It's the Digital Edition of the world's best-selling adult English course, delivering lessons that really do work in class. How does it do it? Short answer: methodology with digital support. The balanced methodology of New Headway Plus is now combined with all-new digital components, offering extra support for teachers and students both inside and outside the classroom. Extra practice is available for all of the four core language skills - Reading, Writing, Listening and Speaking - as well as additional audio and video material. You can access a range of supplementary resources, from grammar PowerPoint slides to worksheets for every video. And all are easy to use.

A communicative course for kindergarten and early elementary students learning English for the first time. Magic Time develops the speaking, listening and pre-writing skills of young children through art, music and movement, and language is taught through colourful, humorous, full-page scenes. Each four-page unit spotlights a theme such as shapes, classroom items or pets, that provides a context for the language. The short units build confidence and allow students to feel they are progressing rapidly. Magic Time is a two-level introductory series that is designed to be followed by the six-level communicative series, English Time. The

two series can be used separately or as one complete eight-level course. The teacher's book provides: clear, step-by-step lesson plans; different strategies for large and small classes; a teacher resource guide with class management tips and advice; photocopiable worksheets; a games section with a multitude of fun ideas; tapescripts; and an answer key for student book and workbook exercises.

INSIDE TRACK 2. STUDENT PRACTICE SET ANSWER KEY

The Exercises can be used with or without the Grammar. They include an answer key.
Project 3 : Workbook
