In this third self-contained volume of her autobiography , which began with I Know Why the Caged Bird Sings, Maya

Angelou moves into the adult world, and the white world as well, as she marries, enters show business, and

tours Europe and Africa in Porgy and Bess. As the book opens, Maya, in order to support herself and her young son, gets a job in a record shop run by a white woman. Suspicious of almost any kindness shown her, she is particularly confused by the special attentions of a young white customer. Soon the relationship grows into love and then marriage, and Maya believes a permanent relationship is

finally possible. But it is not to be, and she is again forced to look for work. This time she finds a job as a sleazy San Francisco bar. Her remarkable talent, however, soon brings her attention of a different kind, and before long she is singing in one of the most popular nightclubs on the coast. From there, she is called to New York to join the cast of Porgy and Bess, which is

just about to begin another tour abroad. The troupe's joyous and dramatic adventure through Italy, France, Greece, Yugoslavia, and Egypt becomes the centerpiece of Singin' and Swingin'. This remarkable portrayal of one of the most exciting and talented casts ever put together, and of the encounters between these larger-than-life personalities and audiences who had rarely seen

black people before, makes a hilarious and poignant story. The excitement of the journey—full of camaraderie, love affairs, and memorable personalities—is dampened only by Maya's nagging guilt that she has once again abandoned the person she loves most in life, her son. Back home, and driven close to suicide by her guilt and concern, she takes her son with her to

Hawaii, where she discovers that devotion and love, in spite of forced absence, have the power to heal and sustain. As always, Maya Angelou's writing is charged with that remarkable sense of life and love and unique celebration of the human condition that have won her such a loyal following.

Random House Dokebi Cafe: Sacred Grounds for Those Who Wait "I will only love you even if I were to be born a thousand times." Gangeun is a poster girl for bad luck. She's a magnet for accidents small and large. Just when she's getting used to her eventful high school life, she encounters a strange "boy" named

Mooyoung in front of a new cafe. What is this curious place? Who is this mysterious creature in the form of a boy? Bad luck seems to have left Gangeun but there's so much more that awaits her.

a very successful and sweeping social policy designed by the federal government: the Servicemen's Readjustment Act of 1944, more popularly known as the GI Bill. Kathleen J. Frydl addresses the GI Bill in the first study based on systematic and comprehensive use of the records of the Veterans Administration. Frydl's research situates the Bill squarely in

debates about institutional development, social policy and citizenship, and political legitimacy. It demonstrates the multiple ways in which the GI Bill advanced federal power and social policy, and, at the very same time, limited its extent and its effects.

modern-day
classic from

Newbery Medalist Jerry Spinelli, this beloved celebration of individuality is now an original movie on Disney+! And don't miss the author's highly anticipated new novel, *Dead Wednesday!* From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She

sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. Stargirl is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a

tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. Don't miss the sequel, *Love, Stargirl*, as well as *The Warden's Daughter*, a novel about another girl who can't help but stand out. "Spinelli is a poet of the prepubescent. . . . No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures

with more compassion."

Maleeka suffers every day from the taunts of the other kids in

her class. If they're not getting at her about her homemade clothes or her good grades, it's about her dark, black skin. When a new teacher, whose face is blotched with a startling white patch, starts at their school, Maleeka can see there is bound to be trouble for her too. But the new teacher's attitude surprises Maleeka. Miss Saunders loves the skin she's in. Can Maleeka learn to do the same?
