Arriving on the alien paradise of Jardinor to assume her new post as a physician to the settlers, Dr. Shona Taylor, along with her family, animals, and alien otle Chirwl, soon discover that the inhabitants of this planet are hiding a terrifying secret that could destroy them all. Original.

SCAVENGER'S SON

Pearson Education

This text serves as an introduction to the programming language Java for scientists and engineers, as well as experienced programmers wishing to learn Java as an additional language. The authors have specifically taken a hands-on approach to get the reader writing and running programs immediately. In addition, the book focuses on how Java, and object-oriented programming, can be used to solve science and engineering problems.

Grains of Stardust Penguin Books India

Now including a foreward by Bill Buford and photographs of Gellhorn with Hemingway, Dorothy Parker, Madame Chiang Kai-shek, Gary Cooper, and others, this new edition rediscovers the voice of an extraordinary woman and brings back into print an irresistibly entertaining classic. "Martha Gellhorn was so fearless in a male way, and yet utterly capable of making men melt," writes New Yorker literary editor Bill Buford. As a journalist, Gellhorn covered every military conflict from the Spanish Civil War to Vietnam and Nicaragua. She also bewitched Eleanor Roosevelt's secret love and enraptured Ernest Hemingway with her courage as they dodged shell fire together.

Hemingway is, of course, the unnamed "other" in the title of this tart memoir, first published in 1979, in which Gellhorn describes her globe-spanning adventures, both accompanied and alone. With razor-sharp humor and exceptional insight into place and character, she tells of a tense week spent among dissidents in Moscow; long days whiled away in a disused water tank with hippies

clustered at Eilat on the Red Sea; and her journeys by sampan and horse to the interior of China during the Sino-Japanese War.

The Most Complete, Easy-to-Follow Guide to Ubuntu Linux The #1 Ubuntu server resource, fully updated for Ubuntu 10.4 (Lucid Lynx)-the Long Term Support (LTS) release many companies will rely on for years! Updated JumpStarts help you set up Samba, Apache, Mail, FTP, NIS, OpenSSH, DNS, and other complex servers in minutes Hundreds of up-to-date examples, plus comprehensive indexes that deliver instant access to answers you can trust Mark Sobell's A Practical Guide to Ubuntu Linux®, Third Edition, is the most thorough and up-to-date reference to installing, configuring, and working with Ubuntu, and also offers comprehensive coverage of servers--critical for anybody interested in unleashing the full power of Ubuntu. This edition has been fully updated for Ubuntu 10.04 (Lucid Lynx), a milestone Long Term Support (LTS) release, which Canonical will support on desktops until 2013 and on servers until 2015. Sobell walks you through every essential feature and technique, from installing Ubuntu to working with GNOME, Samba, exim4, Apache, DNS, NIS, LDAP, g ufw, firestarter, iptables, even Perl scripting. His exceptionally clear explanations demystify everything from networking to security. You'll find full chapters on running Ubuntu from the command line and desktop (GUI), administrating systems, setting up networks and Internet servers, and much more. Fully updated JumpStart sections help you get complex servers running--often in as little as five minutes. Sobell draws on his immense Linux knowledge to explain both the "hows" and the "whys" of Ubuntu. He's taught hundreds of thousands of readers and never forgets what it's like to be new to Linux. Whether you're a user, administrator, or programmer, you'll find everything you need here--now, and for many years to come. The world's most practical Ubuntu Linux book is now even more useful! This book delivers Hundreds of easy-to-use Ubuntu examples Important networking coverage, including DNS, NFS, and Cacti Coverage of crucial Ubuntu topics such as sudo and the Upstart init daemon More detailed, usable coverage

of Internet server configuration, including Apache (Web) and exim4 (email) servers State-of-the-art security techniques, including up-to-date firewall setup techniques using gufw and iptables, and a full chapter on OpenSSH A complete introduction to Perl scripting for automated administration Deeper coverage of essential admin tasks-from managing users to CUPS printing, configuring LANs to building a kernel Complete instructions on keeping Ubuntu systems up-to-date using aptitude, Synaptic, and the Software Sources window And much more...including a 500+ term glossary Includes DVD! Get the full version of Lucid Lynx, the latest Ubuntu LTS release!

