ESSENTIAL BUSINESS GRAMMAR BUILDER

CreateSpace

"This is the second, in a two-level series of business vocabulary and practice books. It is a self study/classroom book & CD pack. The first half of the book is devoted to business vocabulary and practice, the second half to skills work. The audio CD features interviews

with real business people and has accompanying exercises in the book. The business vocabulary builders are intended as companions to the two business grammar builders by the same author."--Publisher's description.

The Essential Business

Guide Cambridge

University Press

The Market Leader grammar books provide your students with all the business grammar practice that they need to support them in their studies.

ESSENTIAL ENGLISH GRAMMAR

Cambridge University
Press

Essential Grammar in Use is available with a promotional bonus extra CD-ROM. The CD-ROM contains: * over 150 interactive grammar questions * instant scoring and feedback * electronic study guides for students to check their level * printable grammar reference pullout panels * introduction to the range of Cambridge Learner's Dictionaries

Routledge

This revision and practice book covers all areas that will be tested at the end of primary school in the English test in Grammar, punctuation, spelling and vocabulary test at levels 3 - 5. This is the Standard Assessment Test or the SATs as popularly known. Some harder questions aimed at level 6 have been deliberately included in the book to give further practice to pupils who are able; taken all together, completion of the exercises will not only help pupils perform well in

their SATs, they will prepare them well for their work at secondary school and beyond. Each section provides background information on different word classes in sentence construction; examples of correct usage in both speaking and writing composition are included as are a variety of consolidation exercises. Completing the exercises will ensure that pupils gain fluency in both oral and written communications and know what to do if misunderstanding should

occur during private or school work. The revision notes and exercises will also help pupils' reading fluency. This book is also suitable for those new to the English language or learning English as an additional language.

**Business Benchmark
Advanced Student's
Book BEC Edition**

Essential Business
Clear, simple explanations of grammar points appropriate for lower-level learners. Straightforward practice activities based on accuracy. Authentic source material, providing

contexts relevant to adult professional learners' needs. Short end-of-unit sections allowing students to personalise key grammar. Progress tests.

Business Benchmark

Upper Intermediate

Business Vantage

Student's Book Collins

Ideal for native speakers and learners alike, this clear guide to the grammar of modern English will help students speak and write English with greater confidence.

Essential Business Skills

Cambridge University Press

Business Benchmark helps students get ahead with their Business English vocabulary and skills and gives them grammar practice in business contexts. The Student's Book provides lower intermediate level students with essential business language and vocabulary, and provides training and practice for the BEC Preliminary exam, using real BEC exam tasks provided by Cambridge ESOL. This version is available in German-speaking markets only.

If you use English on a
regular basis, but you feel

you need to brush up a
little on your grammar,
Collins' new Business
Grammar and Practice is
the perfect solution. Well-
known EFL experts Nick
Brieger and Simon
Sweeney guide the user
through 72 short, succinct
units to explain the
structure of the English
language. They provide
examples of real usage,
explanations and then
practice exercises to
cement your
understanding. All of the
sample sentences are
taken from the COBUILD
corpus, ensuring that

users don't learn traditional, theoretical language, but rather, they come to understand real, useful, everyday expressions.

Business Benchmark Pre-intermediate to Intermediate BULATS Student's Book Routledge Collins Easy Learning How to Use English is designed to help learners of all ages use individual words correctly, and choose the right words and structures for the meaning they want to convey. With its clear layout and simple explanations, this book is

ideal for learners of English who want to improve their English for work, study, and travel. *Grammar and Vocabulary* Cambridge University Press Business Benchmark Second edition is the official Cambridge English preparation course for Cambridge English: Business Preliminary, Vantage and Higher (also known as BEC), and BULATS. A pacy, topic-based course with comprehensive coverage of language and skills for business, it motivates and

engages both professionals and students preparing for working life. The Business Vantage Student's Book contains authentic listening and reading materials, including interviews with business people, providing models for up-to-date business language. Grammar and vocabulary exercises train students to avoid common mistakes, identified using Cambridge's unique collection of real exam candidates' answers. 'Grammar workshops'

practise grammar in relevant business contexts. A BULATS version of this Student's Book is also available.

An Essential Grammar
Cambridge University Press
Business Benchmark helps students get ahead with their Business English vocabulary and skills and gives them grammar practice in business contexts. This course book provides advanced-level students with essential business language and vocabulary, and provides training and

practice for the BEC Higher exam, using real BEC exam tasks provided by Cambridge ESOL. Self-study Books, Teacher's Resource Books and Audio CDs (2) are also available.

Business Benchmark Upper Intermediate BULATS Student's Book
Longman
Business Benchmark Second edition is the official Cambridge English preparation course for Cambridge English: Business Preliminary, Vantage and Higher (also known as BEC), and BULATS. This Teacher's

Resource Book includes a wide range of supplementary photocopiable material with answers, including complete extra lessons and case studies. It provides information about how the activities in each unit relate to the Business Preliminary exam and BULATS test. There are notes on each unit with advice and suggestions for alternative treatments and information about how this course corresponds to the CEF, with a checklist of 'can do'

statements. A complete answer key to both the Business Preliminary and BULATS versions of the Student's Book is provided as well as complete transcripts of the listening material with answers underlined. *English Grammar, Punctuation, Spelling and Vocabulary Practice* Oxford University Press This book is a collection of linguistic and philosophical papers dealing with the semantic problems of determiners. The language under investigation is mostly

English, although a few papers deal with French and German, and, to a lesser extent, with Dutch, Polish, Russian and Hebrew. The majority of the contributions focus on the semantics of the definite and indefinite articles, leading into discussions of anaphoricness, specificity, opacity and transparency, referentiality and attributiveness and genericness. The relation of the determiners to other parts of grammar, in particular relativisation

and predication, is also investigated. Some attention is also given to quantifiers. In the spirit of pluralism, there is no single paradigm unifying all the papers, rather, the volume reflects elements of the Extended Standard Theory, Generative Semantics, Montague Grammar, (Gricean) Pragmatics and Speech Act Theory. *Business Grammar and Usage : Business English* Routledge The world's best-selling grammar series for learners of English. To

accompany Essential Grammar in Use Fourth edition, Essential Grammar in Use Supplementary Exercises provides elementary-level learners with extra practice of the grammar

covered in the main book. The easy-to-follow exercises and full answer key make this supplementary book ideal for independent study. Extra activities for

Essential Grammar in Use are also available as a mobile app for smartphones and tablet devices, available to purchase separately from the App Store (iOS) and Google Play (Android).
