THE LOST DARK AGE KINGDOM OF RHEGED

Atria Books

A Kingdom in Chaos. A Merciless Enemy. A Desperate Quest. Heat radiated from the gem against her palm, and like a burning ember, the opal stone glowed red. At seventeen, Princess Lyric rides a horse better and faster than do any of her father's prized knights. She knows how to dance at the palace balls, how to flirt with the guards, and how to cajole the king into giving her almost anything. But she's never learned that non-human, intelligent beings-some of them savage-live in her world. She doesn't know the gem in her necklace is far more than a family heirloom. And she doesn't realize the visiting prince who has come to court her wants much more than her hand in marriage. Overnight, her kingdom is torn from her and her only option is to run.

Accompanied by a maidservant and a handsome lieutenant in her father's palace guard, she must learn to fight, to lead, and to trust those at her side-human or not. If she doesn't, she won't live long enough to reclaim her throne.

[The Language Revolution That Made China Modern](#) HarperCollins From the author of *The Lost Queen*, hailed as "Outlander meets Camelot" (Kirsty Logan, author of *Things We Say in the Dark*) and "The Mists of Avalon for a new generation" (Linnea Hartsuyker, author of *The Golden Wolf*), a "rich, immersive" (Kirkus Reviews) new novel in which a forgotten queen of sixth century Scotland claims her throne as war looms and her family is scattered to the winds. AD 573. Imprisoned in her chamber, Languoreth awaits news in torment. Her husband and son have ridden off to war against her brother, Lailoken. She doesn't yet know that her young daughter, Angharad, who was training with Lailoken to become a Wisdom Keeper, has been lost in the chaos. As one of the bloodiest battles of early medieval Scottish history abandons its survivors to the wilds of Scotland, Lailoken and his men must flee to exile in the mountains of the Lowlands, while nine year-old Angharad must summon all Lailoken has taught her to follow her own destiny through the mysterious, mystical land of the Picts. In the aftermath of the battle, old political alliances unravel, opening the way for the ambitious adherents of the new religion: Christianity. Lailoken is half-mad with battle sickness, and Languoreth must hide her allegiance to the Old Way to survive her marriage to the next Christian king of Strathclyde. Worst yet, the new King of the Angles is bent on expanding his kingdom at any cost. Now the exiled Lailoken, with the help of a young warrior named Artur, may be the only man who can bring the warring factions together to defeat the encroaching Angles. But to do so, he must claim the role that will forever transform him. He must become the man known to history as "Myrddin." "Intrigue, rivalry, and magic among the mists of old Britain—The Forgotten Kingdom is an enchantment of a read!" (Kate Quinn, *New York Times* bestselling author).

A KINGDOM LOST FOR A DROP OF HONEY

Rizzoli Publications

Disguised as a commoner, Prince Marlon, the heir to the throne of Mentoria, travels the countryside in search of what is true and meaningful in life. When he discovers happiness in the person of Nicole, the beautiful and wise daughter of a generous farmer, Marlon must decide whether to continue his simple life--or resume his responsibilities as prince.

[Burmese Folk-tales](#) Marvel Entertainment

This dual-narrative story set in the world of the Eisner-award winning *Black Hammer* series chronicles the legacy of a Golden Age superhero. Collects the first four issues of *Doctor Star* from *New York Times* bestselling and Eisner-winning creator Jeff Lemire! An aged crime fighter desperately wants to reconnect with his estranged son, who he hoped would one day take the mantle of *Doctor Star*. Over the course of the story we learn his World War II-era origin, how he got his powers, his exciting astral adventures, the formation of some of *Black Hammer's* greatest heroes, and more in this heartbreaking superhero tale about fathers and sons.

[A Journey to the Lost Kingdom](#) Penguin Classics

The *New York Times*-bestselling author delivers "a riveting saga about Big Sugar flexing its imperialist muscle in Hawaii . . . A real gem of a book" (Douglas Brinkley, author of *American Moonshot*). Deftly weaving together a memorable cast of characters, *Lost Kingdom* brings to life the clash between a vulnerable Polynesian people and relentlessly expanding capitalist powers. Portraits of royalty and rogues, sugar barons, and missionaries combine into a sweeping tale of the Hawaiian Kingdom's rise and fall. At the center of the story is Lili'uokalani, the last queen of Hawai'i. Born in 1838, she lived through the nearly complete economic transformation of the islands. Lucrative sugar plantations gradually subsumed the majority of the land, owned almost exclusively by white planters, dubbed the "Sugar Kings." Hawai'i became a prize in the contest between America, Britain, and France, each seeking to expand their military and commercial influence in the Pacific. The monarchy had become a figurehead, victim to manipulation from the wealthy sugar plantation owners. Lili'u was determined to enact a constitution to reinstate the monarchy's power but was outmaneuvered by the United States. The annexation of Hawai'i had begun, ushering in a new century of American imperialism. "An important chapter in our national history, one that most Americans don't know but should." —The *New York Times* Book Review "Siler gives us a riveting and intimate look at the rise and tragic fall of Hawai'i's royal family . . . A reminder that Hawaii remains one of the most breathtaking places in the world. Even if the kingdom is lost." —*Fortune* "[A] well-researched, nicely contextualized history . . . [Indeed] 'one of the most audacious land grabs of the Gilded Age.'" —*Los Angeles Times*

