ASHTYN HIGGINS

Classic Wisdom for the Professional Life Thomas Nelson

A gentleman's guide to personal correspondence and the noble tradition of the toast.

Ethics and regulation have become catchwords of the late 1990s, yet relatively little has been written about the ethical discourse and regulation of the legal professions in England and Wales. This book represents the first attempt to subject the ethical discourse of the English legal professions to in-depth analysis and sustained critique. Drawing on insights from moral philosophy, social theory, the sociology of the legal profession, public law theories of regulation, and the

extensive American literature on lawyers' ethics, it argues that, in seeking to provide definitive answers to particular problems of professional conduct, professional legal ethics has failed to deliver an approach which requires lawyers actively to engage with the ethical issues raised by legal practice. Through an analysis of the core issues facing lawyers, the authors locate this failure in the profession's reliance on a liberal and adversarial role morality that conceptualises the ethical values of human dignity, autonomy and equality in a formalistic and narrowly legalistic manner. This encourages lawyers to overlook the real invasions of these values so often wrought by upholding clients legal rights, and to ignore the competing claims of affected third parties, the wider community and the environment. In seeking to move beyond critique, the authors develop throughout the book a contextual approach to individual ethical decision-making and outline a range of institutional, regulatory and educational reforms which, they suggest, could form the basis for a more ethical brand of professionalism. Professional Legal Ethics: Critical Interrogations is a wide-ranging and thought-provoking analysis written for lawyers, ethicists and policy-makers interested in this neglected area of professional ethics and regulation.

50 Things Every Young Gentleman Should Know Thomas Nelson Inc

A young man's guide to becoming the type of guy that people respect and enjoy.

As a Gentleman Would Say Revised and Expanded Thomas Nelson

"One man with courage makes a majority." - Andrew Jackson Whether you are about to begin a new job, undergo surgery, or ask your boss for a raise, possessing courage will help you face these battles. A Call for Courage contains more than 175 quotes from the presidents of the United States on the subject of courage. "America was not built on fear. America was built on courage, on imagination and an unbeatable determination to the job at hand." - Harry Truman "A strong nation, like a strong person, can afford to be gentle, firm, thoughtful, and restrained. It can afford to extend a helping hand to others. It's a weak nation, like a weak person, that must behave with bluster and boasting and rashness and other signs of insecurity." - Jimmy Carter A Call for Courage is a wonderful gift for anyone facing a challenge - be it fear of war or simply moving away from home.

A Lady at the Table Thomas Nelson

A Gentleman Abroad provides basic and helpful information for any man traveling to the 40 most popular foreign travel destinations in the world. In addition to aphorisms and sidebars that make the books in the GentleManners series unique, this book contains 40 chapters, one for each destination. Within each chapter will be almanac data, charts on average monthly temperature, foreign size charts for shopping, time differences, embassy information, basic foreign phrases, tipping customs, and other information that will allow a gentleman to navigate the city properly. Among the cities included are Rome, Paris, London, Tokyo, Hong Kong, Buenos Aires, Sydney, Amsterdam and Berlin.

A Call for Excellence Thomas Nelson

A modern update on the ageless idea that girls should know appropriate and courteous responses to any situation. Good manners aren't just a quaint and old-fashioned concept. They're an essential aspect of every young lady's path to adulthood and the skills she'll need in whatever she chooses to do.

THE BOOK OF LEADERSHIP WISDOM

Thomas Nelson

Here's a thought. Entertaining isn't just something that happens when the ladies decide to break out the good china. Any gentleman who enjoys the company of friends, a delicious meal, or a great drink should know how to host a gathering. So shove those frozen burritos out of the way and make some room in the freezer for your stainless steel ice bucket. It's time to entertain. John Bridges and Bryan Curtis have mapped out everything you need to know for any occasion, from dinner parties to tailgate potlucks. Whether you're hosting clients for a business lunch at an upscale restaurant or corralling your rowdy friends for a weekend cookout, these are the fundamentals you'll need to ensure you and your guests have a memorable time. The details have been wrangled out already—all that's left is for you to sit back and enjoy the company of your favorite people.

