Penguin

Chosen by the Guardian as one of the Best Books of the 21st Century From the MAN BOOKER PRIZE- and WOMEN'S PRIZE-SHORTLISTED author of *Swing Time*, *On Beauty* and *Grand Union* 'BELIEVE THE HYPE' The Times The international bestseller and modern classic of multicultural Britain - an unforgettable portrait of London One of the most talked about debut novels of all time, *White Teeth* is a funny, generous, big-hearted novel, adored by critics and readers alike. Dealing - among many other things - with friendship, love, war, three cultures and three families over three generations, one brown mouse, and the tricky way the past has of coming back and biting you on the ankle, it is a life-affirming, riotous must-read of a book. 'The almost preposterous talent was clear from the first pages' Julian Barnes, Guardian 'Street-smart and learned, sassy and philosophical all at the same time' New York Times 'Outstanding' Sunday Telegraph

## HALF OF A YELLOW SUN BY CHIMAMANDA NGOZI ADICHIE

Algonquin Books

WINNER OF THE DESMOND ELLIOTT PRIZE Fear and destruction take root in a community of women when the Witchfinder General comes to town, in this dark and thrilling debut. England, 1643. Parliament is battling the King; the war between the Roundheads and the Cavaliers rages. Puritanical fervour has gripped the nation, and the hot terror of damnation burns black in every shadow. In Manningtree, depleted of men since the wars began, the women are left to their own devices. At the margins of this diminished community are those who are barely tolerated by the affluent villagers - the old, the poor, the unmarried, the sharp-tongued. Rebecca West, daughter of the formidable Beldam West, fatherless and husbandless, chafes against the drudgery of her days, livened only by her infatuation with the clerk John Edes. But then newcomer Matthew Hopkins takes over the Thorn Inn and begins to ask questions about the women of the margins. When a child falls ill with a fever and starts to rave about covens and pacts, the questions take on a bladed edge. The Manningtree Witches plunges its readers into the fever and menace of the English witch trials, where suspicion, mistrust and betrayal ran amok as the power of men went unchecked and the integrity of women went undefended. It is a visceral, thrilling book that announces a bold new talent.

*Bunk* HarperCollins

In the aftermath of a teen's disappearance from bustling Port Harcourt in 1995 Nigeria, a once-ordered family is irreparably shattered in ways that prompt its youngest member, Ajje, to embark on a quest for answers that reveals long-forgotten secrets and regional brutalities.

**White Teeth** Half of a Yellow Sun

Every athlete who spends time in the weight room eventually deals with pain/injury that leaves them frustrated and unable to reach their highest potential. Every athlete ought to have the ability to take the first steps at addressing these minor injuries. They shouldn't have to wait weeks for a doctor's appointment, only to be prescribed pain medications and told to "take two weeks off lifting" or, even worse, to "stop lifting so heavy." Dr. Aaron Horschig knows your pain and frustration. He's been there. For over a decade, Dr. Horschig has been a competitive weightlifter, and he understands how discouraging it is to tweak your back three weeks out from a huge weightlifting competition, to have knee pain limit your ability to squat heavy for weeks, and to suffer from chronic shoulder issues that keep you from reaching your goals. Rebuilding Milo is the culmination of Dr. Horschig's life's work as a sports physical therapist, certified strength and conditioning specialist, and Olympic weightlifting coach. It contains all of the knowledge he has amassed over the past decade while helping some of the best athletes in the world. Now he wants to share that knowledge with you. This book,

designed by a strength athlete for anyone who spends time in the weight room, is the solution to your struggles with injury and pain. It walks you through simple tests and screens to uncover the movement problem at the root of your pain. After discovering the cause of your injury, you'll be able to create an individualized rehab program as laid out in this book. Finally, you'll be on the right path to eliminate your pain and return to the activities you love.

*Blue Front* Spectrum Books Limited

From the award-winning, bestselling author of *Americanah* and *We Should All Be Feminists*—a haunting story of love and war • Recipient of the Women's Prize for Fiction "Winner of Winners" award With effortless grace, celebrated author Chimamanda Ngozi Adichie illuminates a seminal moment in modern African history: Biafra's impassioned struggle to establish an independent republic in southeastern Nigeria during the late 1960s. We experience this tumultuous decade alongside five unforgettable characters: Ugwu, a thirteen-year-old houseboy who works for Odenigbo, a university professor full of revolutionary zeal; Olanna, the professor's beautiful young mistress who has abandoned her life in Lagos for a dusty town and her lover's charm; and Richard, a shy young Englishman infatuated with Olanna's willful twin sister Kainene. *Half of a Yellow Sun* is a tremendously evocative novel of the promise, hope, and disappointment of the Biafran war.