THE FIRST DALIT LEADER

Egmont Books (UK)

Healed is the powerful, moving and deeply personal story of actor Manisha Koirala's battle against ovarian cancer. From her treatment in the US and the wonderful care provided by the oncologists there to how she rebuilt her life once she returned home, the book takes us on an emotional roller-coaster ride through her many fears and struggles and shows how she eventually came out triumphant. Today, as she completes six years of being cancer-free, she shares her story-one marked by apprehensions, disappointments and uncertainties-and the lessons she learnt along the way. Through her journey, she unravels cancer for us and inspires us to not buckle under its fear, but emerge alive, kicking and victorious.

Death on the Aisle Routledge

A laugh out loud comedy book proving that every superhero needs a supervillain. It's Kick-Ass meets The Incredibles. Ever wondered what it takes to be a real supervillain? Vordak the Incomprehensible has one aim in life - to rule the world. He's big, he's bad and he's brash. Writing his first published title, Vordak shows us how to grow into a villain of epic proportions. Whether it is planning strategies to take over the government, finding a new secret lair or choosing a suitably evil costume, Vordak will be there with plenty of hints and tips. In Scott Seegert's off the wall book for children, there's enough fun to fill a secret, hollowed out volcano lair. Vordak the Incomprehensible is an arch villain with strong views on superheroes and society, and has an overwhelming urge to gain world domination. It's a biography like on other.

MEDICINAL PLANTS

Penguin Enterprise

Biography of Ayyaṅkāḷi, 1863-1941, social reformer from Kerala, who fought against caste-based and other social discrimination.

151 RAPID MATH TRICKS

Roli Books Private Limited

A biography of the pioneering socio-political leader who made his mark both in pre-independence and post-independence phases of the nation.

Ayyankali Walter de Gruyter GmbH & Co KG

This is the first comprehensive description of Paluai, an Oceanic Austronesian language spoken on Baluan Island in Manus Province, Papua New Guinea. Based on extensive field research, the grammar covers all linguistic levels, including phonology, morphology, syntax and semantics, while paying particular attention to pragmatics and discourse practices. This is the first comprehensive description of Paluai, a language from the underdescribed Admiralties subgroup, a first-order branch of Oceanic (Austronesian). Paluai is spoken on Baluan Island in Manus Province, Papua New Guinea, by two to three thousand people. The grammar is based on extensive field research by the author and covers all linguistic levels. After a general introduction of its socio-cultural context, the language's phonology is discussed, followed by two chapters on its parts of speech, divided by open and closed word classes. Following chapters address topics such as the structure of the noun phrase, verbal and non-verbal clauses, grammatical relations, serial verb constructions, mood, negation and clause combining. The final chapter provides an in-depth discussion of pragmatics and discourse practices relevant to Paluai, illustrated through two narrative texts that are included integrally at the end of the book. This grammar is of interest to scholars working on Austronesian languages, particularly those of the New Guinea region, and those working on linguistic typology. It is also relevant to those interested in the history, languages and cultures of this region more generally.

All You Need to Know About the Music Business Penguin UK

PandavapuramThe paramours of Pandavapuram- they are the real nuisance/nightmare of all new brides who come there for their dream life.The Goddess who sits in the sanctum like a real brightening Indian bride always safeguards the innocent brides of PandavapuramWill she continue her protection ?Mr.Sethu who is author of several best sellers like Adyaksharangal, Adayalangal, Marupiravi, Aramathe Penkutty etc doubts, Are these brides longing for a right to have more than one husband?In this new era of life; Do all our brides want to imitate Draupadi who had a legal consent for polygamy?Can't they be satisfied with one husband?The curious readers can go through a real mysterious fiction and they will surely enjoy the book with a different feeling

PRACTICAL GUIDE TO UBUNTU LINUX (VERSIONS 8.10 AND 8.04)

