A behind-the-scenes look at the Miss America Pageant and what it takes to compete.

New Jersey Jeopardy!: Answers & Questions About Our State! BearManor Media

The Miss America pageant has been held in Atlantic City for the past hundred years, helping to promote the city as a tourist destination. But just a few streets away, the city hosts a smaller event that, in its own way, is equally vital to the local community: the Miss'd America drag pageant. *Drag Queens and Beauty Queens* presents a vivid ethnography of the Miss'd America pageant and the gay neighborhood from which it emerged in the early 1990s as a moment of campy celebration in the midst of the AIDS crisis. It examines how the pageant strengthened community bonds and activism, as well as how it has changed now that Rupaul's Drag Race has

brought many of its practices into the cultural mainstream. Comparing the Miss'd America pageant with its glitzy cisgender big sister, anthropologist Laurie Greene discovers how the two pageants have influenced each other in unexpected ways. *Drag Queens and Beauty Queens* deepens our understanding of how femininity is performed at pageants, exploring the various ways that both the Miss'd America and Miss America pageants have negotiated between embracing and critiquing traditional gender roles. Ultimately, it celebrates the rich tradition of drag performance and the community it engenders.

American Indians University Press of America

This is an intriguing and original examination of how issues of sex, race and nationalism get played out in US beauty pageants, and how pageants have tried to respond to large social and political change. She takes issue with those in Naomi Wolff's camp, as well as with conservatives.

Beauty Queens on the Global Stage
Catapult

Honesty has always presented a problem for Caroline. Manipulating situations and navigating around blunders and deceptions have become second nature to Caroline. She could justify every lie she has ever told, and any truth she ever stretched. Honesty and revealing secrets would only keep her from moving forward with her life. What good would it do anyhow? Even all of those bad financial decisions, flawed relationships

and questionable life choices seem like child's play compared to being arrested for the solicitation of her husband's murder, and what follows. Could someone figure out Caroline? And what would happen if someone did?

Being Miss America Gallopade International

Traces the pageant's history from its inception in 1920 through its emergence as American popular culture icon, not only chronicling events but presenting two opposing perspectives on the pageant: the pageant as celebration and idealization of American womanhood, and the pageant as sexist, exploitative anachronism. With 25 pages of bandw photographs. Paper edition (unseen), \$12.95. Annotation copyrighted by Book News, Inc., Portland, OR

UNDERSTANDING AMERICAN TEENS AFTER HIGH SCHOOL

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Discover proven disciplinary ideas and strategies for your diverse classroom! The updated edition of this bestseller offers user-friendly strategies and templates to help new and experienced K-12 teachers proactively address common disciplinary issues before they become major problems. Readers will discover practical techniques for establishing a classroom climate that fosters respect and a love for learning. The third edition also includes: Over 100 new scenarios, techniques, and activities for establishing a cooperative classroom 38 strategies with templates to document both academic and behavioral interventions for RTI Checklists to assess student social skills and behavior Assistance with students who need special attention, including bullies *The Old School Advantage* Corwin Press Ride a bull. Chat up a Senator. And get your homework in on time. It's all in a day's work for a festival queen. If you assume all pageant queens are airheads who can't handle geography, or vain girls who like to parade around in bathing suits, then welcome to the alternative universe of America's festival queens. With titles like Catfish Queen and Swine Queen, and royal duties ranging from leading parades to kissing frogs to doing PR for local industries, these hardworking girls represent the

best of what America has to offer: local cultures, unique traditions, and the kind of can-do community spirit that makes Main Street sparkle with promise. The Rhinestone Sisterhood takes us deep into the world of small-town festival queens to capture the true story of four “sisters of the sash”—the Frog, Fur, Cotton, and Cattle Queens of Louisiana—and their quest to win the ultimate crown, Queen of Queens. Traveling across the state, David Valdes Greenwood introduces us to local queens with lives full of public speaking, pig chases, and pageant politics. We ride with the girls during their one-year reign, where families and boyfriends can be as complicated as judge’s panels, and a queen’s dreams may be at the mercy of a Category 4 hurricane. High-spirited yet down-home, suspenseful and genuinely moving, *The Rhinestone Sisterhood* is, at heart, a story of female friendship and rivalry, of triumph and disappointment—not to mention a Frog Queen who just wouldn’t quit. Anyone who has ever wanted to be a princess will feel right at home.

