One of Schnitzler's most poignant evocations of the passing of time and the ironies of sentiment and love, Casanova's Return to Venice tells the story of an ageing Casanova's desperate desire to return to the city he truly loves after a life of exile; a desire which is contrasted with his still-libidinous and sensuous - yet weary - pursuit of women, money and prestige. "His yearning for Venice, the city of his birth, grew so intense that, like a wounded bird slowly circling downwards in its death flight, he began to move in ever-

narrowing circles." Pushkin Collection editions feature a spare, elegant series style and superior, durable components. The Collection is typeset in Monotype Baskerville, litho-printed on Munken Premium White Paper and notch-bound by the independently owned printer TJ International in Padstow. The covers, with French flaps, are printed on Colorplan Pristine White Paper. Both paper and cover board are acid-free and Forest Stewardship Council (FSC) certified. Eyes Wide Open Ivan R. ## WRITING SHORT STORIES

Bloomsbury Publishing USA

"Elegant, filthy - and quite possibly the queerest thing you will read all year." -

Guardian "Intriguing and inventive." - Electric Literature, "Most Anticipated LGBTQ+ Book of the Year" "A dizzyingly enticing and kaleidoscopic take on the spectrum of sexual experiences." - Publishers Weekly, starred review \_\_\_\_\_ A daring, category-confounding, and ruthlessly funny novel from National Book Award honored author Edmund White that explores polyamory and bisexuality, aging and love. Sicilian aristocrat and musician, Ruggero, and his younger American wife, Constance, agree to break their marital silence and write their Confessions. Until now they had a ban on speaking about the past, since transparency had wrecked their previous marriages. As the two alternate reading the memoirs they've written about their lives, Constance reveals her multiple

marriages to older men, and Ruggero details the affairs he's had with men and women across his lifetime—most importantly his passionate affair with the author Edmund White. Sweeping outward from the isolated Swiss ski chalet where the couple reads to travel through Europe and the United States, White's new novel pushes for a broader understanding of sexual orientation and pairs humor and truth to create his most fascinating and complex characters to date. As in all of White's earlier novels, this is a searing, scintillating take on physical beauty and its inevitable decline. But in this experimental new mode—one where the author has laid himself bare as a secondary character—White explores the themes of love and age through numerous eyes, hearts and minds. Delightful, irreverent, and experimental, *A Previous Life* proves once more why White is considered a master of American literature.

This English translation of Arthur Schnitzler's "Der Weg ins Freie" (1908) was first published in 1913 and is one of only two novels—the other being "Therese" (1928)—by the Viennese author, who was better known for his short stories and plays, including "Reigen" ("Round Dance"), known to most English-speaking readers as "La Ronde." "The Road to the Open" tells the story of the aristocratic young composer Georg von Wergenthin-Recco who has talent but lacks the drive to get down to work and spends most of his time socializing with members of the assimilationist, artistically sensitive Jewish bourgeoisie of Vienna and other non-Jews like himself who enjoy their company. A love affair with a Catholic lower middle class girl, combined with the author's authentic descriptions of the milieu, the arts, the psychology of love, and the anti-Semitism that was coming to dominate so much of life and politics in the Austria-Hungary of the time, make this novel a classic. "One of the most important, representative, revelatory works of Austria at the turn of the century....The best English version of the novel."—Marc A. Weiner, Indiana University "In Arthur Schnitzler the two strands of Austrian fin-de-siècle culture, the moralistic and the aesthetic, were present in almost equal proportions. Small wonder that Freud hailed Schnitzler as a 'colleague' in the investigation of the 'underestimated and much-maligned erotic.'"—Carl Schorske, author of *Fin-de-Siècle Vienna*

### THE DEAD ARE SILENT

Grand Central Publishing

A hilarious takedown of celebrity and false genius, never before available in the US. An NYRB Classics Original Eduard Saxberger is a quiet man who is getting on in years and has spent the better part of them working at a desk in an office. Once upon a time, however, he published a book of poetry, *Wanderings*, and one day when he returns from his usual walk he finds a young man waiting for him. "Are you," he wants to know, "Saxberger the poet?" Is Saxberger Saxberger the poet? Was he ever a poet? A real poet? Saxberger hasn't written a poem for years, but he begins to frequent the coffee shops of Vienna with his young admirer and his no less admiring circle of friends, and as he does he begins to yearn for a different life from the daily round followed by rounds of drinks and billiards with familiar buddies like Grossinger, the deli owner. And the ardent attentions of Fräulein Gasteiner, the tragedienne, are not entirely unwelcome. The Hope of Young Vienna is how the young artists style themselves, and they are arranging an event that will introduce them to the world. They insist that the distinguished author of *Wanderings* take part in it as well. Will he write something new for the occasion? Will he at last receive his due? *Late Fame*, an unpublished novella recently rediscovered in the papers of the great turn-of-the-century Austrian playwright and novelist Arthur Schnitzler, is a bittersweet parable of hope lost and found.

