A NOVEL

Harper Collins
Fifteen-year-old Lola lives in a quiet, rural town with her mother, her over-achieving older brother, Daniel, and her annoying but lovable younger brother, Toby. When Lola's mother receives an offer of a few months work as a store manager on a remote Aboriginal community, the family except for Daniel who stays home to finish exams fly to Wandana with a sense of anticipation and adventure. But Wandana is no holiday resort. In the red dust and blazing heat of central Australia, Lola

and her family are confronted with enormous social and cultural differences, as well as a dark form of racism they have never encountered before. Misunderstanding and violence threaten to end their adventure soon after it begun. Yet from somewhere in this harsh place, hands reach out to the newcomers. Can Lola and her family grasp those hands across the cultural divide?
A Novel/ Henry Holt Books For Young Readers
Calla Lily Ponder bursts into life--guided by Moon Lady, a protective feminine force--where she thrives in her small Louisiana town until the end of her first love pushes her to Crescent

City, where she discovers she has the power of "healing hands" to change lives and end pain, including her own. From the best-selling author of *Divine Secrets of the Ya-Ya Sisterhood*. 250,000 first printing.

Publishing

An eccentric woman who is great with numbers—but not so great with people—realizes it's up to her to pull a community together in this charming, big-hearted, "fun read, full of unique characters" (Associated Press)—perfect for fans of *Eleanor Oliphant Is Completely Fine* and *The Rosie Project*. Germaine Johnson doesn't need friends. She has her work and her Sudoku puzzles. Until, that is, an

incident at her insurance company leaves her jobless—and it turns out that there are very few openings these days for senior mathematicians with zero people skills. Desperate, Germaine manages to secure a position at City Hall answering calls on the Senior Citizens Helpline. But it turns out that the mayor has something else in mind for Germaine: a secret project involving the troublemakers at the senior citizens center and their feud with the neighboring golf club—which happens to be run by the dashing yet disgraced national Sudoku champion, Don Thomas. Don and the mayor want the senior center closed down and at first, Germaine is dedicated to helping

them out—it makes sense mathematically, after all. But when Germaine actually gets to know the group of elderly rebels at the senior center, they open her eyes to a life outside of boxes and numbers and for the first time ever, Germaine realizes she may have miscalculated. Filled with a unique and (occasionally) cranky cast of characters you can't help but love, *The Helpline* is “delightful feel-good fun” (Toni Jordan, author of *Addition*) that is bound to capture your heart.

A NOVEL

ReadHowYouWant.com
'The secret to having people give you money is to act as though you don't want it.' Meet Ella Canfield, highly qualified evolutionary

biologist. Attractive, if a little serious-looking in those heavy glasses—but then she's about to put her career on the line. Dr Canfield is seeking funding for a highly unorthodox research project. She wants to prove that an extinct animal still roams in one of Australia's most popular national parks. Meet Daniel Metcalf, good-looking, expensively dishevelled millionaire. Quite witty but far too rich to be taken seriously. He heads the Metcalf Trust, which donates money to offbeat scientific research projects. He has a personal interest in animals that don't exist. Problem number one: There is no such person as Dr Ella Canfield. Problem number two: Della

Gilmore, professional cartoonist, has never met anyone like Daniel Metcalf before.

Someone is going to take a fall. A sparkling, sexy read from the author of *Addition*, *Fall Girl* is a story about passion and loyalty, deceit and integrity, and the importance of believing in things that don't exist.

The Fragments

HarperCollins UK

Henry has ended his marriage to Caroline and headed off to Noosa with Mercedes' grade three teacher, Martha. Caroline, having shredded a wardrobe-full of Henry's suits, has gone after them. Craig and Lesley have dropped over briefly from next door to catch up on the fallout from Henry and Caroline's all-night row. And Janice, Caroline's

sister, is staying for the weekend to look after the girls because Janice is the sensible one. A microbiologist with a job she loves, a fervent belief in the beauty of the scientific method and a determination to make a solo life after her divorce from Alec. Then Craig returns through the bedroom window expecting a tryst with Caroline and finds Janice in her bed, Lesley storms in with a jealous heart and a mouthful of threats, Henry, Caroline and Martha arrive back from the airport in separate taxis—and let's not even get started on Brayden the pizza guy. Janice can cope with all that. But when Alec knocks on the door things suddenly get complicated. Harnessing the

exquisite timing of the great comedies to the narrative power and emotional intelligence for which she is famous, Toni Jordan brings all her wit, wisdom and flair to this brilliant, hilarious novel. Toni Jordan is the author of four novels. The international bestseller *Addition* (2008), was a Richard and Judy Bookclub pick and was longlisted for the Miles Franklin award. *Fall Girl* (2010) was published internationally and has been optioned for film, and *Nine Days* was awarded Best Fiction at the 2012 Indie Awards, was shortlisted for the ABIA Best General Fiction award and was named in *Kirkus Review*'s top 10 Historical Novels of 2013. Her latest novel is *Our Tiny, Useless*