My Southern Food Thomas Nelson Inc

Praise for The Book of Leadership Wisdom "For anyone who seeks to understand the nature of effective leadership, in all its many dimensions, this volume will prove invaluable." -Bob Wright President and Chief Executive Officer, NBC Pearls from The Book of Leadership Wisdom "You must capture and keep the heart of the original and supremely able man before his brain can do its best." -Andrew Carnegie "There's an old proverb that says: 'If you are planning for one year, plant rice. If you are planning for 10 years, plant trees. If you are planning for 100 years, plant people.' To that I would add . . . plant them, but don't forget to move them around every seven to ten years. New eyes give rise to new ideas and opportunities." -Michael Eisner "You must realize that it is more than money that the men want, it is a sense of ownership." -William Cooper Procter "You can manage inventory, you can manage things, but you must lead people if you want to tap their full potential." - Ross Perot T. Coleman du Pont, Andrew Carnegie, J. Paul Getty, A. Montgomery Ward, Thomas J. Watson, Jr., Akio Morita, Jack Welch, David Packard, Ray Kroc, Bill Gates . . . they are among the most respected and influential business leaders of all time. Possessing a rare combination of business genius and true grit, these captains of industry have created unprecedented wealth for their companies and themselves, pioneered revolutionary new industries, and, in some cases, directly shaped the destinies of entire nations. Now, The Book of Leadership Wisdom affords you an unprecedented opportunity to hear, in their own words, what these immortals have had to say on the topic of leadership. The Book of Leadership Wisdom brings together the essays and speeches of more than 50 business legends, past and present. Never before have the writings of such a large and diverse group of legendary business leaders been collected between the covers of a book. From leading change to dealing with adversity, creating vision to inspiring employees, the writings contained in this book span the whole range of essential leadership issues. For instance, you'll hear from Harold Geneen on the difference between leading and commanding, Daniel Guggenheim and William Cooper Procter on the advantages of a democratic workplace, Katherine Graham on the importance of credibility, Jack Welch and Ross Perot on leading in adversity, Ray Kroc on self-appraisal, and Ben Cohen and Jerry Greenfield on value-based leadership, to name just a few. For easy reference, the 52 essays contained in The Book of Leadership Wisdom are organized into eight categories covering leadership qualities, dealing with adversity, visions of progress, labor relations,

company culture, habits and idiosyncrasies, motivating employees, and leading change. Each essay is preceded by a brief introduction that places it in historical perspective and offers interesting and insightful information about its author's life and career. And throughout each essay, passages have been highlighted that call attention to each contributor's most pithy, profound, or quirky ideas. Offering timeless wisdom from the most successful business leaders ever, *The Book of Leadership Wisdom* is must reading for managers at every level, from the junior executive cubicle to the presidential suite.

A Gentleman's Calendar 2007 Nicholas Brealey

What makes a person successful? What makes them motivated, prosperous, a great leader? Inside *50 Success Classics*, discover the all-time classic books that have helped millions of people achieve success in their work, their mission, and their personal lives. This brand new updated edition of Tom Butler-Bowdon's guide to the texts that will help you find success in your professional and personal life. Tom Butler-Bowden presents this wide-ranging selection of enduring works in the literary and the legendary: pioneering thinkers, philosophers and powerful leaders who have shown us how to Think and Grow Rich, acquire *The 7 Habits of Highly Effective People*, become *The One-Minute Manager*, solve the challenging puzzle of *Who Moved My Cheese?* and discover *The Art of Wordly Wisdom*. From the inspirational rags-to-riches stories of such entrepreneurs as Andrew Carnegie, Warren Buffet and Sam Walton to the leadership lessons of Sir Ernest Shackleton, Eleanor Roosevelt, Abraham Lincoln and Nelson Mandela, *50 Success Classics* goes back to the basics to find the classic books on staying true to ourselves and fulfilling our potential. Practical yet philosophical, sensible yet stimulating, the 50 all-time classics span biography and business, psychology and ancient philosophy, exploring the rich and fertile ground of books that have helped millions of people achieve success in their work and personal lives.

