THE BLURRED MAN

Anchor

The men's 100m final at the 1988 Olympics has been described as the dirtiest race ever - but also the greatest. Aside from Johnson's blistering time, the race is infamous for its athletes' positive drug tests. This is the story of that race, the rivalry between Johnson and Lewis, and the repercussions still felt almost a quarter of a century on.

LONDON SCHOOL PLAN

Routledge

A new edition in the AA's ground breaking series of street atlases, covering London in a handy pocket size. With an enlarged scale for Central London, this really is Britain's clearest street mapping. The atlas uses the latest digital data for Britain from Ordnance Survey and the AA and also includes National Grid Referencing as used by the emergency services. All of the

maps clearly show recommended restaurants, hotels, one-way streets and car parks with 24- hour petrol stations now highlighted. Featuring a clever use of colour to ensure they can be read under street lighting, these maps are all you need to keep you on the move.

The Social Construction of Literacy in the Primary School

Routledge
This is an easy-to-read retelling on Ben Jonson's classic comedy "The Alchemist," whose theme is the love of money.
The Teaching of Drama in the Primary School University of Delaware Press
A scholarly edition of works by Ben Jonson. The edition presents an authoritative text, together with an introduction, commentary notes, and scholarly apparatus.

TEACHING PRIMARY DRAMA

Macmillan Education AU

The contribution of successive generations of immigrants is reflected in the variety of places of worship and cultural centres, from chapels to synagogues and mosques, while a century of social housing has produced innovative planning and architecture, now itself of historic

interest." "This volume covers the boroughs of Barking and Dagenham, Havering, Newham, Redbridge, Tower Hamlets, and Waltham Forest. For each area there is a detailed gazetteer and historical introduction. A general introduction provides an historical overview. Numerous maps and plans, over one hundred specially taken photographs and full indexes make this volume invaluable as both reference work and guide."--Jacket.

Ben Jonson's 1616 Folio Austin Macauley Publishers

Shakespeare and Classical Antiquity explains the nature and extent of Shakspeare's classical learning, exploring why Ben Jonson was wrong to claim that he had 'small Latin and less Greek'. It examines Shakespeare's relationship to classical texts and how this relationship changed in the course of his career.

Yale University Press

Bringing together leading Jonson scholars, Ben Jonson and Posterity provides new insights into this remarkable writer's reception and legacy over four centuries. Jonson was recognised as the outstanding English writer of his day and has had a

powerful influence on later generations, yet his reputation is one of the most multifaceted and conflicted for any writer of the early modern period. The volume brings together multiple critical perspectives, addressing book history, the practice of reading, theatrical influence and adaptation, the history of performance, cultural representation in portraiture, film, fiction, and anecdotes to interrogate Jonson's 'myth'. The collection will be of great interest to all Jonson scholars, as well as having a wider appeal among early modern literary scholars, theatre historians, and scholars interested in intertextuality and reception from the Renaissance to the present day.

The Popular Culture of Shakespeare, Spenser and Jonson Lulu.com

Ben Jonson and Theatre is an investigation and celebration of Jonson's plays from the point of view of the theatre practitioner as well as the teacher. Reflecting the increasing interest in the wider field of Renaissance drama, this book bridges the theory/practice divide by debating how Jonson's drama operates in performance. Ben Jonson and Theatre includes: * discussions with and between practitioners

* essays on the staging of the plays * edited transcripts of interviews with contemporary practitioners The volume includes contributions from Joan Littlewood, Sam Mendes, John Nettles, Simon Russell Beale and Geoffrey Rush, Oscar-winning actor for Shine.

BEN JONSON AND THEATRE

Routledge

Friend and rival of Shakespeare, Ben Jonson was one of the most learned and interesting men of his age. Throughout his fascinating life, he served not only as a bricklayer but also a soldier, an adventurer, an actor, a poet, and a playwright. The breadth of his experiences, acquaintances, friends, and enemies was legendary, and his literary canon is equally as diverse. The Ben Jonson Encyclopedia covers in detail the works, life, and times of this seminal figure of the English Renaissance. The cross-referenced entries include summaries of all Jonson's plays, masques, and entertainments, as well as sketches of Jonson's friends, enemies, patrons, disciples, actors, and fellow writers. In addition, the book identifies historical