Hearts (2016). 'A new Toni Jordan is always a special pleasure and her latest is a wonderful, witty treat of a novel: cutting and clever, and yet so very romantic, as though P. G. Wodehouse had satirised life in the suburbs.' Liane Moriarty 'A classic farce in the style of Wilde's *The Importance of Being Earnest*, complete with physical comedy, exaggerated situations and a spot of class commentary in the form of suburban satire, *Our Tiny, Useless Hearts* is loads of fun and clever too.' *Books+Publishing* 'Laugh-out-loud funny, yet with real emotion at its core, this is a sexy-smart rom-com about love and marriage...I loved it.' *Australian Women's Weekly* 'Crisp and

clever...conjuring a flawless but vividly rendered romantic hero and a love story that feels fresh and sexy.' Saturday Paper 'That Toni Jordan's new novel manages to be a full-length fiction that simultaneously operates as a hugely enjoyable farce and an emotionally rich domestic drama is a testament to her skills as a writer and the charm of her voice.' Australian 'A] clever and moving comedy about love and marriage. A hilarious and romantic treat.' Who Weekly 'Toni Jordan's novel showcases not a bizarre triangle but a confused love heptagon. With wit and humour, this screwball bedroom farce bends the lines of communication and

fidelity out of shape and reconfigures them.' Best Books of 2016, Sydney Morning Herald 'Toni Jordan is in that small group of novelists who can write smart, character- and situation-driven humour, which is to say laugh-out-loud comedy: take *Our Tiny, Useless Hearts* to the beach.' Graeme Simsion, Best Books of 2016, Guardian 'Marriage is complicated—and sometimes hilarious—in this novel...Jordan's dialogue is quick and witty, her writing is sharp, and the plot is fast-paced. However, the story's heart comes from the way it deals with the serious issues (like infidelity and infertility) that hide underneath the humor. A funny, pleasant look

at love, forgiveness,
and second chances.’

INSTANT NEW YORK
TIMES BESTSELLER

This unflinching
“master class” (The
New York Times) of a
memoir from two-time
Olympic gold medalist
and NBA Hall of Famer
reveals how Scottie
Pippen, the youngest
of twelve, overcame
two family tragedies
and universal disregard
by college scouts to
become an essential
component of the
greatest basketball
dynasty of the last fifty
years. Scottie Pippen
has been called one of
the greatest NBA
players for good
reason. Simply put,
without Pippen, there
are no championship
banners—let alone

six—hanging from the
United Center rafters.
There’s no Last Dance
documentary. There’s
no “Michael Jordan” as
we know him. The
1990s Chicago Bulls
teams would not exist
as we know them. So
how did the youngest
of twelve go from
growing up poor in the
small town of
Hamburg, Arkansas,
enduring two family
tragedies along the
way, to become a
revered NBA legend?
How did the scrawny
teen, overlooked by
every major collegiate
basketball program, go
on to become the fifth
overall pick in the 1987
NBA Draft? And,
perhaps most
compelling, how did
Pippen set aside his
ego (and his own
limitless professional
ceiling) in order for the
Bulls to become the

most dominant basketball dynasty of the last half century? In *Unguarded*, the six-time champion and two-time Olympic gold medalist finally opens up to offer pointed and transparent takes on Michael Jordan, Phil Jackson, and Dennis Rodman, among others. Pippen details how he cringed at being labeled Jordan's sidekick, and discusses how he could have (and should have) received more respect from the Bulls' management and the media. Pippen reveals never-before-told stories about some of the most famous games in league history, including the 1994 playoff game against the New York Knicks when he took himself out with 1.8 seconds to go. He

discusses what it was like dealing with Jordan on a day-to-day basis, while serving as the facilitator for the offense and the anchor for the defense. Pippen is finally giving millions of adoring basketball fans what they crave; an unvarnished, "closely observed, and uncommonly modest" (Kirkus Reviews) look into his life and role within one of the greatest, most popular teams of all time.

A wonderfully atmospheric tale for winter reading

Metcalf before.

Someone is going to take a fall. A sparkling, sexy read from the author of *Addition*, *Fall Girl* is a story about passion and loyalty, deceit and integrity, and the importance of believing in things that don't exist.

The Wonders HQ

It is 1939 and although Australia is about to go to war, it doesn't quite realise yet that the situation is serious.

Deep in the working-class Melbourne suburb of Richmond it is business—your own and everyone else's—as usual. And young Kip Westaway, failed scholar and stablehand, is living the most important day of his life.

