But how does it all link together? The Space Marines stand against the darkness, and yet on countless battlefields they play unwitting roles in the schemes of Fateweaver. From the doomed world of Ilissus, through the embattled corridors of the Endeavour of Will, to the borders of the Eye of Terror itself - friend and foe alike follow the great plan that he set in motion many thousands of years ago. But not even the Architect of Fate himself can foresee the destiny that lies in wait for him...

Ten thousand years after their defeat, those same traitors still launch their black crusades out of the Eye of Terror, intent upon nothing less than the utter destruction of the Imperium and the death of its weakling Emperor. This book provides an army list and sections on background, hobby section and special characters to accompany the game.

The Warp Games Workshop

When Great Wolf Logan Grimnar vanishes, the Space Wolves embark on a mission to retrieve him – a mission that might see the end of the Chapter. Hailing from the hostile ice world of Fenris, the Space Wolves are as fierce and proud as their name suggests. Considered by some to be wild and

undisciplined, the Sons of Russ are loyal to a fault, and their instincts for war are never in doubt. Woe betide those they mark as their prey, for they too shall feel the fangs of the wolf around their throats... A Great Hunt is over and the Space Wolves gather in the Fang to celebrate their victories and tell tall tales of their exploits. But one company has failed to return: that of the Great Wolf, Logan Grimnar. News of his death sends the Chapter on the hunt for the truth, with Ulrik the Slayer at their head. As they fight their way across the galaxy in search of their lord, the Space Wolves uncover a threat to the future of the Chapter itself.

THE INQUISITION WAR

This book contains the proceedings from the Codex Judas Congress held to discuss the newly-restored Tchacos Codex.