“Transfixing...[Wayne’s] prison diary is, above all, a testament to the irrepressibility of his charisma—his is a force that can never go dormant, even when it’s not plainly on display.” –The New Yorker From rap superstar Lil Wayne comes *Gone ‘Til November*, a deeply personal and revealing account of his time spent incarcerated on Rikers Island for eight months in 2010. In 2010, recording artist Lil Wayne was at the height of his career. A fixture in the rap game for more than a decade, Lil Wayne (aka Weezy) had established himself as both a prolific musician and a savvy businessman, smashing long-held industry records, winning multiple Grammy Awards, and signing up-and-coming talent like Drake and Nicki Minaj to his Young Money label. All of this momentum came to a halt when he was convicted of possession of a firearm and sentenced to a yearlong stay at Rikers Island. Suddenly, the artist at the top of his game was now an inmate at the mercy of the American penal system. At long last, *Gone ‘Til November* reveals the true story of what really happened while Wayne was behind bars, exploring everything from his daily rituals to his interactions with other inmates to how he was able to keep himself motivated and grateful. Taken directly from Wayne’s own journal, this intimate, personal account of his incarceration is an utterly humane look at the man behind the artist.

### In at the Deep End Parthian

“The ultimate literary bucket list.” —The Washington Post “If there’s a heaven just for readers, this is it.” —O, The Oprah Magazine Celebrate the pleasure of reading and the thrill of discovering new titles in an extraordinary book that’s as compulsively readable, entertaining, surprising, and enlightening as the 1,000-plus titles it recommends. Covering fiction, poetry, science and science fiction, memoir, travel writing, biography, children’s books, history, and more, *1,000 Books to Read Before You Die* ranges across cultures and through time to offer an eclectic collection of works that each deserve to come with the recommendation, You have to read this. But it’s not a proscriptive list of the “great works”—rather, it’s a celebration of the glorious mosaic that is our literary heritage. Flip it open to any page and be transfixed by a fresh take on a very favorite book. Or come across a title you always meant to read and never got around to. Or, like browsing in the best kind of bookshop, stumble on a completely unknown author and work, and feel that tingle of discovery. There are classics, of course, and unexpected treasures, too. Lists to help pick and choose, like *Offbeat Escapes*, or *A Long Climb*, but *What a View*. And its alphabetical arrangement by author assures that surprises await on almost every turn of the page, with Cormac McCarthy and *The Road* next to Robert McCloskey and *Make Way for Ducklings*, Alice Walker next to Izaak Walton. There are nuts and bolts, too—best editions to read, other books by the author, “if you like this, you’ll like that” recommendations, and an interesting endnote of adaptations where appropriate. Add it all up, and in fact there are more than six thousand titles by nearly four thousand authors mentioned—a life-changing list for a lifetime of reading. “948 pages later, you still want more!” —THE WASHINGTON POST

### Notes on Grief BrightSummaries.com

Haunting and atmospheric, this debut novel portrays the heartbreak, hardship and moments of surprising grace in the life of a man struggling to realize his destiny. A young man of astonishing promise when he emigrated from Ghana in 1955, Samuel Tyne was determined to accomplish great things. Fifteen long years later, he’s an insignificant government employee who hates his job when he unexpectedly inherits his uncle’s crumbling mansion in Aster, Alberta. Despite his wife’s resistance and the sullen complaints of his thirteen-year-old twin daughters, Samuel quits his job and moves his family to the town. For here, he believes, is that fabled second chance, and he is determined not to fail again. At first, Aster seems perfect — to Samuel, the formerly all-black town represents the return to a communal, idyllic way of life. But he soon discovers the town’s problems: a history of in-fighting, a strict town council and a series of mysterious fires that put all the townsfolk on edge. When his daughters cease speaking and refuse to explain their increasingly strange behaviour, Samuel turns more and more to the refuge of his electronics shop. As his ambitions intensify, the life he has struggled so hard to improve begins to disintegrate around him, and a dark current of menace in the town is turned upon the Tyne family.

### 1,000 Books to Read Before You Die HarperCollins UK

*The Secret Lives of Baba Segi’s Wives* is a scandalous, engrossing tale of sexual politics and family strife in modern-day Nigeria. Lola Shoneyin’s bestselling novel bursts on to the stage in a vivid adaptation by Caine Award-winning playwright Rotimi Babatunde. “Men are like yam, you cut them how you like.” Baba Segi has three wives, seven children, and a mansion filled with riches. But now he has his eyes on Bolanle, a young university graduate wise to life’s misfortunes. When Bolanle responds to Baba Segi’s advances, she unwittingly uncovers a secret which threatens to rock his patriarchal household to the core.

