 ...Hollywood Babylon is
 a book by avant-garde
 filmmaker Kenneth
 Anger which
 purportedly details the
 sordid scandals of
 famous Hollywood
 denizens from the
 1900s to the 1950s.
 The book was banned
 shortly after it was first
 published in the U.S. in
 1965, and remained
 unavailable until
 reprinted ten years
 later. Upon its second
 release in 1975, The
 New York Times said of
 it, "If a book such as
 this can be said to
 have charm, it lies in
 the fact that here is a
 book without one
 single redeeming

merit." THollywood
