovanni's Room* includes pieces that explore such topics as religious fundamentalism, Russian literature and the possibility of an African-American president.

**The Souls of Black Folk** University of Illinois Press

The American author recalls and reflects on the people and places he encountered in his world travels during the 1930's

*What Racism Costs Everyone and How We Can Prosper Together* Sourcebooks, Inc.

Jesse B. Simple, Simple to his fans, made weekly appearances beginning in 1943 in Langston Hughes' column in the *Chicago Defender*. Simple may have shared his readers feelings of loss and dispossession, but he also cheered them on with his wonderful wit and passion for life.

**An Autobiographical Journey** Farrar, Straus and Giroux

Langston Hughes electrified readers and launched a renaissance in Black writing in America—the poems in this collection were chosen by Hughes himself shortly before his death and represent stunning work from his entire career. The poems Hughes wrote celebrated the experience of invisible men and women: of slaves who "rushed the boots of Washington"; of musicians on Lenox Avenue; of the poor and the lovesick; of losers in "the raffle of night." They conveyed that experience in a voice that blended the spoken with the sung, that turned poetic lines into the phrases of jazz and blues, and that ripped through the curtain separating high from popular culture. They spanned the range from the lyric to the polemic, ringing out "wonder and pain and terror—and

the marrow of the bone of life." The collection includes "The Negro Speaks of Rivers," "The Weary Blues," "Still Here," "Song for a Dark Girl," "Montage of a Dream Deferred," and "Refugee in America." It gives us a poet of extraordinary range, directness, and stylistic virtuosity.

**For White Folks Who Teach in the Hood... and the Rest of Y'all Too** Hill and Wang  
White Folks explores the experiences and stories of eight white people from a small farming community in northern Wisconsin. It examines how white people learn to be 'white' and reveals how white racial identity is dependent on people of color—even in situations where white people have little or no contact with racial others. Drawing on in-depth interviews with Delores, Frank, William, Erin, Robert, Libby, and Stan, as well as on his own experiences growing up in this same rural community, Lensmire creates a portrait of white people that highlights how their relations to people of color and their cultures are seldom simple and are characterized not just by fear and rejection, but also by attraction, envy, and desire. White Folks helps readers recognize the profound ambivalence that has characterized white thinking and feeling in relation to people of color for at least the last two hundred years. There is nothing smooth about the souls of white folks. Current antiracist work is often grounded in a white privilege framework that has proven ineffective - in part because it reduces white people to little more than the embodiment of privilege. Lensmire provides an alternative that confronts the violence at the core of white racial selves that has become increasingly visible in American society and politics, but that also illuminates conflicts and complexities there.

**A Novel** Vintage

*Their Eyes Were Watching God* is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

### WHITE TEARS

Hill and Wang

THE NEW YORK TIMES BESTSELLER From the Civil War to our combustible present, *White Rage* reframes the continuing conversation about race in America, chronicling the history of the powerful forces opposed to black progress. Since the abolishment of slavery in 1865, every time African Americans have made advances towards full democratic participation, white reaction has fuelled a rollback of any gains. Carefully linking historical flashpoints - from the post-Civil War Black Codes and Jim Crow to expressions of white rage after the election of America's first black president - Carol Anderson renders visible the long lineage of white rage and the different names under which it hides. Compelling and dramatic in the history it relates, *White Rage* adds a vital new dimension to the conversation about race in America. 'Beautifully written and exhaustively researched' CHIMAMANDA NGOZI ADICHIE 'An extraordinarily timely and urgent call to confront the legacy of structural racism' NEW YORK TIMES BOOK REVIEW 'Brilliant' ROBIN DIANGELO, AUTHOR OF WHITE FRAGILITY