Fans of Brandon Mull and James Riley will love this heart-pounding second novel in the action-packed, accessible fantasy adventure series *Order of the Majestic*, which Booklist called a "delight!" Joey Kopecky and his friends, Shazad and Leanora, have the weight of the world on their shoulders. As the new *Order of the Majestic*, it is their responsibility to keep magic alive and free for all, and to fight the influence of the Invisible Hand, a sinister group of magicians intent on rounding up the world's remaining magical items and keeping everything to themselves. It's a vital mission and a sacred duty, but the Invisible Hand has been playing this game—and playing it well—for centuries. Joey,

Shazad, and Leanora are still learning their powers—and lately, they can't seem to agree on anything. But all of that changes when Fate taps them on the shoulder, and puts the Secret Map of the World in their hands. Together, Joey and his friends strike off on a tour of hidden magical realms, trying to find a lost kingdom that could hold the key to a new age of magic. Hunted by the Invisible Hand every step of the way, they must reach their ultimate destination first, or risk delivering the world's most powerful source of magic energy right into their enemy's hands.

KINGDOM LOST

DWA Media

A remarkable adventure by award-winning author Matthew J. Kirby brings a fantastical American West filled with secrets and spies and terrifying creatures to vivid life. In this extraordinary adventure story, Billy Bartram, his father, and a secret society of philosophers and scientists venture into the American wilderness in search of the lost people of the Welsh Prince Madoc, seeking aid in the coming war against the French. Traveling in a flying airship, the members of the expedition find their lives frequently endangered in the untamed American West by terrifying creatures, a party of French soldiers hot on their trail, and the constant threat of traitors and spies. Billy will face hazards greater than he can ever imagine as, together with his father, he gets caught up in the fight for the biggest prize of all: America. *THE LOST KINGDOM* is an epic journey filled with marvelous exploits, courage and intrigue, and a bold reimagining of a mythical America. Matthew J. Kirby brings his signature storytelling prowess and superb craft to this astonishing story of fathers and sons, the beginnings of a nation, and wonder-filled adventure.

THE LOST KINGDOM

Random House Australia

What does it take to reinvent a language? After a meteoric rise, China today is one of the world's most powerful nations. Just a century ago, it was a crumbling empire with literacy reserved for the elite few, as the world underwent a massive technological transformation that threatened to leave them behind. In *Kingdom of Characters*, Jing Tsu argues that China's most daunting challenge was a linguistic one: the century-long fight to make the formidable Chinese language accessible to the modern world of global trade and digital technology. *Kingdom of Characters* follows the bold innovators who reinvented the Chinese language, among them an exiled reformer who risked a death sentence to advocate for Mandarin as a national language, a Chinese-Muslim poet who laid the groundwork for Chairman Mao's phonetic writing system, and a computer engineer who devised input codes for Chinese characters on the lid of a teacup from the floor of a jail cell. Without their advances, China might never have

become the dominating force we know today. With larger-than-life characters and an unexpected perspective on the major events of China's tumultuous twentieth century, Tsu reveals how language is both a technology to be perfected and a subtle, yet potent, power to be exercised and expanded.

Aquaman: Sub-Diego Atria Books

Centuries ago, the only dragon left in Fallada perished—succumbing to a disease caused and spread by black magic. The last of the eggs failed to hatch, becoming like stone and remaining that way ... until Sonia Jones discovered her true identity as a lost princess of the otherworldly kingdom. A tomboy who once suffered from a chronic illness, Sonia doesn't feel like princess material. Unlike her royal siblings, she has yet to discover her supernatural abilities. With war brewing in Fallada between good and evil, she hardly feels equipped to join her people on the side of good ... even though an ancient prophecy clearly points to her as a savior of the realm. Her purpose finally becomes clear when the dragon eggs in her possession hatch. The creatures seem to trust her, growing and becoming stronger under her care—inspiring her to undergo her own quest to unlock her latent abilities. Along the way, she will stumble upon a way to save her mother and their people—but it may require her to endanger the first dragons the kingdom has seen in hundreds of years. Can Sonia find the strength to fulfill her prophecy and rescue her mother, while protecting Fallada's most rare and precious creatures?

The Lost Stone DC Comics

In this compelling and thought-provoking fantasy set in the world of *The Two Princesses of Bamarre*, Newbery Honor-winning author Gail Carson Levine introduces a spirited heroine who must overcome deeply rooted prejudice—including her own—to heal her broken country. Peregrine strives to live up to the ideal of her people, the Latki—and to impress her parents: affectionate Lord Tove, who despises only the Bamarre, and stern Lady Klausine. Perry runs the fastest, speaks her mind, and doesn't give much thought to the castle's Bamarre servants, whom she knows to be weak and cowardly. But just as she's about to join her father on the front lines, she is visited by the fairy Halina, who reveals that Perry isn't Latki-born. She is Bamarre. The fairy issues a daunting challenge: against the Lakti power, Perry must free her people from tyranny.