### Notes Houghton Mifflin

A National Book Award Finalist, Sarah Shun-lien Bynum’s enchanting and inventive first novel is a groundbreaking,

contemporary classic *When a girl falls into a mysterious, impenetrable sleep, the borders between her provincial French village and the peculiar, beguiling realm of her dreams begin to disappear: A fat woman sprouts delicate wings and takes flight; a failed photographer stumbles into the role of pornographer; a beautiful young wife grows to resemble her husband’s viol. Madeleine, the dreamer, travels in their midst, trying to make sense of her own metamorphosis. She leaves home, joins a gypsy circus, and falls into an unexpected triangle of desire and love. Embracing the earthy and the ethereal, the comical and the poignant, *Madeleine Is Sleeping* is part fairy tale, part coming-of-age story, and above all, an adventure in the discovery of art, sexuality, community, and the self.*

*The Secret Lives of Baba Segi’s Wives* Victory Belt Publishing USA Today Bestseller “An edge-of my sear immersion into historical events...No study of Alexander Hamilton would be complete without reading this book.” —Karen White, New York Times bestselling author “The best book of the year!” —Kate Quinn, New York Times bestselling author of *The Alice Network* *Wife, Widow, and Warrior* in Alexander Hamilton’s quest for a more perfect union From the New York Times bestselling authors of *America’s First Daughter* comes the epic story of Eliza Schuyler Hamilton—a revolutionary woman who, like her new nation, struggled to define herself in the wake of war, betrayal, and tragedy. Perfect for fans of Ron Chernow’s biography *Alexander Hamilton* and fans of Lin-Manuel Miranda’s *Hamilton: The Musical*. In this haunting, moving, and beautifully written novel, Dray and Kamoie used thousands of letters and original sources to tell Eliza’s story as it’s never been told before—not just as the wronged wife at the center of a political sex scandal—but also as a founding mother who shaped an American legacy in her own right. A general’s daughter... Coming of age on the perilous frontier of revolutionary New York, Elizabeth Schuyler champions the fight for independence. And when she meets Alexander Hamilton, Washington’s penniless but passionate aide-de-camp, she’s captivated by the young officer’s charisma and brilliance. They fall in love, despite Hamilton’s bastard birth and the uncertainties of war. A founding father’s wife... But the union they create—in their marriage and the new nation—is far from perfect. From glittering inaugural balls to bloody street riots, the Hamiltons are at the center of it all—including the political treachery of America’s first sex scandal, which forces Eliza to struggle through heartbreak and betrayal to find forgiveness. The last surviving light of the Revolution... When a duel destroys Eliza’s hard-won peace, the grieving widow fights her husband’s enemies to preserve Alexander’s legacy. But long-buried secrets threaten everything Eliza believes about her marriage and her own legacy. Questioning her tireless devotion to the man and country that have broken her heart, she’s left with one last battle—to understand the flawed man she married and imperfect union he could never have created without her...

### The Rise of Hoaxes, Humbug, Plagiarists, Phonies, Post-Facts, and Fake News Anchor

THE WOMEN’S PRIZE FOR FICTION ‘WINNER OF WINNERS’ Winner of the Orange Broadband Prize for Fiction 2007, this is a heartbreaking, exquisitely written literary masterpiece

### A Novel Farrar, Straus and Giroux

A poet, essayist and columnist argues that abortion is a common part of a woman’s reproductive life and shouldn’t be vilified, but accepted as a moral right that can be a force for social good.

### A Journal of Rikers Island Penguin UK

Winner of the 2015 Man Booker Prize One of Entertainment Weekly’s Top 10 Books of the Decade One of the Top 10 Books of 2014 – Michiko Kakutani, The New York Times A “thrilling, ambitious . . . intense” (Los Angeles Times) novel that explores the attempted assassination of Bob Marley in the late 1970s, from the author of *Black Leopard, Red Wolf* In *A Brief History of Seven Killings*, Marlon James combines brilliant storytelling with his unrivaled skills of characterization and meticulous eye for detail to forge an enthralling novel of dazzling ambition and scope. On December 3, 1976, just before the Jamaican general election and two days before Bob Marley was to play the Smile Jamaica Concert to ease political tensions in Kingston, seven gunmen stormed the singer’s house, machine guns blazing. The attack wounded Marley, his wife, and his manager, and injured several others. Little was officially released about the gunmen, but much has been whispered, gossiped and sung about in the streets of West Kingston. Rumors abound regarding the assassins’ fates, and there are suspicions that the attack was politically motivated. *A Brief History of Seven Killings* delves deep into that dangerous and unstable time in Jamaica’s history and beyond. James deftly chronicles the lives of a host of unforgettable characters – gunmen, drug dealers, one-night stands, CIA agents, even ghosts – over the course of thirty years as they roam the streets of 1970s Kingston, dominate the crack houses of 1980s New York, and ultimately reemerge into the radically altered Jamaica of the 1990s. Along the way, they learn that evil does indeed cast long shadows, that justice and retribution are inextricably linked, and that no one can truly escape his fate. Gripping and inventive, shocking and irresistible, *A Brief History of Seven Killings* is a mesmerizing modern classic of power, mystery, and insight.

