*** New Intermediate Edition! *** Improve your spoken English from home with 101 real-world conversations in intermediate English. Real English people don't speak like your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. For the first time, you'll learn to move beyond beginner level, and speak English in the real world! With 101 authentic conversations in intermediate English, so you'll become confident in the words, phrases and expressions you need to communicate like a local. 101 Conversations in Intermediate English transports you into a real-world story that unfolds between six English characters, told by the people themselves. Over 15,000 words of real English, you'll immerse yourself in a gripping English drama and get an education in natural English in the process. Here's what you'll get: 101

conversations in intermediate English, so you can learn the real English spoken in the street, understand spoken English with ease, and have English roll off your tongue more fluently Over 15,000 words of dialogue - an unparalleled resource that will immerse you in English, at a level you can understand. You'll learn real spoken English without getting lost or overwhelmed Real, daily spoken English throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make English-speaking friends more easily. Situational dialogues from typical daily circumstances, so you can prepare yourself to survive realistic English encounters, in shops, cafés, and on the street, making meeting people second nature Conversations that are carefully written to be accessible for intermediate learners (B1-B2 on the CEFR), so you can learn from real, spoken conversations, without having to go through the rollercoaster of difficult conversations with strangers Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost The story is set in England and includes expressions that are typical in British English. However, since the conversations use mostly "neutral" English, you'll have plenty to learn, whether you're learning the English of America, England, or Australia. Created by Olly Richards, internationally-renowned language teacher and author, 101 Conversations in Intermediate English gives you an experience in real English that you won't find anywhere else. You'll be better prepared for using English in the real world, speak with more confidence, and take a giant leap towards fluency in English! SCROLL UP AND GRAB YOUR COPY NOW

Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. Look for *CROSSED*, the sequel to *MATCHED*, in Fall 2011! Watch a Video

Medu Neter also known as (Ancient Egyptian Hieroglyphs) is no longer a dead language. For the past 20 years an effort has been underway to resurrect it as a living spoken language. The idea first came from the late Dr. Cheikh Anta Diop a leading African historian, scientist and linguist. It was his desire for Medu Neter to one day become a lingua franca for all of Africa. This Mejat Wefa Conversation book is a step toward realizing that goal. Now students and families can enjoy speaking this ancient language everyday or just use it for rituals or special occasions, just as people once spoke Latin and Sanskrit, and ancient Hebrew. This book is written with Medu Neter pronunciation and transliteration for easy use. Also in this 2nd addition the Medu Neter (Hieroglyphs) are included so that students can learn to read as well.

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

An exciting addition to the Easy Learning range, Collins Easy Learning English Conversation: Book 1 is a unique guide to communicating in English. It has been specially designed for beginners who want to learn how to communicate successfully and with confidence in everyday situations, at work, or when travelling or studying. The text consists of 14 units, each illustrating the language used in a particular situation. The topic-based units cover the language learners need in everyday situations, but also language for more formal situations, such as a seminar or business meeting. Each section contains a list of the most useful phrases, with information on where and when they should be used, and a short sample of a conversation, showing the learner how a typical conversation flows in English. An audio CD contains all the conversations from the book, and allows the user to practice what they have learnt. In addition, the supplement contains all the everyday expressions and language structures that learners need to speak in natural English, organized by function. Each section also contains a glossary of useful vocabulary, making Collins Easy Learning English Conversation: Book 1 an indispensable resource for students who are just starting to learn how to speak in English and want to be sure they can communicate with confidence.
