SEVEN YEARS TO SIN

Penguin

Eva Trammel, plagued by her own insecurities, is drawn into an intense, obsessive relationship with the wealthy and arrogant Gideon Cross. "Gideon Cross came into my life like lightning in the darkness. He was beautiful and brilliant, jagged and white-hot. I

was drawn to him as I'd never been to anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily. Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart."-- Back cover.

A writer in the same elite class as Elizabeth George, Martha Grimes, and Anne Perry, Crombie mesmerizes with a story at once gripping and poignant that explores the dark places in the human heart, and the shadowy corners *Where Memories Lie*. THE STRANGER I MARRIED

Kodansha USA Incorporated

I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer. Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie, help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well... things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well... I might need a little more practice.

Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure—I intend to find out.

don't feel safe. Arden's protestations become frantic, nearly violent. And while Audrina didn't anticipate running the family business, she's curious to do so. And she can't help but wonder what had made her father change his will at the last minute? What did he know about Arden that she didn't? Trapped in the middle of it all: her fragile, simple sister—the beautiful, trusting Sylvia. Audrina promised her father she'd watch over the young woman. But after years of relative quiet, the dark days of Whitefern may have returned...

No Holding Back Berkley

From #1 New York Times bestselling author Sylvia Day comes a story of the ultimate seduction. . . . Max Westin. Sex incarnate. She could smell it, feel it with his proximity. Everything about him was a little rough, a little gritty. He was a primitive creature. Just like her. He held her hand a little too long, his gaze, under thick lashes, clearly stating his intention to have her. To tame her. . . . "Victoria." Her name, just one word, but spoken with such possession she could almost feel the collar around her neck. "It's in your nature," he murmured. "The desire to be taken." In this game of cat and mouse, everything is an illusion, but the passion is as real as it gets. . . .
