RANDOLPH ANTONY

The Red Badge of Courage Henry Holt and Company (BYR)

First published in 1971, *Rules for Radicals* is Saul Alinsky's impassioned counsel to young radicals on how to effect constructive social change and know "the difference between being a realistic radical and being a rhetorical one." Written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.

We Beat the Street Penguin

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

CHARLES AND EMMA

Routledge

A universal portrait and an insider's look at life in Latin America in this "vivid, graceful, tautly constructed" novel of love, anger, hope, and tragedy (Tim O'Brien). At the heart of this "profound . . . quietly stunning work that leaves soft tracks in the heart" is Chayo, the flower-seller, and her husband Candelario, the salad-maker, who finally may be blessed with the child they thought they would never have (The Washington Post Book World). Their cause for happiness, however, triggers a series of events that marks the lives of everyone in the small village of Santiago, Mexico. Woven into Chayo's and Candelario's story are an unforgettable array of characters: Marta, the hotel maid who reads cast-off American magazines and dreams of El Paso; don Justo, the heartbroken fortune-teller; Esperanza, the midwife who finds new love with Rafael, the shy schoolteacher. Their secret dreams and desires are known only to the omniscient sea and to the curandera Remedios, a healer who hears them all. Winner of the Minnesota Book Award for Fiction Finalist for the Los Angeles Times Book Award

THE ABSOLUTELY TRUE DIARY OF A PART-TIME INDIAN

Simon and Schuster

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

Passion Projects That Ignite Innovation and Student Inquiry Penguin Group Australia

Jeremiah Reskin has big plans for tenth grade—he wants to make some friends and he wants to take a girl's shirt off. It's not going too well at first,

but when he meets a group of semibohemian outcasts, things start to change. Soon he's negotiating his way through group back rubs and trying to find the courage to make a move on Renee Shopmaker, the hottest girl in school. At the behest of his composition teacher, Jeremy's also chronicling everything in his own novel—a disastrously ungrammatical but unflinching look at sophomore year.

The Rise and Fall of a 10th-grade Social Climber Penguin

Enzo knows he is different from other dogs: a philosopher with a nearly human soul (and an obsession with opposable thumbs), he has educated himself by watching television extensively, and by listening very closely to the words of his master, Denny Swift, an up-and-coming race car driver. Through Denny, Enzo has gained tremendous insight into the human condition, and he sees that life, like racing, isn't simply about going fast. Using the techniques needed on the race track, one can successfully navigate all of life's ordeals. On the eve of his death, Enzo takes stock of his life, recalling all that he and his family have been through: the sacrifices Denny has made to succeed professionally; the unexpected loss of Eve, Denny's wife; the three-year battle over their daughter, Zoë, whose maternal grandparents pulled every string to gain custody. In the end, despite what he sees as his own limitations, Enzo comes through heroically to preserve the Swift family, holding in his heart the dream that Denny will become a racing champion with Zoë at his side. Having learned what it takes to be a compassionate and successful person, the wise canine can barely wait until his next lifetime, when he is sure he will return as a man. A heart-wrenching but deeply funny and ultimately uplifting story of family, love, loyalty, and hope, *The Art of Racing in the Rain* is a beautifully crafted and captivating look at the wonders and absurdities of human life . . . as only a dog could tell it.

Alas, Babylon Grand Central Publishing

After being abused by her uncle, G Child goes to live with her grandmother in the Central downtown area of Winnipeg. There, she is surrounded by kids who roam the apartment blocks, smoking and drinking and doing drugs. she meets Jessica and Gina, who become her best friends, and gets to know Gina's older brother, Roland, founder of the Central outfit of the Diablos gang. As a young teen she is initiated into the Diablos and starts joining their campaign against the rival gang, the street Ryders (so named because they make their money pimping out girls). embracing the solidarity of gang membership, G Child feels loved and part of a family. But the stakes rise when the street Ryders kill a friend, and as G Child gets in deeper, moving in with her fellow gang girlfriends and selling crack to make money, she finds herself questioning her lifestyle. When someone she trusts reveals a dark, abusive streak, G Child knows it's time to get out. But can she escape gang life before it kills her? A compelling read based on real-life experience, *Innercity Girl Like Me* is a brutally authentic look at gang life in Canada.

A Novel Gospel Light Publications

The 25th-anniversary edition of "a novel that in the sweep and inevitability of its events...is a major contribution to Native American literature."

(Wallace Stegner) In the Two Medicine Territory of Montana, the Lone Eaters, a small band of Blackfoot Indians, are living their immemorial life. The

men hunt and mount the occasional horse-taking raid or war party against the enemy Crow. The women tan the hides, sew the beadwork, and raise the children. But the year is 1870, and the whites are moving into their land. Fools Crow, a young warrior and medicine man, has seen the future and knows that the newcomers will punish resistance with swift retribution. First published to broad acclaim in 1986, Fools Crow is James Welch's stunningly evocative portrait of his people's bygone way of life. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

THE QUEEN OF WATER

Random House Digital, Inc.