Bouddhikam Books

Author and physicist C. Radhakrishnan makes use of the methodology and concepts of modern science to accomplish a thorough analysis of ancient wisdom. This totally different work thus becomes the first ever scientific reading of the Gita. The book is also replete with information on Eastern philosophy based on the doctrine of the Upanishads making it invaluable for anyone seriously interested in Vedantic knowledge. The Bhagavad Gita is not considered as a religious text in this work but as the simplest form of yoga sastra. The book shows how this knowledge, when cleansed of all superstitions, can help anyone lead a successful and happy life in the modern world with freedom from all sorrow. It can light the way for anyone \ anywhere in today's complicated life irrespective of religion, gender, nationality, caste or creed. There is a common misconception that Upanishad wisdom is reserved for monks and it is neither practical nor possible for the ordinary man to follow in life, but this work convincingly clears that notion. Never before has successful Vedantic vision in regular day to day life explored in such simple and feasible manner as in this. The book contains the Sanskrit text of the Gita in roman script plus simple translation of every

verse followed by commentary containing in-depth Vedantic study. Originally written in Malayalam (one of the Classical Languages of India), the work was serialized in Mathrubhumi daily - the leading newspaper of Kerala - over a period of two years. Published as book in Malayalam language in 2011, the work is the best selling Bhagavad Gita book in that language with five impressions already. (C. Radhakrishnan is a well-known author and physicist and has been recognized by India's National Akademi of Letters, the Kerala Sahitya Akademi and almost every other body promoting creative literature of the language he writes. He is winner of the Murtidevi Award of the Bharatiya Gnanpith Trust for the best creative work in Indian languages.)

Kimiya-e Saadat-The Alchemy of Happiness Penguin

What was the impact of hip-hop on pop culture? Who were the New Romantics? And what was Grunge all about? Reagan and Thatcher, Clinton and Blair, politics played a role in the popular culture of the era. So did technology, with video game arcades popping up anywhere teenagers might be lurking. Early home game consoles like the Atari 2600 also found their way into many homes, as did the records, cassette tapes, and compact disks of Madonna, Michael Jackson, Prince, and U2.

The news of Sruthi, belonging to a Havyaka Brahmin family in Kasaragod, converting into Islam as Rahmat had become highly controversial. This school teacher was amongst those thousands who had converted due to deception. By the grace of god, this young lady had the good fortune of coming to Aarsha Vidya Samajam and learning Sanatana Dharma. Having realized the folly of converting, she returned to Sanatana Dharma and resolved to be a full-time volunteer with Aarsha Vidya Samajam. She has played a pivotal role in bringing back a thousand others like her. Her video on YouTube has garnered more than 4M views. Through this book, she discusses the real causes behind religious conversions and their solutions. Sruthi hopes that no one else must face the agony and humiliation that her parents had to go through and that no one else must convert falling prey to misconceptions.

A Mr. and Mrs. North Mystery Educreation Publishing

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

How to divide numbers in your mind? How to subtract without borrowing etc..? Each trick elucidates how to calculate problems imminently with examples of over 500 solved problems in simple language. This book is very ideal for students, teachers, people from all walks of life and those preparing for competitive exams like MBA, MCA, GRE, GMAT, SSC, PSC, BANKING etc can make use of it.

Story of a Reversion Prentice Hall

This book examines the concept of new public diplomacy against empirical data derived from three country case studies, in order to offer a systematic assessment of policy and practice in the early 21st century. The new public diplomacy (PD) is a major paradigm shift in international political communication. Globalisation and a new media landscape challenge traditional foreign ministry 'gatekeeper' structures, and foreign ministries can no longer lay claim to being sole or dominant actors in communicating foreign policy. This demands new ways of elucidating foreign policy to a range of nongovernmental international actors, and new ways of evaluating the influence of these communicative efforts. The author investigates the methods and strategies used by five foreign ministries and cultural institutes in three countries as they attempt to adapt their PD practices to the demands of the new public diplomacy environment. Drawing upon case studies of US, British, and Swedish efforts, each chapter covers national policy, current activities, evaluation methods, and examples of individual campaigns. This book will be of much interest to students of public diplomacy, foreign policy, political communication, media studies and international relations in general.

HOW CANCER GAVE ME A NEW LIFE

NBT India

Offering a unique expression of thought reflecting feeling more than meaning, Grains of Stardust is a synesthetic stream of consciousness that does not distinguish between journey and destination, but meanders unchecked upon the river of human emotion. 'Read my poetry out loud Breathe it in and taste the letters pour out. A delicious sound. Do you hear the colours take form? Feel the pages move you as you float in space make some space Open your mind and get inside and see all that shimmering marmalade liquid. Grains of stardust'
