Morality Play Cambridge University Press

Closely examine the major areas of ethical theory as well as a broad range of contemporary moral debates using MacKinnon's acclaimed *ETHICS: THEORY AND CONTEMPORARY ISSUES*, Seventh Edition. Illuminating overviews and a selection of readings from both traditional and contemporary sources make even complex philosophical concepts reader friendly. Comprehensive, clear-sighted introductions to general and specific areas of ethical debate cover major ethical theories, including feminist ethics, contract theory, and ethical relativism, before delving into issues ranging from euthanasia and sexual morality to war and globalization. A broader range of voices and philosophical traditions in this edition includes continental and non-Western philosophers, with new readings from prominent ethicists. Increased coverage of contemporary dilemmas highlights issues of widespread interest, including torture and terrorism, "partial birth" abortion, cloning, same-sex marriage, and global distributive justice. An innovative online resource center offers, among other things, animated simulations. These simulations allow you to personally engage with dilemmas and thought experiments commonly presented in introduction to ethics classes and provide instructors with a way to seamlessly integrate online assignments into the class.

THE CASE FOR OPTIMAL POLLUTION

Wadsworth Publishing Company
In *Scandalous Obligation*, Eric Severson explores the scope and reach of Christian responsibility and social justice. This book is about the slippery nature of obligation, competing calls for justice, and the perilous temptation to dismiss or avoid responsibility. --from publisher description

THE ETHICS OF CARE

Academic Internet Pub Incorporated
A concise, portable guide for communicating in Arabic Today, Arabic is spoken in more than 20 countries, and more than one billion people study Arabic for religious reasons. This practical guide offers help on basic Arabic words and phrases and eases communication with Arabic speakers. Written as a companion to *Arabic For Dummies*, this book provides readers with the tools to converse with others in Modern Standard Arabic on a basic level. It uses real-world phrases extensively to illustrate grammatical concepts and provide opportunities to practice newfound skills. Amine Bouchentouf (New York, NY) is a native Arabic speaker from Morocco and the author of *Arabic For Dummies* (978-0-471-77270-5).

In the Agora Waveland Press
Ethics and Sex presents a systematic study of the nature and moral significance of human sexuality and of the major issues in sexual morality. The book is divided into two main parts. Part One gives a critical analysis of the key conceptions of human sexuality. Part Two discusses the most important issues in sexual morality: monogamy; adultery;

prostitution; homosexuality; paedophilia; sexual harassment and rape. In this controversial and accessible book, the author demonstrates that many of the prohibitions that make up conventional sexual morality cannot withstand critical scrutiny.

Ethics Routledge

ETHICS: THEORY AND CONTEMPORARY ISSUES, 8E CONCISE presents the major areas of ethical theory through an engaging collection of contemporary moral debates. First, readers are introduced to such ethical subjects as religion and global ethics, utilitarianism and deontology, natural law ethics, virtue ethics, non-Western paradigms, feminist ethics, and care ethics. Then, these and other ethical concepts provide the framework for in-depth discussions on moral dilemmas such as euthanasia, sexual morality, economic justice, animal ethics, war, violence, and globalization. Plus, this edition brings the debate up-to-date with detailed discussions of timely moral topics such as same-sex marriage, structural racism, factory farming, pacifism, and global distributive justice. Theory and Contemporary Issues

Wadsworth Publishing

An exploration of the moral theory examines the characteristics of the ethics of care, discussing the feminist roots of this moral approach, what is meant by "care," and the potential of the ethics of care for dealing with social issues.

American Philosophy Cengage Learning

Brings together international scholars across the social and behavioural sciences and education to address those

ethical issues that arise in the theory and practice of research within the technologically advancing and culturally complex world in which we live.

Premium Web Site Printed Access Card for MacKinnon's Ethics

Routledge

The Resource Center for MacKinnon, **ETHICS: THEORY AND CONTEMPORARY ISSUES ? Concise edition** presents a number of tools focused on helping students using the text excel in their course. The site presents quizzing, chapter reviews, and weblinks. You'll also find guides to studying philosophy and researching and writing philosophy papers, and biographies of major philosophers and excerpts from their most important works. In the interactive simulations students are faced with an ethical dilemma and forced to make and explain their decisions, effectively connecting theory with application.

