Our animal health center Beek medically supervises pigeon racing. For many years the moving spirit of this supervision is veterinarian P.G.L.J. Boskamp. He develops medicines and animal food supplements to raise the defence mechanism of pigeons in order to decrease addiction to medicines. We sell a large scale of animal food supplements and products to support a quick recovery of the birds after a race. Welcome to Pigeonvetcenter Common Pigeon disease & treatments: The most common health problems encountered in pigeons are canker, respiratory infection, Coccidia, worms and external parasites. We conduct a full sensitivity test that ensures that the bacteria are actually sensitive to medicines prescribed to treat the infection. Vets Advice on Health Racing Pigeon Disease It seems likely that Salmonella in pigeons is a pigeon to pigeon disease with the source of infection being asymptomatic carrier birds or their droppings. Non- infected birds can be exposed to asymptomatic carriers in the race basket or in the home loft if carriers are introduced by the fancier. The Australian Pigeon Company - The Flying Vet - blog The Australian