Behind the Rhinestone Curtain Jess Bousa

Kid-Tested (and Tested, and Tested...) Guidance for Parents in the Trenches. *The Inside Track to Raising Kids*. Most of us find raising one, two...or maybe three or four children to be challenging enough. The idea of parenting a half dozen seems almost crazy, and more children than that—impossible. But Pat and Ruth Williams have together raised (and are continuing to raise) nineteen kids. More importantly, they’ve not just survived the process—they’ve loved it! What do they know that the rest of us don’t? What does it take to make a family of any size not only work, but thrive? After bringing up nineteen

kids—as biological parents, adoptive parents, single parents, and step-parents—Pat and Ruth Williams have gained a volume of insights and experience that will enrich your home, strengthen your family, and help you be the parent you want to be. Inside you’ll find counsel that really works—whether you’re raising one child, one dozen (or more), or any number in between.

Investigation of Communist Infiltration of Government Routledge

Wild parties, late nights, and lots of sex, drugs, and alcohol. Many assume these are the things that define an American teenager's first year after high school. But the reality is really quite different. As Tim Clydesdale reports in *The First Year Out*, teenagers generally manage the increased responsibilities of everyday life immediately after graduation effectively. But, like many good things,

this comes at a cost. Tracking the daily lives of fifty young people making the transition to life after high school, Clydesdale reveals how teens settle into manageable patterns of substance use and sexual activity; how they meet the requirements of postsecondary education; and how they cope with new financial expectations. Most of them, we learn, handle the changes well because they make a priority of everyday life. But Clydesdale finds that teens also stow away their identities—religious, racial, political, or otherwise—during this period in exchange for acceptance into mainstream culture. This results in the absence of a long-range purpose for their lives and imposes limits on their desire to understand national politics and global issues, sometimes even affecting the ability to reconstruct their lives when tragedies occur. *The First Year Out* is an invaluable resource for anyone caught up in the storm and stress of working with these young adults.

Hearings, Reports and Prints of the House Committee on Un-American Activities Discovery House

From an author praised for writing "delicious social history" (Dwight Garner, *The New York Times*) comes a lively account of memorable Miss America contestants, protests, and scandals—and how the pageant, nearing its one hundredth anniversary, serves as an unintended indicator of feminist progress. Looking for Miss America is a fast-paced narrative history of a curious and contradictory institution. From its start in 1921 as an Atlantic City tourist draw to its current incarnation as a scholarship competition, the pageant has indexed women's status during periods of social change—the post-suffrage 1920s, the Eisenhower 1950s, the #MeToo era. This

ever-changing institution has been shaped by war, evangelism, the rise of television and reality TV, and, significantly, by contestants who confounded expectations. Spotighting individuals, from Yolande Betbeze, whose refusal to pose in swimsuits led an angry sponsor to launch the rival Miss USA contest, to the first black winner, Vanessa Williams, who received death threats and was protected by sharpshooters in her hometown parade, Margot Mifflin shows how women made hard bargains even as they used the pageant for economic advancement. The pageant's history includes, crucially, those it excluded; the notorious Rule Seven, which required contestants to be "of the white race," was retired in the 1950s, but no women of color were crowned until the 1980s. In rigorously researched, vibrant chapters that unpack each decade of the pageant, *Looking for Miss America* examines the heady blend of capitalism, patriotism, class anxiety, and cultural mythology that has fueled this American ritual.

Books

The art and commentary of Nell Brinkley (1886–1944) ran in American newspapers from 1907 through the 1930s. At the height of her popularity, "The Brinkley Girl" appeared in the Ziegfeld Follies and inspired poems and popular songs. Brinkley's name even sold hair curlers, and her delicate pen work influenced later women cartoonists. As early as 1913, Brinkley was drawing working women, from farm and factory workers to those pursuing careers, using her art to encourage decent pay, pensions, and housing for thousands of young women working for the war effort. This work covers her life and her work, which might upon first glance show pretty girls but on a closer inspection reveals a post-Victorian feminism. It also looks at her rise to popularity, the innocent sexuality of her Brinkley girls, the sugary and sentimental Betty and Billy series, and the beauty of her line drawings.