[Theory and Contemporary Issues, Loose-Leaf Version](#) Bloomsbury Publishing USA

Interest in pacifism—an idea with a long history in philosophical thought and in several religious traditions—is growing. The Routledge Handbook of Pacifism and Nonviolence is the first comprehensive reference designed to introduce newcomers and researchers to the many varieties of pacifism and nonviolence, to their history and philosophy, and to pacifism's most serious critiques. The volume offers 32 brand new chapters from the world's leading experts across a diverse range of fields, who together provide a broad discussion of pacifism and nonviolence in connection with virtue ethics, capital punishment, animal ethics, ecology, queer theory, and feminism, among other areas. This Handbook is divided into four sections: (1) Historical and Tradition-Specific Considerations, (2) Conceptual and

Moral Considerations, (3) Social and Political Considerations, and (4) Applications. It concludes with an Afterword by James Lawson, one of the icons of the nonviolent American Civil Rights movement. The text will be invaluable to scholars and students, as well as to activists and general readers interested in peace, nonviolence, and critical perspectives on war and violence.

Outlines and Highlights for Ethics
Springer

This book offers a detailed utilitarian analysis of the ethical issues involved in war. Utilitarianism and the Ethics of War addresses the two basic ethical questions posed by war: when, if ever, are we morally justified in waging war, and if recourse to arms is warranted, how are we permitted to fight the wars we wage? In addition, it deals with the challenge that realism and relativism raise for the ethical discussion of war, and with the duties of military personnel and the moral challenges they can face. In tackling these matters, the book covers a wide range of topics—from pacifism to armed humanitarian intervention, from the right of national defense to pre-emptive or preventive war, from civilian immunity to the tenets of just war theory and the moral underpinnings of the rules of war. But, what is distinctive about this book is that it provides a consistent and thorough-going utilitarian or consequentialist treatment of the fundamental normative issues that war occasions. Although it goes against the tide of recent work in the field, a utilitarian approach to the ethics of war illuminates old questions in new ways by showing how a concern for well-being and the consequences of our actions and policies shape the moral constraints to which states and other

actors must adhere. This book will be of much interest to students of the ethics of war, just war theory, moral philosophy, war and conflict studies and IR.

Philosophy and Contemporary Issues

Oxford University Press on Demand Effectively address the major areas of ethical theory as well as a broad range of contemporary moral debates using MacKinnon's highly acclaimed ETHICS: THEORY AND CONTEMPORARY ISSUES, Concise Edition. This book expertly balances ethical theory with today's most relevant moral issues, including torture, partial birth abortion, cloning, same-sex marriage, and Wikipedia and Google. Wildly popular for their insightful yet entertaining application of ethical dilemmas, the animated simulations that supplement the text on the accompanying online Resource Center are highlighted throughout this concise edition. The author's illuminating overviews make even complex philosophical concepts easy to read and understand. Comprehensive, clear-sighted introductions to general and specific areas of ethical debate cover major ethical theories, including feminist ethics and ethical relativism, before delving into issues ranging from euthanasia and sexual morality to war, stem cell research, environmental ethics and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

BUSINESS AND PROFESSIONAL WRITING: A BASIC GUIDE - SECOND CANADIAN EDITION

Oxford University Press, USA
Straightforward, practical, and focused on realistic examples, Business and

Professional Writing: A Basic Guide is an introduction to the fundamentals of professional writing. The book emphasizes clarity, conciseness, and plain language. Guidelines and templates for business correspondence, formal and informal reports, brochures and press releases, and oral presentations are included. Exercises guide readers through the process of creating and revising each genre, and helpful tips, reminders, and suggested resources beyond the book are provided throughout. The second edition includes new sections on information security and ethics in business writing. New formal proposal examples have been added, and the text has been updated throughout.

