[Tangram Fury Farm Book](#) CreateSpace

A Tangram is a seven-piece jigsaw puzzle that originated from China. The objective is to rearrange the pieces to form the shapes of various things such as animals, people, and objects. This book contains 50 tangrams which are displayed one per page so that you can work on top of the puzzles.

[The Tangram Fury Christmas Book I](#) CreateSpace

The challenge of the tangram, the original "Chinese puzzle," lies in your ability to arrange seven geometrical pieces — a square, a rhomboid, and five triangles — into a variety of different shapes. Collected by Sam Loyd, America's great puzzle expert, these 700 endlessly absorbing tangrams offer hours of mind-expanding amusement. Sam Loyd's *The Book of Tangrams* is also a tribute to this tricky and intriguing puzzle. In a famous and delightful spoof of the tangram's history, Loyd includes running commentary on the popular puzzle's origins in ancient China, its religious significance, and its relation to the Pythagorean theorem. But don't let the amusing dialogue fool you! The puzzles are genuine challenges. If you've ever tried your hand at tangrams before, you're probably already addicted to their limitless possibilities. If you haven't, this classic puzzle potpourri will have you hooked in no time! Solutions are included.

50 TANGRAMS FOR KIDS PUZZLES, TANGRAM PUZZLE FOR KIDS

Createspace Independent Publishing Platform

Tangrams are ancient Chinese, ingenious puzzles. They are

deceptively simple in design, yet can stump even the most seasoned of puzzlers. Then, the light clicks on and the answer suddenly seems so obvious. It's amazing that so many puzzles can be solved with the exact same 7 shapes. The Tangram Fury Summer Sports Book has a series of original puzzles representing fun images of popular sports from the sprint and summer, all done up as tangram puzzles. These include such things as swimming and diving, track and field, gymnastics, baseball and many others. Following a brief introduction to tangrams, the main portion of the book provides challenging or whimsical puzzles to solve. The book is arranged to show a silhouetted puzzle, followed by its solution. This is followed by tidbits and trivia about tangrams and some famous people who have tinkered with tangrams over the years. (Can you solve the unsolvable "Mad Hatter" tangram created by Lewis Carroll?) It also provides some tips and suggestions for those with a competitive streak. The text sections of the books in this series are essentially the same, but the heart of the book - the part that includes the tangram puzzles - remains unique. Most of the puzzles have been designed by the author, Doug Nufer. Go on! What are you waiting for? Give it a try! You just might get hooked...

Most of the puzzles have been designed by the author, Doug Nufer. Go on! What are you waiting for? Give it a try! You just might get hooked...

Tangram Fury Comic Con Book CreateSpace

Presented in a box with tray for holding the seven puzzle pieces, this book contains 1600 possible silhouettes, their solutions and general tips on how to solve a tangram.

The Warlord's Puzzle CreateSpace

The 7-piece Tangram puzzle has been around for years, yet fans of the puzzles still find new shapes to make and solve. Every puzzle can be solved with the same 7 pieces. This book is dedicated to tangram paradoxes. A tangram paradox is a pair of tangram puzzles that are virtually identical, except for one small difference. It may be a piece seeming to be missing, or an area added. Either way, this book is full of interesting and fun puzzles that share, or rather miss, something in common. Following a brief introduction to tangrams, the main portion of the book provides challenging or whimsical puzzles to solve. The book is arranged to show a silhouetted puzzle, followed by its solution. This is followed by tidbits and trivia about tangrams and some famous people who have tinkered with tangrams over the years. (Can you solve the unsolvable "Mad Hatter" tangram created by Lewis Carroll?) It also provides some tips and suggestions for those with a competitive streak.
