evolve along with his music, Snider has become not only a modern day Bob Dylan but a modern day Will Rogers as well—an everyman whose intelligence, self deprecation, experience, and, above all, humor make him a uniquely American character.

Legacy of the Dead

Delacorte Books for Young Readers
Drawing from his teenage years, Todd Strasser's novel revisits a tumultuous era and takes readers on a psychedelically tinged trip

of a lifetime. With his girlfriend, Robin, away in Canada, eighteen-year-old Lucas Baker's only plans for the summer are to mellow out with his friends, smoke weed, drop a tab or two, and head out in his microbus for a three-day happening called the Woodstock Music and Art Fair. But life veers dramatically off track when he suddenly finds himself in danger of being drafted and sent to fight in Vietnam. If that isn't heavy enough, there's also the free-loving (and undeniably

alluring) Tinsley, who seems determined to test Lucas's resolve to stay faithful to Robin; a frighteningly bad trip at a Led Zeppelin concert; a run-in with an angry motorcycle gang; parents who appear headed for a divorce; and a friend on the front lines in 'Nam who's in mortal danger of not making it back. As the pressures grow, it's not long before Lucas finds himself knocked so far down, it's starting to look like up to him. When tuning in, turning on, and dropping out is no longer

enough, what else is there?

A Novel/ Thomas Nelson
Str-S-d:I'll begin with Lucy. She is definitely first on the list. You can't believe how it feels to be in the cafeteria and turn around and there she is staring at me like I'm some disgusting bug or vermin. Does she really think I WANT to be this way? I hate you, Lucy. I really hate you. You are my #1 pick. I wish you were dead.The day after anonymous blogger Str-S-d wishes the popular girl would die, Lucy vanishes.

The students of Soundview High are scared and worried. Especially frightened and wracked with guilt is Madison Archer, Lucy's friend and the last person to see her the night she disappeared.As days pass with no sign of the missing girl, even the attention of Tyler, an attractive new student, is not enough to distract Madison from her growing sense of foreboding. When two more popular students disappear after their names are mentioned on Str-S-d's

blog, the residents of Soundview panic. Meanwhile, Madison receives anonymous notes warning that she could be next. Desperate to solve the mystery before anyone else disappears, Madison turns to Tyler, but can she trust him when it becomes clear that he knows more than he's sharing?The clock is ticking. Madison must uncover the truth behind the mysterious disappearances . . . before her name appears in Str-S-d's blog.In the spirit of stories like I Know What

You Did Last Summer, Todd Strasser updates the teen thriller for the techno age with *Wish You Were Dead*, the first installment in a new “thrill”-ogy.

Wish You Were Dead
Random House Digital,
Inc.

IMAPCT ZONE The most dangerous part of the wave You gotta beat it...or you'll eat it. The summer is hot, and so is action out on the line-up. There's a big competition coming up, with some serious burrito money attached. All the brahs are in it for something. Lucas has his

career and his reputation on the line. If Kai wins, he might be able to stay in Sun Haven and not have to hit the road again with his sketchy dad. For everyone it's a chance to close out the summer as a champion. Stoked.

How Silicon Valley's Stealth Practices Addict Teens, Silence Speech, and Steal Your Privacy Simon and Schuster

A wonderful world where one day you can be a pirate, the next day a ninja then the following day an astronaut. "One

Day When I Grow Up" is a creative and beautifully illustrated children's picture book that tells the story of a little boy and all the different dream jobs he knows for certain he will have when he's a big person.

For Money and Love
Simon and Schuster
#1 New York Times best-seller with more than 11 million copies sold and Amazon's #17 best-selling book of all time. *Heaven Is for Real* was the best-selling non-fiction book of 2011 as reported by Nielsen's

Bookscan, and was developed as a major motion picture by Sony in 2014. “Do you remember the hospital, Colton?” Sonja said. “Yes, mommy, I remember,” he said. “That’s where the angels sang to me.” When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren’t expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing

their little boy’s trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his

parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how “really, really big” God is, and how much God loves us. Retold by his father, but using Colton’s uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits

us, where as Colton says, “Nobody is old and nobody wears glasses.” Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in Heaven Changes Everything: The Rest of Our Story. Heaven Is for Real also is available in Spanish, El cielo es real.