figures, mythological characters, and classical authors, as well as Jonson's contemporaries and London place names mentioned in the works. Individuals who danced or participated in the masques and entertainments or tournaments for which Jonson wrote speeches are noted, as are the main actors known to have acted in the plays. All major scholars—from Jonson's own day until the twenty-first century—who have commented on Jonson or his works are also included. An extensive bibliography completes this invaluable scholarly reference tool. Because of Jonson's centrality to—and influence in and beyond—his age, this encyclopedia provides a dynamic, unparalleled vision of the English Renaissance literary scene. Capturing the depth and breadth of Jonson's understanding of early Modern England, The Ben Jonson Encyclopedia will be especially useful for students, librarians, and academics interested in the literary and cultural scene from 1500 to 1650. **The Architects' Journal** Routledge What is the coronavirus, and why is everyone talking about it? Engagingly illustrated by Axel Scheffler, this

approachable and timely book helps answer these questions and many more, providing children aged 5-10 and their parents with clear and accessible explanations about the coronavirus and its effects - both from a health perspective and the impact it has on a family's day-to-day life. With input from expert consultant Professor Graham Medley of the London School of Hygiene & Tropical Medicine, as well as advice from teachers and child psychologists, this is a practical and informative resource to help explain the changes we are currently all experiencing. The book is free to read and download, but Nosy Crow would like to encourage readers, should they feel in a position to, to make a donation to:

HEALING WATERS

Number at Key Stage 1

Volpone's reverential prayer to his heaps of gold launches the sharpest, funniest play about money and morals in the 17th century - a play still wickedly relevant on the same topics four centuries later. Ben Jonson's comedy depicts selfishness thinly veiled by sanctimonious speeches, lust

and possessiveness poorly disguised as love and marriage, and cynical legalism passing itself off as pure justice, alongside snobbery, class warfare and greed. The wily protagonists keep a dozen conventional plots spinning in the minds of their dupes, and when their amazing juggling act finally unravels, there are yet more twists - and an even deeper cynicism - to the story. The play is partly a beast-fable: the wily fox, Volpone, plays dead to lure flesh-eating birds that he can then consume. But the beasts are the human race, and polite society the biggest, greediest scam of them all. This student edition contains a lengthy Introduction with background on the author, date and sources, critical interpretation and stage history. Robert N. Watson is Distinguished Professor of English at UCLA. His publications include Critical Essays on Ben Jonson (as editor) and Ben Jonson's Parodic Strategy. He also edited the New Mermaids edition of Every Man in His Humour.

Education in London, 1945-1954

Gardners Books

Assuming no prior knowledge or experience of drama teaching, Brian

Woolland's Teaching Primary Drama offers a comprehensive introduction to the teaching of drama in the primary school, and focuses on current initiatives in primary education including the primary literacy strategy. The text is an invaluable resource for any teacher wishing to adopt a creative approach to teaching in their classroom. It offers guidance on different drama methods, and each practical idea translates to all areas of the curriculum. "[Teaching Primary Drama] is written in simple terms, uncluttered by references, is refreshingly straightforward and succinct and does not fall into the trap of making a complex subject sound complex; a trait of some texts which can push non-specialists away." Amanda Kipling, London Drama Magazine, Summer 2010 issue.

LONDON

Square One Publishers, Inc.

An Elizabethan espionage thriller in which playwright Christopher Marlowe spies on Mary, Queen of Scots while navigating the perils of politics, theater, romance—and murder. England, 1585. In Kit Marlowe's last year at Cambridge, he is approached by Queen Elizabeth's spymaster offering

an unorthodox career opportunity: going undercover to intercept a Catholic plot to put Mary, Queen of Scots on Elizabeth's throne. Spying on Queen Mary turns out to be more than Kit bargained for, but his salary allows him to mount his first play, and over the following years he becomes the toast of London's raucous theater scene. But when Kit finds himself reluctantly drawn back into the world of espionage and treason, he realizes everything he's worked so hard to attain—including the trust of the man he loves—could vanish in an instant. Pairing modern language with period detail, Allison Epstein brings Elizabeth's lavish court, Marlowe's colorful theater troupe, and the squalor of sixteenth-century London to vivid, teeming life. At the center of the action is Kit himself—an irrepressible, irreverent force of nature. Little Monkey! Boston : G.K. Hall
Resources for teaching children about measures and units at Key Stage 2 level.