Toward a Feminist Theory of the State
John Wiley & Sons

This anthology demonstrates the richness and diversity of the American intellectual heritage. In it we see how Jonathan Edwards grapples with the problem of how to reconcile freedom and responsibility with Calvinist religious beliefs; how Franklin and Jefferson exemplified American enlightenment thought; and how the Transcendentalists, Ralph Waldo Emerson and Henry David Thoreau, formulated their particular romantic idealist beliefs. A second and significant portion of the anthology is devoted to Pragmatism. Substantive excerpts from Peirce, James and Dewey, as well as Royce, are collected here. A third part is devoted to other Twentieth-Century American philosophies. No other collection of writings in this field includes the breadth of coverage that this one does. Among the chapters in this third part of the book are those on early Process Philosophy, Phenomenology, Positivism, and Language Philosophies.

Selections from such philosophers as Whitehead, Weiss, Buchler, Gurwitsch, Sellars, Quine, Davidson, and Rawls, along with many others are included in this part. A final chapter is devoted to twentieth-century American Moral Philosophy. The book is specifically designed to be used as a text for courses in American philosophy. A substantive introduction that emphasizes the historical setting as well as major interests and ideas of the philosophers accompanies each chapter. Extensive bibliographies and study guide questions follow each chapter. The selections include more than any one course will cover, but in their completeness also allow individual teachers and readers to select what they want.

Remembering Psychiatry Through Collection and Display OUP USA

This book takes a look at fully automated, autonomous vehicles and discusses many open questions: How can autonomous vehicles be integrated into the current transportation system with diverse users and human drivers? Where do automated vehicles fall under current legal frameworks? What risks are associated with automation and how will society respond to these risks? How will the marketplace react to automated vehicles and what changes may be necessary for companies? Experts from Germany and the United States define key societal, engineering, and mobility issues related to the automation of vehicles. They discuss the decisions programmers of automated vehicles must make to enable vehicles to perceive their environment, interact with other road users, and choose actions that may have ethical consequences. The authors further identify expectations and concerns that will form the basis for individual and societal acceptance of

autonomous driving. While the safety benefits of such vehicles are tremendous, the authors demonstrate that these benefits will only be achieved if vehicles have an appropriate safety concept at the heart of their design. Realizing the potential of automated vehicles to reorganize traffic and transform mobility of people and goods requires similar care in the design of vehicles and networks. By covering all of these topics, the book aims to provide a current, comprehensive, and scientifically sound treatment of the emerging field of "autonomous driving".

THE PHILOSOPHY OF SEX

Routledge

This book presents MacKinnon's powerful analysis of politics, sexuality, and the law from the perspective of women. Using the debate over Marxism and feminism as a point of departure, MacKinnon develops a theory of gender centered on sexual subordination and applies it to the state.

THEORY AND CONTEMPORARY ISSUES BY MACKINNON, BARBARA

SUNY Press

Now in its third edition, this fascinating book illustrates how a philosophical approach to sexuality can shed light on various sexual phenomena, such as pornography, prostitution, sadomasochism, homosexuality, masturbation, sexual perversion, and adultery. A definitive work on a provocative topic.

Leadership Ethics Kendall Hunt

Andrew Fiala's *Against Religion, Wars, and States: The Case For Enlightenment Atheism, Just War Pacifism, and Liberal-Democratic Anarchism* argues that we

need to overcome the idea of the nation-state and look toward global justice, that we need to develop a more critical stance toward religion while embracing enlightened humanism and natural science, and that we need to look beyond violent solutions to social problems in order to build world peace.

THEORY AND CONTEMPORARY ISSUES BY BARBARA MACKINNON

Cengage Learning

Explore the major perspectives in ethical theory and a broad range of contemporary moral debates with MacKinnon/Fiala's *ETHICS: THEORY AND CONTEMPORARY ISSUES*, 9th Edition. Illuminating overviews and a selection of readings from traditional and contemporary sources make even complex philosophical concepts reader-friendly. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

CONTEMPORARY MORAL ARGUMENTS

Cengage Learning

A spirited and engaging read, *In the Agora* effectively illustrates how Canadian philosophers have contributed to public discourse and enriched our world. It is a collection that is sure to prompt both interest and debate. *An Introduction* Harvard University Press This is a collection of readings in ethics and moral philosophy. The book gives instructors flexibility in structuring their ethics courses, allowing them to choose material from historical selections. This edition includes selections on issues such as euthanasia, abortion, and the death penalty.