### Rebuilding Milo Penguin

“Monumental.” —The New York Times Book Review Pulitzer Prize-finalist Stephen Kotkin has written the definitive biography of Joseph Stalin, from collectivization and the Great Terror to the conflict with Hitler’s Germany that is the signal event of modern world history In 1929, Joseph Stalin, having already achieved dictatorial power over the vast Soviet Empire, formally ordered the systematic conversion of the world’s largest peasant economy into “socialist modernity,” otherwise known as collectivization, regardless of the cost. What it cost, and what Stalin ruthlessly enacted, transformed the country and its ruler in profound and enduring ways. Building and running a dictatorship, with life and death power over hundreds of millions, made Stalin into the uncanny figure he became. Stephen Kotkin’s *Stalin: Waiting for Hitler, 1929–1941* is the story of how a political system forged an unparalleled personality and vice versa. The wholesale collectivization of some 120 million peasants necessitated levels of coercion that were extreme even for Russia, and the resulting mass starvation elicited criticism inside the party even from those Communists committed to the eradication of capitalism. But Stalin did not flinch. By 1934, when the Soviet Union had stabilized and socialism had been implanted in the countryside, praise for his stunning anti-capitalist success came from all quarters. Stalin, however, never forgave and never forgot, with shocking consequences as he strove to consolidate the state with a brand new elite of young strivers like himself. Stalin’s obsessions drove him to execute nearly a million people, including the military leadership, diplomatic and intelligence officials, and innumerable leading lights in culture. While Stalin revived a great power, building a formidable industrialized military, the Soviet Union was effectively alone and surrounded by perceived enemies. The quest for security would bring Soviet Communism to a shocking and improbable pact with Nazi Germany. But that bargain would not unfold as envisioned. The lives of Stalin and Hitler, and the fates of their respective dictatorships, drew ever closer to collision, as the world hung in the balance. *Stalin: Waiting for Hitler, 1929–1941* is a history of the world during the build-up to its most fateful hour, from the vantage point of Stalin’s seat of power. It is a landmark achievement in the annals of historical scholarship, and in the art of biography.

### Waiting for Hitler, 1929-1941 Springer

This third edition of stories from the Caine Prize for African Writing includes works by writers from Nigeria, Kenya, Zimbabwe and South Africa, most of whom have never before been published.

**A Companion to Chimamanda Ngozi Adichie** PT Mizan Publika From the globally acclaimed, best-selling novelist and author of *We Should All Be Feminists*, a timely and deeply personal account of the loss of her father. "Essential." —Booklist Notes on Grief is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie’s beloved father’s death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original New Yorker piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father’s death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he’d stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. Notes on Grief is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie’s canon.

### Half of a Yellow Sun, Americanah, Purple Hibiscus: Chimamanda Ngozi Adichie Three-Book Collection Harper Collins

Longlisted for the National Book Award for Nonfiction “There Kevin Young goes again, giving us books we greatly need, cleverly disguised as books we merely want. Unexpectedly essential.”—Marlon James Award-winning poet and critic Kevin Young tours us through a rogue’s gallery of hoaxers, plagiarists, forgers, and fakers—from the humbug of P. T. Barnum and Edgar Allan Poe to the unrepentant bunk of JT LeRoy and Donald J. Trump. Bunk traces the history of the hoax as a peculiarly American phenomenon, examining what motivates hucksters and makes the rest of us so gullible. Disturbingly, Young finds that fakery is woven from stereotype and suspicion, race being the most insidious American hoax of all. He chronicles how Barnum came to fame by displaying figures like Joice Heth, a black woman whom he pretended was the 161-year-old nursemaid to George Washington, and *What Is It?*, an African American man Barnum professed was a newly discovered missing link in evolution. Bunk

then turns to the hoaxing of history and the ways that forgers, plagiarists, and journalistic fakers invent backstories and falsehoods to sell us lies about themselves and about the world in our own time, from pretend Native Americans Grey Owl and

Nasdiij to the deadly imposture of Clark Rockefeller, from the made-up memoirs of James Frey to the identity theft of Rachel Dolezal. In this brilliant and timely work, Young asks what it

means to live in a post-factual world of “truthiness” where everything is up for interpretation and everyone is subject to a pervasive cynicism that damages our ideas of reality, fact, and art.