I NEVER MET A STORY I DIDN'T LIKE

If I Grow Up
Ten years ago one of America's most important

public figures, First Lady Hillary Rodham Clinton, chronicled her quest both deeply personal and, in the truest sense, public to help make our society into the kind of village that enables children to become able, caring resilient adults. IT TAKES A VILLAGE is a textbook for caring, filled with truths that are worth a read, and a reread. In her substantial new introduction, Senator Clinton reflects on how our village has changed over the last decade, from the internet to education,

and on how her own understanding of children has deepened as she has watched Chelsea grow up and take on challenges new to her generation, from a first job to living through a terrorist attack. She discusses how the work she is doing in the Senate is helping children and looks at where America has been successful, improvements in the foster care system and support for adoption, and where there is still work to be done, providing pre-school programmes and

universal health care to all our children. This new edition elucidates how the choices we make about how we raise our children, and how we support families, will determine how all nations will face the challenges of this century.

One Day When I Grow Up

Simon and Schuster
From award-winning author Todd Strasser comes a gripping new novel that explores the struggles of war, the price paid by those who fight in them, and what it really means to be a hero. Jake

Liddell is a hero. At least, that's what everyone says he is. The military is even awarding him a Silver Star for his heroic achievements—a huge honor for the son of a military family. Now he's home, recovering from an injury, but it seems the war has followed him back. He needs pills to get any sleep, a young woman is trying to persuade him into speaking out against military recruitment tactics, and his grandfather is already urging him back onto the

battlefield. He doesn't know what to do; nothing makes sense anymore. There is only one thing that Jake knows for certain: he is no hero. *The Accident*
Aladdin
When an unthinkable nuclear attack occurs in an alternate-reality 1962, Scott is forced into his father's bomb shelter with his family and neighbors, where they rapidly consume limited supplies and fear the worst about the fate of the world outside. By the best-selling author of *The Wave*.

After Simon & Schuster Books for Young Readers Twelve-year-old Steven and his younger brother Benjy make a desperate attempt to force their extremely busy parents to spend more time together with them.

Summer of '69 Open Road Media

Todd Strasser's acclaimed account of school violence that Kirkus Reviews calls "vivid, distressing, and all too real." For as long as they can remember, Brendan and Gary have been mercilessly teased and harassed by the jocks

who rule Middletown High. But not anymore. Stealing a small arsenal of guns from a neighbor, they take their classmates hostage at a school dance. In the panic of this desperate situation, it soon becomes clear that only one thing matters to Bendan and Gary: revenge.

Can't Get There from Here Simon and Schuster After four of his friends leave a beer party and suffer a fatal accident, eighteen-year-old Matt senses something peculiar about the police

investigation and suspects a cover-up to hide the identity of who was really responsible for the accident.

Get Better Bantam

Her street name is Maybe She lives with a tribe of homeless teens -- runaways and throwaways, kids who have no place to go other than the cold city streets, and no family except for one another. Abused, abandoned, and forgotten, they struggle against the cold, hunger, and constant danger. With the frigid winds of January

comes a new girl: Tears, a twelve-year-old whose mother doesn't believe her stepfather abuses her. As the other kids start to disappear -- victims of violence, addiction, and exposure -- Maybe tries to help Tears get off the streets...if it's not already too late. Todd Strasser, author of the powerful and disturbing *Give a Boy a Gun*, again focuses on an important social issue as he tells a thought-provoking, heart-wrenching story of young lives lost to the streets, and of a society that has

forgotten how to care. *Slide or Die* Simon and Schuster

The chief people officer at FranklinCovey outlines anecdotal and practical recommendations for how organizations of any size or type can create a competitive advantage by building effective relationships.

Unleash Your Best Work Every Day Simon and Schuster

"Ms. Peterson is starting a video game club where the students will be playing *The Good War*, a new game based on World

War II. They are divided into two teams: Axis and Allies, and they will be simulating a war they know nothing about yet. Only one team will win. But what starts out as friendly competition takes an unexpected turn for the worse when one player takes the game too far"--Publisher marketing. Fallout Thomas Nelson Inc Why should we care about heaven? -- What is heaven like? -- When does a person go to heaven? -- Where is heaven? -- Who goes to heaven? *Bud, Not Buddy*