TOASTS & TRIBUTES

Thomas Nelson

Personal and Professional Growth for Health Care Professionals blends aspects of professional development with issues related to personal development. Personal and professional development are inextricably linked because one cannot develop as a professional devoid of the personal insights related to personality, character, cognitions, emotions, and the cultural and generational constraints. Includes use of multi-stage model of professional development: perception, judgment, motivation, prioritization, decision process, and professional implementation. Offers Case Studies, Questions, and Issues for Discussion at the end of each chapter. This is an excellent resource to prepare students for career readiness.

A GENTLEMAN GETS DRESSED UP

Thomas Nelson Inc

With sales of more than 750,000 copies, the books in the GentleManners series have become the most popular gift etiquette books on the market today. This latest book in the series was written especially for boys ages 8-14, to teach them the basic skills every young man should have and every young man's mother and grandmother want him to have. Among the topics covered in this book are how to shake hands, how to make an introduction, what to do when you sneeze or cough, and how to use a napkin. It is written in a style that will appeal to young men of that age.

50 Success Classics Harper Horizon

"The best executive is one who has sense enough to pick good people to do what he wants done, and self-restraint enough to keep from meddling with them while they do it." - Teddy Roosevelt
A Call for Excellence is a gift book that offers more than 200 inspirational quotes from the Presidents of the United States on what it takes to be a successful person - be it in the office, the classroom, the battlefield, or at home. This is a wonderful gift for any occasion, but especially for graduation or to give to those challenged by a leadership position. "I hope I always possess firmness and virtue enough to maintain what I consider the most enviable of all titles, the character of an Honest Man." - George Washington
 "A man is not finished when he is defeated. He is finished when he quits." - Richard Nixon

Medical Wisdom and Doctoring Oxford University Press

Mastering and becoming comfortable with the ability to make a toast or write a note will pay rich dividends in a gentleman's life—both professional and personal. *Toasts and Tributes* helps men master these important skills with examples of more than 40 different toasts and 40 different notes. In addition to each example of what to say are, perhaps more importantly, examples of what not to say.

A GENTLEMAN RAISES HIS GLASS

Classic Wisdom for the Professional Life

Simple reminders and new ideas for any man who is eager to navigate the obstacle course of his own words. On any given day, a man is faced with situations that demand a response. He runs into a friend who was recently fired . . . His date can't seem to pry herself away from a texting conversation during dinner . . . Someone at his gym routinely monopolizes the equipment . . . He finds himself in a nearly unintelligible conversation with a client who has a thick foreign accent. In each of these scenarios, there are distinct responses that can determine the outcome—for better or worse. Knowing what to say is essential, because regardless of how many doors he opens or how often he remembers to bring a bottle of wine for the hostess, a gentleman's reputation is often established on his ability to communicate. In this updated version of *As a Gentleman Would Say*, John Bridges and Bryan Curtis offer simple reminders and new ideas for any man who is eager to navigate the obstacle course of his own words.

Personal and Professional Growth for Health Care Professionals Harper Collins
 School, clubs, soccer practice, piano lessons, study groups, latte with friends, dinner with

grandparents, sleepovers, birthday parties, shopping-young ladies today are always on the go, their busy lives filled with activities and socializing. Girls interact with more people and in more places than ever before. But all of those opportunities to build friendships, make a good impression, and enjoy exciting experiences can go awry if she hasn't learned the basics of good conduct, respectful interaction, and thoughtful behavior. While the formal rules of etiquette are not taught the way they once were, good manners are as critical today as they ever were. *50 Things Every Young Lady Should Know* provides a modern update on the ageless idea that girls should know appropriate and courteous responses to any given situation. Good manners aren't just some quaint idea and old-fashioned concept from the past. They're an essential aspect of every young lady's path to adulthood and the skills she will need to thrive in whatever she chooses to do. In an ever-changing world, good manners never go out of style.

A Call for Courage Thomas Nelson

Bridges presents a concise, contemporary guide to the noble tradition of the toast, and contains more than 50 examples of great salutations.

A GENTLEMAN PENS A NOTE

St. Martin's Press

The Professional Life. In the simplest of meanings, it is the part of your day or week or year or entire life that you spend working to make a living. Everyone knows that the way you spend those hours of your day can very easily carry over into every other aspect of your life. Do you know someone lucky enough to love what they do to support themselves? That happiness, pride, and satisfaction doesn't just stop when they leave the office. It finds its way into their personal relationships and into their