Charles Darwin published *The Origin of Species*, his revolutionary tract on evolution and the fundamental ideas involved, in 1859. Nearly 150 years later, the theory of evolution continues to create tension between the scientific and religious communities. Challenges about teaching the theory of evolution in schools occur annually all over the country. This same debate raged within Darwin himself, and played an important part in his marriage: his wife, Emma, was quite religious, and her faith gave Charles a lot to think about as he worked on a theory that continues to spark intense debates. Deborah Heiligman's new biography of Charles Darwin is a thought-provoking account of the man behind evolutionary theory: how his personal life affected his work and vice versa. The end result is an engaging exploration of history, science, and religion for young readers. Charles and Emma is a 2009 National Book Award Finalist for Young People's Literature.

Engulfed in the darkness of Irian Jaya's Snow Mountains live the Yali, naked cannibals who call themselves lords of the earth. Yet, in spite of their boldness, they live in terror and bondage to the women-hating, child-despising gods they serve. Missionary Stan Dale dared to enter their domain and be an instrument to change their future. Peace Child author, Don Richardson, tells the story of Dale, his wife, his companions and thousands of Yali tribesmen in *Lords of the Earth*. This unforgettable tale of faithful determination and zeal against overwhelming odds brings unlikely characters together in a swirl of agony and bloodshed climaxing in a dramatic, unexpected ending. Readers will find their perceptions of how God moves enlarged and inspired by this classic story. For parents and youth leaders looking for real-life role models for the new generation of young people, you

will want to meet the Dales in *Lords of the Earth*.

THE ART OF RACING IN THE RAIN LP

Harper Collins

In Native American tradition, a warrior gained honor and glory by "counting coup" -- touching his enemy in battle and living to tell the tale. This is a modern story of... COUNTING COUP In this extraordinary work of journalism, Larry Colton journeys into the world of Montana's Crow Indians and follows the struggles of a talented, moody, charismatic young woman named Sharon LaForge, a gifted basketball player and a descendant of one of George Armstrong Custer's Indian scouts. But "Counting Coup" is far more than just a sports story or a portrait of youth. It is a sobering exposé of a part of our society long since cut out of the American dream. Along the banks of the Little Big Horn, Indians and whites live in age-old conflict and young Indians grow up without role models or dreams. Here Sharon carries the hopes and frustrations of her people on her shoulders as she battles her opponents on and off the court. Colton delves into Sharon's life and shows us the realities of the reservation, the shattered families, the bitter tribal politics, and a people's struggle against a belief that all their children -- even the most intelligent and talented -- are destined for heartbreak. Against this backdrop stands Sharon, a fiery, undaunted competitor with the skill to dominate a high school game and earn a college scholarship. Yet getting to college seems beyond Sharon's vision, obscured by the daily challenge of getting through the season -- physically and ps

Eleanor & Park Penguin

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Dark Life Little, Brown Books for Young Readers

Based on an actual crime in 1955, this YA novel is at once a mystery and a coming-of-age story. The brutal murder of two teenage girls on the last day of Nora Cunningham's junior year in high school throws Nora into turmoil. Her certainties—friendships, religion, her prudence, her resolve to find a boyfriend taller than she is—are shaken or cast off altogether. Most people in Elmgrove, Maryland, share the comforting conviction that Buddy Novak, who had every reason to want his ex-girlfriend dead, is responsible for the killings. Nora agrees at first, then begins to doubt Buddy's guilt, and finally comes to believe him innocent—the lone dissenting voice in Elmgrove. Told from several different perspectives, including that of the murderer, *Mister Death's Blue-Eyed Girls* is a suspenseful page-turner with a powerful human drama at its core.

INNERCITY GIRL LIKE ME

Scholastic Inc.

A dazzling eco-thriller set in a terrifying world with some chilling similarities to our own . . . 17-year-old Banyan is a tree builder. Using salvaged scrap metal, he creates forests for rich patrons who seek a reprieve from the desolate landscape. Although Banyan's never seen a real tree--they were destroyed more than a century ago--his missing father used to tell him stories about the Old World. Everything changes when Banyan meets a mysterious woman with a strange tattoo, a map to the last living trees on earth, and he sets off across a wasteland from which few return. Those who make it past the pirates and poachers can't escape the locusts . . . the locusts that now feed on human flesh. But Banyan isn't the only one looking for the trees, and he's running out of time. Unsure of whom to trust, he's forced to make an alliance with Alpha, a beautiful, dangerous pirate with an agenda of her own. As they race towards a promised land that might only be a myth, Banyan makes shocking discoveries about his family, his past, and how far people will go to bring back the trees.