*The Killing* Lexington Books

This is a unique collection of seven of Schnitzler's best known plays in a new English translation. They explore love, sexuality, and death in various guises, against the backdrop of turn-of-the-century Viennese decadence. The introduction explores the plays in relation to Schnitzler's life, to the culture of late twentieth-century Vienna, and to Modernism in general. - ;Flirtations \* Round Dance \* The Green Cockatoo \* The Last Masks \* Countess Mizzi \* The Vast Domain \* Professor Bernhardt The playwright Arthur Schnitzler is best known

as the chronicler of fin de siècle Viennese decadence. *Round Dance*, written in the late 1890s, exposes sexual life in Vienna with such witty frankness that it could not be staged until after the First World War, when it provoked a riot in the theatre and a prosecution for indecency. The other plays in this collection explore love, sexuality, and death in various guises, always with a sharp, non-judgemental awareness of the complexity and mystery of the psyche. Acquainted with Freud and his circle, Schnitzler probes beneath the surface of his characters to uncover emotions they barely understand. And in the tragicomedy *Professor Bernhardt*, Schnitzler addresses the growing anti-Semitism of the period. - ;Davies's translation once again brings us closer to a masterpiece of modern drama written before the twentieth century had even begun. - Leo A Lensing, TLS

**Beatrice and Her Son** Random House

An engrossing biography of one of the most influential filmmakers in cinematic history Kubrick grew up in the Bronx, a doctor's son. From a young age he was consumed by photography, chess, and, above all else, movies. He was a self-taught filmmaker and self-proclaimed outsider, and his films exist in a unique world of their own outside the Hollywood mainstream. Kubrick's Jewishness played a crucial role in his idea of himself as an outsider. Obsessed with rebellion against authority, war, and male violence, Kubrick was himself a calm, coolly masterful creator and a talkative, ever-curious polymath immersed in friends and family. Drawing on interviews and new archival material, Mikics for the first time explores the personal side of Kubrick's films. *Diary of a Madman, The Government Inspector, & Selected Stories* BRILL Schaefer has translated three of Schnitzler's greatest novellas--*Dying*, *Flight into Darkness*, and *Fraulein Else*.

**Within Paravent Walls** Courier Dover Publications

Jonathan is a private detective in a decaying eastern European city. He is drowning in his work, his failing marriage, and the corrupt landscape that surrounds him. One day, he is approached by an elderly couple to investigate the disappearance of their daughter, who has been missing for nearly two decades. Troubled by the faded photograph of a little girl the couple presses on him--she's the same age as his own daughter--he feels compelled to find her. Then one night, as he is contemplating his troubled marriage, he encounters a young woman crouched at the foot of a stone angel on the bridge spanning the river that divides the city, a woman who suddenly jumps into the icy water below. Plunging after

her, Jonathan finds himself dragged into her ghostly world of confusion, coincidence, and intrigue, and the city he thought he knew becomes strange, mysterious, and threatening. Combining the language and imagery of film with those of an extremely gifted writer, Neil Jordan has created a haunting novel that intrigues, delights, and surprises with its precise language, sly humor, imaginative range, and narrative flair.

Author, dramatist and satirist, Nikolay Gogol (1809-1852) deeply influenced later Russian literature with his powerful depictions of a society dominated by petty bureaucracy and base corruption. This volume includes both his most admired short fiction and his most famous drama. A biting and frequently hilarious political satire, *The Government Inspector* has been popular since its first performance and was regarded by Nabokov as the greatest Russian play ever written. The stories gathered here, meanwhile, range from comic to tragic and describe the isolated lives of low-ranking clerks, lunatics and swindlers. They include *Diary of a Madman*, an amusing but disturbing exploration of insanity; *Nevsky Prospect*, a depiction of an artist besotted with a prostitute; and *The Overcoat*, a moving consideration of poverty that powerfully influenced Dostoevsky and later Russian literature.