EVERY MAN IN HIS HUMOUR

Oxford University Press, USA
This edition brings together Jonson's four great comedies Volpone, Epicene, The

Alchemist, and Bartholomew Fair. The texts of these plays have all been newly edited for this volume, and are presented with modernized spelling. Stage directions have been added to help actors and directors reconstruct the play the way it would have been performed in the seventeenth century, and the introduction, notes, and glossary further bring to life these timeless comedies for the modern reader.

Alchemist and Other Plays Macmillan Children's Books

Primary teacher reference book which considers literacy in the primary school. Defines literacy and the influence of educators' decisions and outlines various community and cultural resources which shape what children bring to the classroom. Also looks at how children perceive the possibilities and potentials of literacy and discusses the possibilities for teaching children a critical social literacy. Includes a bibliography.

REPORT OF A CONFERENCE ON THE TEACHING OF GEOGRAPHY IN

LONDON ELEMENTARY SCHOOLS

Oxford University Press
This title was first published in 2003. "Jonsonians" explores the theatrical traditions within which Ben Jonson was working, investigates the ways in which his work has influenced and informed the development of theatre from the early 17th century to the present day, and examines Jonson's theatre in relation to 20th- and 21st-century traditions of performance. It argues that although Jonsonian traditions are rarely acknowledged, they are vibrant and powerful forces that are very much alive today in the theatre of writers and directors as diverse as Caryl Churchill, David Mamet, Spike Lee, John Arden, Alan Ayckbourn and Peter Barnes. The book opens with essays on "Poetaster", "Sejanus", "Bartholomew Fair", "The New Inn" and "The Magnetic Lady" - each of which interrogates, in a variety of ways, the notion of "Jonsonian" theatre and considers the relationships of Jonson's theatre to classical traditions, to his contemporaries in England and Europe, and to modern performance practice and

theory. The second section of the book includes essays on "The Sons of Ben" (including Richard Brome) Aphra Behn and "Daughters of Ben" (women working in the theatre in the post-Restoration period). The book concludes with an extensive section devoted to modern day Jonsonians, exploring how reading their work as Jonsonian might alter perceptions of contemporary theatre, and how seeing them as contemporary "Jonsonians" might affect our understanding of Jonson's theatre.

Poetry Nelson Thornes

A jungle story with a pop-up surprise! Little Monkey lives at the top of the tallest tree in the jungle, and gets up to all sorts of mischief: dropping nuts on Elephant's head, tickling Bear's nose and saying BOO! to Giraffe. But what happens when he tries to pull Lion's tail... ? In Little Monkey, toddlers can spot all their favourite jungle animals, join in with the catchy refrain and

see one mischievous little monkey learn to say sorry! With a gently educational message, a satisfying pop-up ending and lots of jungle animals, Little Monkey is sure to keep young children entertained for hours - and the thick card pages and chunky cased cover make it great for small hands. Rod Campbell, the creator of the preschool lift-the-flap classic Dear Zoo, has been a trusted name in early learning for over thirty years.

A Tip for the Hangman A&C Black

The importance of drama in primary school has been elevated in recent years, with many teachers continuing to make it high priority in their teaching. They recognise that it can enrich children's understanding of the world and motivate and encourage them in other curriculum work. This lively and readable book offers a blend of theory and practice based on the author's own considerable experience as a drama teacher. He provides numerous examples taken from work with

children in schools, which will help teachers to prepare for drama sessions in the classroom. The book examines the role of drama as a subject in its own right as well as its role in delivering other aspects of the curriculum within primary education. It assumes no prior knowledge of teaching drama and will therefore be useful to trainee teachers and in-service teachers wanting to make use of drama in their daily teaching.

Our East London A&C Black

Shreddies in my hair. I looked at Eddie. Eddie's looking at me. Big grin on his face. I knew he had done it. Last week he put pepper in the raisins. The yucky things your borther does, the annoying things your parents say, the funny things you feel. Michael Rosen knows all about YOU! Look inside and see if he's spotted your deepest, darkest secrets. A much-loved classic of family life from the brilliant Michael Rosen & Quentin Blake.