The Lost City of the Monkey God Elk Lake Publishing Incorporated

An epic time-travel adventure powered by love and a mysterious cello that connects two women across centuries. In 2018 an aspiring young cellist dreams of joining the National Arts Centre

Orchestra in Ottawa. But after a crushing rejection, a new hope emerges in the form of a long lost music score from her dying grandmother in Scotland. When Adeena plays this music on the oldest surviving cello made in the United Kingdom, something opens the gates of time and she's connected to another woman from the past. Their connection is undeniable. Katharine living in 18th century Scotland is also a cellist and a composer. Their connection is augmented by the love of the same man doomed to die after the Battle of Culloden in 1746. The magic of a priceless cello connects two souls that share the same heart in all that truly matters to them - love and the maddening drive to compose and to perform. Get swept away in this historical time-slip fantasy-adventure powered by classical music that refuses to be bound by time - and an impossible love that defies the tragic fate already determined by history. In Book I of the *Song for a Lost Kingdom* trilogy, the timeless power of music transcends the limitations of the ordinary world for those who truly listen through their heart. Music is not bound by time. Your time-slip adventure awaits...

Blood of the Lost Kingdom Kingdom Lost

When a devastating red wind sweeps across the land, brothers Bily and Zluty are forced to fight for their survival and journey into the perilous unknown. A magical new series for younger readers from the award-winning author of *The Little Fur*.

LOST KINGDOM

Simon and Schuster

William Penn established Pennsylvania in 1682 as a "holy experiment" in which Europeans and Indians could live together in harmony. In this book, historian Kevin Kenny explains how this Peaceable Kingdom--benevolent, Quaker, pacifist--gradually disintegrated in the eighteenth century, with disastrous consequences for Native Americans. Kenny recounts how rapacious frontier settlers, most of them of Ulster extraction, began to encroach on Indian land as squatters, while William Penn's sons cast off their father's Quaker heritage and turned instead to fraud, intimidation, and eventually violence during the French and Indian War. In 1763, a group of frontier settlers known as the Paxton Boys exterminated the last twenty Conestogas, descendants of Indians who had lived peacefully since the 1690s on land donated by William Penn near Lancaster. Invoking the principle of "right of conquest," the Paxton Boys claimed after the massacres that the Conestogas' land was rightfully theirs. They set out for Philadelphia, threatening to sack the city unless their grievances were met. A delegation led by Benjamin Franklin met them and what followed was a war of words, with Quakers doing

battle against Anglican and Presbyterian champions of the Paxton Boys. The killers were never prosecuted and the Pennsylvania frontier descended into anarchy in the late 1760s, with Indians the principal victims. The new order heralded by the Conestoga massacres was consummated during the American Revolution with the destruction of the Iroquois confederacy. At the end of the Revolutionary War, the United States confiscated the lands of Britain's Indian allies, basing its claim on the principle of "right of conquest." Based on extensive research in eighteenth-century primary sources, this engaging history offers an eye-opening look at how colonists--at first, the backwoods Paxton Boys but later the U.S. government--expropriated Native American lands, ending forever the dream of colonists and Indians living together in peace.

The Lost Covenant of the Kingdom Grand Central Publishing

Bily and Zluty, the injured Monster and two diggers journey into a land of ice and darkness. Here they find a secret settlement, learn more about the mysterious Makers' plan, and the Monster must make a dreadful choice.

Song for a Lost Kingdom, Book I Oxbow Books Limited

Princess Katya Nar Umbriel has little left to lose. Her uncle Roland took her home, scattered her family, and forced her to abandon Starbride, her dearest love. Slim hopes and righteous anger carry Katya into Starbride's homeland to raise an army and take back all that was stolen from her. Starbride never dreamed she'd lead a pack of foreign rebels against a Fiendish usurper. She holds the capital city out of love, denying any rumor of Katya's death. As the two strive toward each other, Roland dogs their every step, loosing Fiend-filled corpses on Katya's army and hypnotizing the capital's citizens into hunting Starbride down. If they ever meet again, it'll be over his dead body.

"The Kingdom of God is Within You" Bold Strokes Books Inc

Welcome to the Kingdom of Wrenly—a new chapter book series full of fantasy and adventure. Meet Lucas, the eight year-old prince, and Clara, the daughter of the queen's seamstress. Lucas is an only child who longs to make friends and go on adventures. Clara knows the kingdom well, so she and Lucas team up and explore the lands of Wrenly! In *The Lost Stone*, Lucas and Clara search for Queen Tasha's missing emerald. On their exciting adventure, they travel to all the main attractions of Wrenly: Primlox (the island of fairies), Burth (the island of trolls), Crestwood (the island of dragons), Hobs Grove (the island of wizards), and the beautiful Mermaid's Cove. King Caleb has promised to reward the person who finds the precious stone, and Lucas and Clara are determined to search the entire kingdom until they find it! With easy-to-read language and illustrations on almost every page, *The Kingdom of Wrenly* chapter books are perfect for beginning readers.