Feminista Lothian
Children's Books
The gripping inside story of the British

royal family's battle to overcome the dramas of the Diana years—only to confront new, twenty-first-century crises “Never again” became Queen Elizabeth II's mantra shortly after Princess Diana's tragic death. More specifically, there could never be “another Diana”—a member of the family whose global popularity upstaged, outshone, and posed an existential threat to the British monarchy. Picking up where Tina Brown's masterful *The Diana Chronicles* left off, *The Palace Papers* reveals how the royal family reinvented itself after the traumatic years when Diana's blazing celebrity ripped through the House of Windsor like a comet. Brown takes readers on a tour de force

journey through the scandals, love affairs, power plays, and betrayals that have buffeted the monarchy over the last twenty-five years. We see the Queen's stoic resolve after the passing of Princess Margaret, the Queen Mother, and Prince Philip, her partner for seven decades, and how she triumphs in her Jubilee years even as family troubles rage around her. Brown explores Prince Charles's determination to make Camilla Parker Bowles his wife, the tension between William and Harry on “different paths,” the ascendance of Kate Middleton, the downfall of Prince Andrew, and Harry and Meghan's stunning decision to step back as senior royals. Despite the fragile

monarchy's best efforts, "never again" seems fast approaching. Tina Brown has been observing and chronicling the British monarchy for three decades, and her sweeping account is full of powerful revelations, newly reported details, and searing insight gleaned from remarkable access to royal insiders. Stylish, witty, and erudite, *The Palace Papers* will irrevocably change how the world perceives and understands the royal family.

Paradise Lothian Children's Books
 'I loved every page of this funny, warm, delightful novel!' LIANE MORIARTY You can marry into them, but can you ever really be one of them? A novel about marriage, love

and family. Things haven't gone well for Simon Larsen lately. He adores his wife, Tansy, and his children, but since his business failed and he lost the family home, he can't seem to get off the couch. His larger-than-life in-laws, the Schnabels - Tansy's mother, sister and brother - won't get off his case. To keep everyone happy, Simon needs to do one little job: he has a week to landscape a friend's backyard for an important Schnabel family event. But as the week progresses, Simon is derailed by the arrival of an unexpected house guest. Then he discovers Tansy is harbouring a secret. As his world spins out of control, who can Simon really count on when

the chips are down?

remembers when the
soil of Or sha hummed
with magic. Burners
ignited flames, Tiders
beckoned waves, and

Zelie's Reaper mother summoned forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were killed, leaving Zelie without a mother and her people without hope.

A Novel Random House Award-winning writer Inga Simpson terrifies and enthralls with this truly remarkable novel of a woman who must face her worst fears to survive and find beauty in the Australian bush. Fear is her cage. But what's outside is worse... It's night, and the walls of Rachel's home creak in the darkness of the Australian bush. Her fear of other people has led her to a reclusive life as far from them as possible, her only occasional

contact with her sister. A hammering on the door. There stand a mother, Hannah, and her sick baby. They are running for their lives from a mysterious death sweeping the Australian countryside - so soon, too soon, after everything. Now Rachel must face her worst fears to help Hannah, search for her sister, and discover just what terror was born of us. . . and how to survive it. For fans of STATION ELEVEN, BIRDBOX and A QUIET PLACE, this remarkable, frightening yet ultimately hopeful novel holds a mirror up to the world we live in today.

the number one bestselling novel from the co-creator of GAVIN & STACEY Black Inc. "Often funny, always lovable, this endearing

novel of obsessive compulsive disorder and romance is outstanding." —Boston Globe An absolutely delightful tale of obsessive-compulsive love, Toni Jordan's *Addition* is just the ticket for fans of TV's *Monk* and readers who were captivated by *The Curious Incident of the Dog in the Night-Time*. A wonderfully funny, supremely intelligent debut novel, *Addition* is "witty fun" (People), while OCD-afflicted heroine Grace and her new-found paramour Seamus are "thoroughly endearing characters, and their romance is sweet and fun" (Washington Post Book World).

"With jaw-dropping discoveries and realistic consequences, this novel is not to be missed. Perfect for lovers of *Big Little Lies*." —Library Journal, starred review Small, perfect towns often hold the deepest secrets. From the outside, Essie's life looks idyllic: a loving husband, a beautiful house in a good neighborhood, and a nearby mother who dotes on her grandchildren. But few of Essie's friends know her secret shame: that in a moment of maternal despair, she once walked away from her newborn, asleep in her carriage in a park. Disaster was avoided and Essie got better, but she still fears what lurks inside her, even as her daughter gets older and she has a

second baby. When a new woman named Isabelle moves in next door to Essie, she is an immediate object of curiosity in the neighborhood. Why single, when everyone else is married with children? Why renting, when everyone else owns? What mysterious job does she have? And why is she so fascinated with Essie? As the two women grow closer and Essie's friends voice their disapproval, it starts to become clear that Isabelle's choice of neighborhood was no accident. And that her presence threatens to bring shocking secrets to light. *The Family Next Door* is Sally Hepworth at her very best: at once a deeply moving portrait of family drama and a

compelling suburban mystery that will keep you hooked until the very last page.
